Slave States In The Presidential Election Of 186

James L. Huston

Slave States In The Presidential Election Of 186:

The Slave Power Leonard L. Richards, 2000-08-01 From the signing of the Constitution to the eve of the Civil War there persisted the belief that slaveholding southerners held the reins of the American national government and used their power to ensure the extension of slavery Later termed the Slave Power theory this idea was no mere figment of a lunatic fringe s imagination It was as Leonard L Richards shows in this innovative reexamination of the Slave Power endorsed at midcentury by such eminent and circumspect men as Abraham Lincoln William Henry Seward Charles Sumner the editors and owners of the New York Times and the Atlantic Monthly and the president of Harvard College With The Slave Power Richards reopens a discussion effectively closed by historians since the 1920s when the Slave Power theory was dismissed first as a distortion of reality and later as a manifestation of the paranoid style in the early Republic and attempts to understand why such reputable leaders accepted this thesis wholeheartedly as truth and why hundreds of thousands of voters responded to their call to arms Through incisive biographical cameos and narrative vignettes Richards explains the evolution of the Slave Power argument over time tracing the oft repeated scenario of northern outcry against the perceived slaveocracy followed by still another victory for the South the three fifths rule in congressional representation admission of Missouri as a slave state in 1820 the Indian removal of 1830 annexation of Texas in 1845 the Wilmot Proviso of 1847 the Fugitive Slave Law of 1850 and more Richards probes inter and intraparty strategies of the Democrats Free Soilers Whigs and Republicans and revisits national debates over sectional conflicts to elucidate just how the southern Democratic slaveholders with the help of some northerners assumed protected and eventually lost a dominance that extended from the White House to the Speaker s chair to the Supreme Court The Slave Power reveals in a direct and compelling way the importance of slavery in the structure of national politics from the earliest moments of the federal Union through the emergence of the Republican Party Extraordinary in its research and interpretation it will challenge and edify all readers of American history [The Panic of 1857 and the Coming of the Civil War](#) James L. Huston, 1999-03-01 In the autumn of 1857 sustained runs on New York banks led to a panic atmosphere that affected the American economy for the next two years In The Panic of 1857 and the Coming of the Civil War James L Huston presents an exhaustive analysis of the political social and intellectual repercussions of the Panic and shows how it exacerbated the conflict between North and South The panic of 1857 initiated a general inquiry between free traders and protectionists into the deficiencies of American economic practices A key aspect of this debate was the ultimate fate of the American worker an issue that was given added emphasis by a series of labor demonstrations and strikes In an attempt to maintain the material welfare of laborers northerners advocated a program of high tariffs free western lands and education But these proposals elicited the opposition of southerners who believed that such policies would not serve the needs of the slaves system Indeed many people of the period saw the struggle between North and South as an economic one whose outcome would determine whether laborers would be free and well paid or degraded and poor

Politically the Panic of 1857 resurrected economic issues that had characterized the Whig Democratic party system prior to the 1850s. Southerners observing the collapse of northern banks believed that they could continue to govern the nation by convincing northern propertied interests that sectionalism had to be ended in order to ensure the continued profitability of intersectional trade. In short they hoped for a marriage between the Yankee capitalist and the southern plantation owner. However in northern states the Panic had made the Whig program of high tariffs a national bank and internal improvements popular with distressed members of the community. The country's old line Whigs and nativists were particularly affected by the state of economic affairs. When Republicans moved to adopt a portion of the old Whig program conservatives found the attraction irresistible. By maintaining their new coalition with conservatives and by exploiting the weaknesses of the Buchanan administration the Republicans managed to capture the presidency in 1860. No other book examines in such detail the political ramifications of the Panic of 1857. By explaining how the economic depression influenced the course of sectional debate Huston has made an important and much needed contribution to Civil War historiography. Horace Greeley Robert C. Williams, 2006-05 A major figure in nineteenth century American politics and reform movements Greeley was also a key actor in a worldwide debate about the meaning of freedom that involved progressive thinkers on both sides of the Atlantic including Margaret Fuller Ralph Waldo Emerson and Karl Marx. In the first comprehensive biography of Greeley to be published in nearly half a century Williams captures Greeley from all sides editor reformer political candidate eccentric and trans Atlantic public intellectual examining headlining news issues of the day including slavery westward expansion European revolutions the Civil War the demise of the Whig and the birth of the Republican parties transcendentalism and other intellectual currents of the era. **The Oregon Blue Book** Oregon. Office of the Secretary of State, 1927. The Presidential Campaign of 1860 Emerson David Fite, 1911. **Political Abolitionism in Wisconsin, 1840-1861** Michael J. McManus, 1998 This study of political abolitionism in Wisconsin between 1840 and 1861 demonstrates the importance of slavery related issues in bringing on the political crises of the 1850s and the American Civil War. It shows Wisconsin as having been comparatively radical on slavery and race related issues. **Henry Clay** Harlow Giles Unger, 2015-09-29 In a critical and little known chapter of early American history author Harlow Giles Unger tells how a fearless young Kentucky lawyer threw open the doors of Congress during the nation's formative years and prevented dissolution of the infant American republic. The only freshman congressman ever elected Speaker of the House Henry Clay brought an arsenal of rhetorical weapons to subdue feuding members of the House of Representatives and established the Speaker as the most powerful elected official after the President. During fifty years in public service as congressman senator secretary of state and four time presidential candidate Clay constantly battled to save the Union summoning uncanny negotiating skills to force bitter foes from North and South to compromise on slavery and forego secession. His famous Missouri Compromise and four other compromises thwarted civil war by a power and influence Lincoln said which belonged to no other statesman of his age.

