Slammer The Crisis In Canadas Prison System:

The Slammer Kevin Marron,1996 Topics covered include drug abuse prison overcrowding native offenders and female offenders *The Expanding Prison* David Cayley,1998 The Expanding Prison is a provocative cogent argument for prison reform David Cayley argues that our overpopulated prisons are more reflective of a society that is becoming increasingly polarized than of an actual surge in crime This book considers proven alternatives to imprisonment that emphasize settlement oriented techniques over punishment and move us towards a vision of justice as peace making rather than one of vengeance **Comparing Prison Systems** Nigel South,Robert P. Weiss,2014-01-02 This book provides in depth original and critical analyses by leading scholars of the penal systems of 16 nations around the world focusing on changes in social structure culture and punishment since 1975 Contributors provide an international and comparative context in which to understand the impact of recent profound economic social and political changes on penal theory and practice **The Criminal's Handbook: A Practical Guide to Surviving Arrest and Incarceration in Canada** C. W. Michael,2012

Behind the Walls Michael Weinrath,2016-11-01 In this system you can t trust anybody Like even on the streets I ve never trusted my own brother But now in Ni Miikana I m starting to get that trust back You just gotta be careful what you say in here and you ll be all right Despite falling crime rates more rights for inmates and better training for correctional officers Canada s prison population is on the rise and outbreaks of violence continue to grab headlines Applying Erving Goffman s frame theory and drawing on interviews with inmates and correctional officers in federal and provincial institutions Michael Weinrath assesses whether improvements over the past twenty five years have truly led to better corrections Behind the Walls offers an unprecedented look at life in contemporary prisons Inmates and staff describe their transition to prison life and corrections work and they explain how they frame or understand their roles and how they relate to others They provide commentaries on key developments and problems including the experiences of female correctional officers in male prisons boundary violations by correctional officers the introduction of behavioural programs and the rise of prison gangs Weinrath s balanced assessment reveals that although prisons have seen improvements they continue to be plagued by problems that prevent inmates from forging positive relationships among themselves and with correctional officers An Ideal Prison? Kelly Hannah-Moffat,Margaret Shaw,2021-01-10T00:00:00Z Ten years after the publication of Creating Choices a remarkable report on women s imprisonment in Canada this book sets out to reflect on attempts to reform prison In a series of critical essays the contributors stimulate reflection and discussion They explore the effects of punishment and penalty on women s lives the impact of feminist reforms on the lives of women in prison and the systemic barriers which limit change in the context of both provincial and federal prisons Each of the authors has a personal and sometimes intimate knowledge of the recent history of women s prisons in Canada Taking Creating Choices as a starting point these essays question the role of prisons in our society the importance of taking account of gender and its intersection with race and class and the problems of

both weak feminist models and the co optation of feminist ideals and Aboriginal spirituality by correctional systems

Canadian Criminal Justice Today Frank Schmalleger,2000 **The Harper Record** Teresa Healy,2008 The Harper government s policies are moving our country backwards toward a vision of society the role of government and the nature of the federation reminiscent of the 1920s As the government tried to liberalize markets in grains the Wheat Board Ceo was fired 14 The Harper Record and the government worked to prevent Board members from speaking out in support of the marketing board The report of the Iacobucci Commission was originally meant to be submitted the week before the 2008 election was called but was delayed until the week after the election 9 Both the Liberals who were in power during the events in question and the Conservatives who are in favour of the anti terrorist agenda were thus spared public scrutiny on these issues during the election campaign Conclusion In the 32 months that the Conservative minority government was in power between 2006 and 2008 the people of Canada faced significant challenges because of the substance of what the Harper government achieved and because of the anti democratic way in which he went about it In a 1989 memo to Preston Manning he argued that the core political cleavage in contemporary Western democracies pits taxpayers and private sector oriented citizens the ideological right against the public sector oriented political class and tax recipients of the Welfare State the ideological left 17 The conservative coalition of the right would include the corporate sector and the privat

Women and the Criminal Justice System Katherine S. Van Wormer,Clemens Bartollas,2007 This text examines the various roles of women in the criminal justice system against a social context in which women are oppressed The text examines the following three roles of women in criminal justice Women as victims of crimes Women as criminals convicted and sentenced for crimes Women as workers in various agencies in the criminal justice system This text emphasizes content on gender and ethnic diversity and on the strengths of oppressed people especially women of color A wide range of issues are covered including the rate of early childhood sexual abuse victimization in female inmates priest abuse of girls female inmate rape by male prison guard and obstacles for women lawyers achieving partnerships in their firms The authors provide a

wealth of recent data drawn from both domestic and international human rights sources as well as from personal interviews. The final portion of the text describes women's setbacks in entering the traditionally male dominated fields of policing the law and corrections if people are given half a chance they can draw on their own resources to heal from the past and build for the future. This empowerment approach is already prominent in the social work field and widely used in victim treatment programs for working with female offenders. Canadian Books in Print, 2003. Women on Guard Maeve Winifred McMahon, 1999. The book also documents management's lack of success in redressing discrimination and harassment and how its focus on operational rather than policy matters contributed to this. **Canadian Books in Print 2002** Marian Butler, 2002-02. **Current Publications in Legal and Related Fields**, 1998. **Patatas arriba** Eduardo Galeano, 2017-10-04. Hace ciento treinta años después de visitar el país de las maravillas Alicia se metió en un espejo para descubrir el mundo al revés. Si Alicia renaciera en nuestros días no necesitaría atravesar ningún espejo le bastaría con asomarse a la ventana. En el nuevo milenio el mundo al revés está a la vista es el mundo tal cual es con la izquierda a la derecha el ombligo en la espalda y la cabeza en los pies. En este libro Galeano muestra por qué el mundo está al revés. Recuerda a Alicia en su viaje a través del espejo y así recorre temas como la impunidad del poder la sociedad de consumo la injusticia el racismo y el machismo. El autor se destaca en esta obra por su inconfundible estilo que cruza el ensayo la poesía la narración y la crónica para mostrar sin tapujos las miserias de la sociedad contemporánea. Un libro magistral. Parece obra de un fabulista pero las fábulas son verdaderas. Jean Pierre Thibaudat Librerie France. Tiene la acidez y el humor de Jonathan Swift. Otro escritor puede hacer que los esqueletos dancen como Galeano hace. The New Yorker EEUU. Escuchar la voz de Galeano no solo es til. Es un placer. Fernando Parra Le Monde Diplomatique España. El crítico y estimulante Galeano es un escritor de feroz integridad un poeta de la condición humana. Selección de los mejores libros del año de The Village Voice EEUU.
