Sleep Softly Mama:

Sleep Softly, Mama Noel Manning, 2004 Suicide murder or an understandable decision For more than a year Eva McLawton Ellis imposed on herself unbearable and unnecessary pain that she might have avoided She who cared so much for the comfort of others withheld from herself whether by chance or design relief that was so readily available Her cruel senseless suffering and death brought untold misery for others misery that she never intended This aged forever kind and gentle woman through the behavior described in this book seemed unaware of the emotional turmoil that she kindled through one of her last momentous decisions Eva McLawton Ellis never fully perceived the torment that a binding promise which she demanded of her children caused for those she loved most The author's mother chose death over life since life was dictated by something outside her control Some have suggested that her unnecessarily cruel death was self designed Others have dared to say that her youngest son killed her or at the very least allowed her to die when he might have interceded Did she die according to the natural order of events The author does not know with real assurance Her right to die will long be debated by scientists laymen and moralists alike The author her son can only hope that someday he will be able to forget that terrible time that still haunts him after 20 years

Mama's Diamonds Emcie Day, 2008-12-20 Ms Day was born and raised in a small town in upstate New York during the late 30 s through the early 50 s Being part of a family of nine children and an alcoholic father brought on many hardships yet there were many delightful moments as well Mama's Diamonds is a collection of these tales The story tells of the extent that the mother and children of this poor Irish family had to go through and the things they had to endure in order to survive Their wily nature helped Mama O'Brien loved all her children and would have been shocked to know what devious means they used and the risks they took in order to obtain some of the necessities of life Perhaps she knew but just couldn't bear to acknowledge that this was for the most part required in order to supplement the meager substance provided by their father One might ask about her precious diamonds and their worth and why couldn't they be used to help support the family but they did just not in a materialistic sense

A Date With Teeth Kirk Thomas, 2024-04-29 Lucien is the darkly enigmatic owner of DuPass an antiques shop with a bad reputation He is handsome impeccably dressed and charming But is there something else behind his peculiar brown eyes and his intriguing smile Golden haired Gabriel is young and naive but beautifully warm and inviting One day he visits DuPass and a chance encounter with Lucien intrigues him Something about Gabriel intrigues Lucien too and he offers him a job Will Gabriel accept And how will his protective grandmother La Meme feel about this given DuPass's reputation People disappear from there after all or so she says Does La Meme know more about DuPass than she lets on Elsewhere in Paris children are disappearing and no one knows why The people cry for L'enfants de Paris but their cries fall on deaf ears Will Marceau their handsome prime minister save them Or does he have other things on his mind Like his secretary Carmen Or perhaps the mysterious Marquis and Madame Dagger who darken his door from time to time There are some who think the children will never be found like
