Corona Radiata Jean Harris Anderson, 2024-09-04 THE KING S CROWN OR A CROWN OF CYBERNETICS CORONAVIRUS and CORONA RADIATA are two medical terms The corona pandemic was an attempt to influence the corona radiata A character from this book explains There is something far more important than the affects left by the psychological tampering during the coronavirus pandemic It is the intentional cruel altering of the human neuroanatomy The corona radiata is the encircling garland shaped crown of nerve bundles which controls the highest functions of the human brain It is self our personal identity and intellectual functioning this involves the individual s ability to make conscious decisions to recall and to have emotional perceptual behavioral expressions and motor skills The genetically modified virus continues to be deceptively used as a conveyance to destroy the foundation of civilization by overseeing the alteration of human behavior using the psychology of fear and panic But reprehensible dictators always look for a more permanent solution than brain washing What if the division of cognitive neuroscience was exploited by a tyrannical techno

scientist one who had authority to modernize the old lobotomy in essentially a noninvasive way reinventing it for the reason of conforming humanity's behavior This is why neuroscience is of interest to the engineers of artificial intelligence As there are already neural implants in use neuroethicists caution us that while hacking microchips is criminal violating a person is villainous It is a time of dark medicine of conjuring up potions profiting from pestilence and seeking prophets CORONA RADIATA GARLAND OF GRIEF A Novel By JEAN HARRIS ANDERSON The Journals of Davin Alastair embedded in the genre of science fiction have expanded into a parallel world of fables fantasy symbolism and even courtly love is represented necessarily as we approach a dreadful time in the storyline when the captives are persecuted by the warlords It's less severe to reflect upon such similar sufferings in the illustrations of Aesop and lessons from the folktales of Brothers Grimm Of The First And Last King series this is fifth of our hero's journals It appears his planet is falling rapidly out of its natural orbit spinning dizzily and it may even collide with our very own globe How might we prepare if this story is not a mythical account but one predestined as a convergent encounter