and times Explosive revealing and richly illustrated Henry Clay is the story of one of the most courageous and powerful political leaders in American History Slavery, Race, and Conquest in the Tropics Robert E. May, 2013-10-07 Robert E May internationalizes the American Civil War and reinterprets the 1860 presidential campaign shedding new light on the Lincoln Douglas rivalry **The Man Who Punched Jefferson Davis** Ben Wynne, 2018-11-07 Regarded as one of the most vocal well traveled and controversial statesmen of the nineteenth century antebellum politician Henry Stuart Foote played a central role in a vast array of pivotal events Despite Foote s unique mark on history until now no comprehensive biography existed Ben Wynne fills this gap in his examination of the life of this gifted and volatile public figure in *The Man Who Punched Jefferson Davis* The Political Life of Henry S Foote Southern Unionist An eyewitness to many of the historical events of his lifetime Foote an opinionated native Virginian helped to raise money for the Texas Revolution provided political counsel for the Lone Star Republic s leadership before annexation and published a 400 page history of the region In 1847 Mississippi elected him to the Senate where he promoted cooperation with the North during the Compromise of 1850 One of the South s most outspoken Unionists he infuriated many of his southern colleagues with his explosive temperament and unorthodox ideas that quickly established him as a political outsider His temper sometimes led to physical altercations including at least five duels pulling a gun on fellow senator Thomas Hart Benton during a legislative session and engaging in run ins with other politicians notably a fistfight with his worst political enemy Jefferson Davis He left the Senate in 1851 to run for governor of Mississippi on a pro Union platform and defeated Davis by a small margin Several years later Foote moved to Nashville was elected to the Confederate Congress after Tennessee seceded and continued his political sparring with the Confederate president From Foote s failed attempt to broker an unauthorized peace agreement with the Lincoln government and his exile to Europe to the publication of his personal memoir and his appointment as director of the United States mint in New Orleans Wynne constructs an entertaining and nuanced portrait of a singular man who constantly challenged the conventions of southern and national politics The Politics of Black Citizenship Andrew K. Diemer, 2016-07-15 Considering Baltimore and Philadelphia as part of a larger Mid Atlantic borderland *The Politics of Black Citizenship* shows that the antebellum effort to secure the rights of American citizenship was central to black politics it was an effort that sought to exploit the ambiguities of citizenship and negotiate the complex national state and local politics in which that concept was determined In the early nineteenth century Baltimore and Philadelphia contained the largest two free black populations in the country separated by a mere hundred miles The counties that lie between them also contained large and vibrant freeblack populations in this period In 1780 Pennsylvania had begun the process of outlawing slavery while Maryland would cling desperately to the institution until the Civil War and so these were also cities separated by the legal boundary between freedom and slavery Despite the fact that slavery thrived in parts of the state of Maryland in Baltimore the free black population outnumbered the enslaved so that on the eve of the Civil War there were ten times as many free blacks in the city

of Baltimore as there were slaves In this book Andrew Diemer examines the diverse tactics that free blacks employed in defense of their liberties including violence and the building of autonomous black institutions as well as African Americans familiarity with the public policy and political struggles that helped shape those freedoms in the first place *Slavery and the Making of America* James Oliver Horton,Lois E. Horton,2005 This companion volume to the four part PBS series on the history of American slavery narrated by Morgan Freeman and scheduled to air in February 2006 illuminates the human side of this inhumane institution presenting it largely through the stories of the slaves themselves Features 120 illustrations

The Zealot and the Emancipator H. W. Brands,2021-10-12 From the acclaimed historian and bestselling author a page turning account of the epic struggle over slavery as embodied by John Brown and Abraham Lincoln two men moved to radically different acts to confront our nation s gravest sin John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him telling him to destroy slavery by any means When Congress opened Kansas territory to slavery in 1854 Brown raised a band of followers to wage war His men tore pro slavery settlers from their homes and hacked them to death with broadswords Three years later Brown and his men assaulted the federal arsenal at Harpers Ferry Virginia hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery Brown s violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery politics Lincoln spoke cautiously and dreamed big plotting his path back to Washington and perhaps to the White House Yet his caution could not protect him from the vortex of violence Brown had set in motion After Brown s arrest his righteous dignity on the way to the gallows led many in the North to see him as a martyr to liberty Southerners responded with anger and horror to a terrorist being made into a saint Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president But the time for moderation had passed and Lincoln s fervent belief that democracy could resolve its moral crises peacefully faced its ultimate test *The Zealot and the Emancipator* is the thrilling account of how two American giants shaped the war for freedom

