## SKULL-FACE AND OTHERS

by Robert E. Howard

These are the stories which are gathered in the first volume of the first series of the complete works of the author, and which are the most important of his work in the genre of the fantastic or horror. Howard has been described as a "master of the macabre" and as a "master of the grotesque" and these stories are a fine example of his mastery of these genres. The stories are all of a high quality and are all of a high level of horror. They are all of a high level of horror and are all of a high level of horror.
