Skin Of Our Teeth:

The Skin of Our Teeth Thornton Wilder, 1972 An Eternal Family narrowly escape one disaster after another from ancient times to the present Meet George and Maggie Antrobus married only 5 000 years their two children Gladys and Henry perfect in every way and their maid Sabina the ageless vamp as they overcome ice flood and war by the skin of their teeth Amazon

Skin of Our Teeth (Revised) Thornton Wilder, 2012 Thornton Wilder's The Skin of our Teeth Kyle Gillette, 2016-09-13 Ladies and gentlemen I m not going to play this particular scene tonight Sabina Thornton Wilder s The Skin of Our Teeth 1942 telescopes an audacious stretch of western history and mythology into a family drama showing how the course of human events operates like theatre itself constantly mutable vanishing and beginning again Kyle Gillette explores Wilder s extraordinary play in three parts Part I unpacks the play s singular yet deeply interconnected place in theatre history comparing its metatheatrics to those of Stein Pirandello and Brecht and finding its anticipation of American fantasias in the works of Vogel and Kushner Part II turns to the play s many historic and mythic sources and examines its concentration of western progress and power into the model of a white American upper middle class nuclear family Part III takes a longer view tangling with the play s philosophical stakes Gillette magnifies the play s ideas and connections teasing out historical theoretical and philosophical questions on behalf of readers scholars and audience members alike An Analysis of The Skin of Our Teeth Mary Frances Dolan, 1955 *Thornton Wilder and the Puritan Narrative Tradition* Lincoln Konkle, 2006 Fresh examination of the works of Thornton Wilder emphasizing continuities in American literature from the seventeenth through twentieth centuries Sees Wilder as a literary descendant of Edward Taylor who drew from the Puritan worldview and tradition Includes indepth readings of *Shadow of a Doubt* *The Trumpet Shall Sound* and others Provided by publisher

Staging the War Albert Wertheim, 2004-03-16 What happened in American drama in the years between the Depression and the conclusion of World War II How did war make its impact on the theatre More important how was drama used during the war years to shape American beliefs and actions Albert Wertheim s *Staging the War* brings to light the important role played by the drama during what might arguably be called the most important decade in American history As much of the country experienced the dislocation of military service and work in war industries the dramatic arts registered the enormous changes to the boundaries of social classes ethnicities and gender roles In research ranging over more than 150 plays Wertheim discusses some of the well known works of the period including *The Time of Your Life* *Our Town* *Watch on the Rhine* and *All My Sons* But he also uncovers little known and largely unpublished plays for the stage and radio by such future luminaries as Arthur Miller and Frank Loesser including those written at the behest of the U S government or as U S O musicals *The American son* of refugees who escaped the Third Reich in 1937 Wertheim gives life to this vital period in American history

The American Play Marc Robinson, 2009-05-26 In this brilliant study Marc Robinson explores more than two hundred years of plays styles and stagings of American theater Mapping the changing cultural landscape from the late

eighteenth century to the start of the twenty first he explores how theater has and has not changed and offers close readings of plays by O'Neill, Stein, Wilder, Miller and Albee as well as by important but perhaps lesser known dramatists such as Wallace Stevens, Jean Toomer, Djuna Barnes and many others. Robinson reads each work in an ambitiously interdisciplinary context linking advances in theater to developments in American literature, dance and visual art. The author is particularly attentive to the continuities in American drama and expertly teases out recurring themes such as the significance of visuality. He avoids neatly categorizing nineteenth and twentieth century plays and depicts a theater more restive and mercurial than has been recognized before. Robinson proves both a fascinating and thought provoking critic and a spirited guide to the history of American drama.

The Skin of Our Teeth, 1975. The John F. Kennedy Center for the Performing Arts, Thornton Wilder's *The Skin of Our Teeth*. *A Study Guide for Thornton Wilder's "The Skin of Our Teeth"*. Gale, Cengage Learning. A Study Guide for Thornton Wilder's *The Skin of Our Teeth* excerpted from Gale's acclaimed *Drama For Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading and much more. For any literature project, trust *Drama For Students* for all of your research needs.

LIFE, 1942-11-30. *LIFE Magazine* is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share print and post images for personal use.

Thornton Wilder in Collaboration. Jackson R. Bryer, Judith P. Hallett, Edyta K. Oczkowicz, 2018-12-17. The essays in this volume evolved from papers presented at the Second International Thornton Wilder Conference held at Salve Regina University in Newport, Rhode Island, in June 2015. They examine Wilder's work as both playwright and novelist, focusing upon how he drew on the collaborative mode of creativity required in the theatre when writing both drama and fiction. The book's authors use the term collaboration in its broadest sense at times in response to Wilder's critics who faulted him for borrowing from other earlier literary works rather than recognizing these borrowings as central to the artistic process of collaboration. In exploring Wilder's collaborative efforts of different kinds, the essays not only consider how Wilder worked with and revised earlier literary texts and the ideas central to those texts but also analyze how Wilder worked with and inspired other creative individuals and how recent productions of Wilder's plays both in the US and abroad have been the products of unique forms of collaboration.

Thornton Wilder. Harold Bloom, 2009. Thornton Wilder had a gift for framing random and ordinary moments of life an effect he perfected for his audiences. This volume gathers together some of the most respected criticism on the author's work. Examined texts include *Our Town* and *The Skin of Our Teeth* by Thornton Wilder.

Kara-Lynn Vaeni, 2004. ***The Skin of Our Teeth***. Thornton Wilder, 1997. *The Company of the Creative*. David L. Larsen, Great works and authors of the world are introduced and reviewed artistically, intellectually and theologically. Persons discussed include Plato, Milton, Dickens, Shakespeare, Charlotte Brontë, Mark Twain and C. S. Lewis. *Camino Real Tennessee*.

Williams, 2008 Now with a new introduction the author's original Foreword and Afterword the one act play 10 Blocks on the Camino Real plus an essay by noted Tennessee Williams scholar Michael Paller , McGraw-Hill Encyclopedia of World Drama McGraw-Hill, inc, 1984 Ranging from the earliest drama to the theater of the 1980's this encyclopedia includes coverage of national drama and theater around the world theater companies and musical comedy Arrangement of the 1 300 entries is alphabetically by name or subject with nearly 950 of these devoted to individual playwrights and their works

The Thornton Wilder Encyclopedia Thomas S. Hischak, 2022-03-15 Thornton Wilder is one of America's greatest writers and the only author to win Pulitzer Prizes in both fiction and drama Equally well known for his plays and novels his unique and diverse body of work also includes essays journals lectures and film and television scripts In The Thornton Wilder Encyclopedia Thomas S Hischak exhaustively covers Wilder's life and extensive career Entries not only contain every one of his novels plays and scripts but also his letters journals and all other existing works by Wilder published or unpublished In addition this valuable reference features entries on the individuals who worked with Wilder and friends and family members who were a great influence on him With a biography of Wilder to introduce the work and a chronology and selected bibliography to augment the entries The Thornton Wilder Encyclopedia is the most comprehensive reference available on one of America's greatest playwrights and finest novelists

The Theatre of Kander and Ebb Robert Gordon, 2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb's collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb's musicals offering an in depth introduction to their oeuvre
