Billingsley, 2010-02-04 All baby boomers are children of their time In *Our Time After a While* writer Lloyd Billingsley backpacks into that time the tail end of the tail fin era in its very birthplace In the motor cities of Detroit and Windsor the streets schools and parks jostled with a vast cast of characters The author charts their adventures and the sound track no border could stop and which would spread around the world This was long ago but like Bob Seger the author is still humming a song from 1962 and still looking back in wonder In *Our Time After a While* his fellow baby boomers and all others can join him Memories are made of this **Too Many Men on the Ice** John G.
