died at age nine and now swears a blue streak and three eyeless murmuring wraiths the Fats composed of the pounds literally the whole selves she lost and gained over her lifetime As Lily settles into her nonexistence the most difficult challenge for this staunchly difficult woman is how to understand that she s dead and how to leave the rest behind How the Dead Live is an unforgettable portrait of the human condition the struggle with life and with death It s a novel that will disturb and provoke the work in the words of one British reviewer of a novelist writing at the height of his powers
