Commons**

## **Sixty Miles From England The English At:**

Catechism of the Geography of the British Empire William PINNOCK,1830      **Tourists** Lucy Lethbridge,2022-08-18  
FOYLES NON FICTION BOOK OF THE MONTH I really can't recommend this enough especially if you are going on holiday  
Tom Holland Delightful Lucy Lethbridge has written a glorious romp of a book Kathryn Hughes *The Mail on Sunday* It is the  
paramount wish of every English heart ever addicted to vagabondizing to hasten to the Continent In 1815 the Battle of  
Waterloo brought to an end the Napoleonic Wars and the European continent opened up once again to British tourists The  
nineteenth century was to be an age driven by steam technology mass industrialisation and movement and in the footsteps of  
the Grand Tourists a hundred years earlier the British middle classes flocked to Europe to see the sights In *Tourists* the  
voices of these travellers puzzled shocked delighted and amazed are brought vividly to life From the discomfort of the  
stagecoach to the self contained pleasure palace of the beach resort Lucy Lethbridge brilliantly examines two centuries of  
tourists experience Among a range of disparate characters we meet the commercial titans of Victorian tourism Albert Smith  
Henry Gaze and Thomas Cook as well as their successor Vladimir Raitz the creator of the modern beach holiday The growth  
of popular tourism introduced new markets in guidebooks souvenirs cuisine and health cures It smoothed over class  
differences but also exacerbated them It destroyed traditional cultures while at the same time preserving them From  
portable cameras to postcards and suntans *Tourists* explores how tourism has reflected changing attitudes to modernity and  
how from the grand hotel to the campsite the foreign holiday exposes deep fears hopes and even longings for home
