Trout,2008 Until recently it has been difficult for anyone with an interest in the Army of Northern Virginia s horse artillery which served under legendary cavalry commander J E B Stuart to envision what the men of the battalion endured With the publication in 2002 of Robert Trout s seminal book Galloping Thunder The Stuart Horse Artillery Battalion the endeavors of the unit were rescued from

obscurity In Memoirs of the Stuart Horse Artillery Battalion Trout provides readers with complete versions of three important primary documents written by soldiers of the battalion Lt Lewis T Nunnelee s history of Moorman s Battery is based on a seven volume diary that Nunnelee kept during the war and features near daily entries of the battery s actions The History of Hart s Battery as told by Maj James F Hart Dr Levi C Stephens Louis Sherfesee and Charles H Schwing is as Trout puts it a cannon of a different caliber It recounts in broader terms the battery s history from its inception before the war to its surrender as the last horse artillery in the field The authors offer rare glimpses into the development of tactics learned from the school of the battlefield Finally Louis Sherfesee s Reminiscences of A Color Bearer fleshes out many of the stories in the history that he co wrote with Hart and his fellow soldiers Filled with short vignettes it offers a behind the scenes look at the battery in action Together these rich documents provide welcome insights into the day to day experiences of the often overlooked Confederate horse artillery which played an important role in cementing Stuart s reputation as one of the most outstanding cavalry commanders in the Civil War Book Jacket   Bentley's Miscellany ,1866   **The Clanlands Almanac** Sam Heughan,Graham McTavish,2021-11-23 A seasonal meander through the wilds of Scotland If Clanlands was a gentle road trip through Scotland this almanac is a top down pedal to the metal up and down odyssey through the many byways of a Scottish year An invitation to anyone who picks up the book to join us on a crazy camper van exploration over 12 glorious whisky fuelled months Mountains battles famous and infamous Scots the alarming competitiveness of Men in Kilts clans feuds flora fauna with a healthy sprinkling of embarrassing personal reminiscences thrown in Much is explored all is shared It is a camper van cornucopia of all things Alba From First Footing to Samhain Fringe Festival follies to whisky lore Sam Graham guide readers through a year of Scottish legends traditions historical and contemporary events sharing personal stories and tips as only these two chalk and cheese friends can As entertaining as it is practical The Clanlands Almanac is a light hearted education in Scottish history and culture told through the eyes of two passionate Scotsmen The perfect escapist guide The Clanlands Almanac is intended as a starting point for your own Scottish discoveries   **A Life of Wellington, for Boys** Walter Keating Kelly,1853   *The Southerner* Thomas Dixon,2020-07-17 Reproduction of the original The Southerner by Thomas Dixon   *Robert E. Lee, Man and Soldier* Thomas Nelson Page,1911   Stonewall Jackson's Campaign in the Shenandoah Valley of Virginia William Allan,1912 The operations of General T J Jackson in the Valley of Virginia during the first half of the year 1862 constitute one of the most brilliant and interesting episodes of the great Civil War The theatre on which they took place afforded a quick and easy approach to the Federal capital and to the Northern states The mountains and rivers of the Valley gave to an active and skilful commander many opportunities of neutralizing great disparity of force The celerity energy and skill which Jackson manifested on this field excited the admiration of his countrymen and produced a feeling nearly akin to consternations among his foes His campaign had a most important bearing upon all the military operations in Virginia in the spring and summer of 1862 for he caused to be detained for the defence of Washington and

Maryland forces in the aggregate four or five times as numerous his own and thus in fatal degree hampered and paralyzed McClellan The story of this campaign will always be interesting to the actors in it on both sides and not merely to them to the student of military art it affords an admirable example of an aggressive defensive campaign and one of the best instances in modern times of the degree to which skill and daring may neutralize superiority of numbers and resources Our aim has been to give an accurate history of this campaign from official sources Page ix x   **The Three Presidencies of India** John Capper,1853