Publications of the Alabama State Department of Archives and History ,1922 **Freedom in a Slave Society** Johanna Nicol Shields,2012-08-13 Before the Civil War most Southern white people were as strongly committed to freedom for their kind as to slavery for African Americans This study views that tragic reality through the lens of eight authors representatives of a South that seemed to them destined for greatness but was we know on the brink of destruction Exceptionally able and ambitious these men and women won reputé among the educated middle classes in the Southwest South and the nation even amid sectional tensions Although they sometimes described liberty in the abstract more often these authors discussed its practical significance what it meant for people to make life s important choices freely and to be responsible for the results They publicly insisted that freedom caused progress but hidden doubts clouded this optimistic vision Ultimately their association with the oppression of slavery dimmed their hopes for human improvement and fear distorted their responses to the sectional crisis **The Johns Hopkins**

University Studies in Historical and Political Science, 1945 **The Life of Joshua R. Giddings** George Washington Julian, 1892 **Bosom Friends** Thomas J. Balcerski, 2019 A dual biography of bachelor politicians James Buchanan and William Rufus King that analyzes a much discussed intimate friendship in nineteenth century American politics **Negro President** Garry Wills, 2005 Moving beyond the recent revisionist debate over Jefferson's own slaves and his relationship with Sally Hemings Wills instead probes the heart of Jefferson's presidency and political life revealing how the might of the slave states remained a concern behind his most important policies and decisions **Building a House Divided** Stephen G. Hyslop, 2023-09-26 By the time Abraham Lincoln asserted in 1858 that the nation could not endure permanently half slave and half free the rift that would split the country in civil war was well defined The origins and evolution of the coming conflict between North and South can in fact be traced back to the early years of the American Republic as Stephen G Hyslop demonstrates in *Building a House Divided* an exploration of how the incipient fissure between the Union's initial slave states and free states or those where slaves were gradually being emancipated lengthened and deepened as the nation advanced westward Hyslop focuses on four prominent slaveholding expansionists who were intent on preserving the Union but nonetheless helped build what Lincoln called a house divided Presidents Thomas Jefferson Andrew Jackson and James K Polk and Senator Stephen A Douglas of Illinois who managed a plantation in Mississippi bequeathed by his father in law Hyslop examines what these men did collectively and individually to further what Jefferson called an empire of liberty though it kept millions of Black people in bondage Along with these major figures in all their conflicts and contradictions he considers other American expansionists who engaged in and helped extend slavery among them William Clark Stephen Austin and President John Tyler as well as examples of principled opposition to the extension of slavery by northerners such as John Quincy Adams and southerners like Henry Clay and Thomas Hart Benton who held slaves but placed preserving the Union above extending slavery across the continent The long view of the path to the Civil War as charted through the Jeffersonian and Jacksonian eras in this book reveals the critical fault in the nation's foundation exacerbated by slaveholding expansionists like Jefferson Jackson Polk and Douglas until the house they built upon it could no longer stand for two opposite ideas at once **On The Threshold of Freedom** Clarence L. Mohr, 2001-05-01 In this enlightening study Clarence L Mohr follows the demise of chattel slavery in one state of the Confederate South Like the slavery regime itself Mohr's story is biracial in character embracing the perspectives of both blacks and whites as they struggled to comprehend the approach of black freedom within a framework of attitudes and assumptions shaped by decades of mutual exposure to Georgia's peculiar institution By exploring in detail the changing patterns of black white interaction that preceded legal emancipation in 1865 *On the Threshold of Freedom* defines central tendencies within Georgia slavery and suggests important links between antebellum life and the events of early Reconstruction

Slave States In The Presidential Election Of 186 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slave States In The Presidential Election Of 186 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slave States In The Presidential Election Of 186 has opened up a world of possibilities. Downloading Slave States In The Presidential Election Of 186 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slave States In The Presidential Election Of 186 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slave States In The Presidential Election Of 186. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slave States In The Presidential Election Of 186. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slave States In The Presidential Election Of 186, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slave States In The Presidential Election Of 186 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Slave States In The Presidential Election Of 186 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Slave States In The Presidential Election Of 186 is one of the best book in our library for free trial. We provide copy of Slave States In The Presidential Election Of 186 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Slave States In The Presidential Election Of 186. Where to download Slave States In The Presidential Election Of 186 online for free? Are you looking for Slave States In The Presidential Election Of 186 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Slave States In The Presidential Election Of 186. This method for see exactly what may be included and adopt these ideas to your book.
