All In With Love James Gardiner,2022-08-19 Imagine stepping into the spotlight of New York and Hollywood a lifestyle where stardom celebrity life and a Chippendale bow tie were the everyday norm Fame was the dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within This is their story Born with severe asthma and enormous dreams James Gardiner began his life in conflict with himself Little Jimmy wanted to reach for the stars like his science fiction icons and become a sports superstar like the paper heroes that adorned the walls of his childhood bedroom But as a frequent visitor to the local hospital viewing the world through the plastic walls of an oxygen tent such dreams seemed like they would always be firmly out of reach However it was there on the pediatric wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He wanted to be somebody and for the first time his dreams didn t seem quite so out of reach As he got older and his asthma became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of fashion celebrity and even murder But it was his one unanswerable question that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man left with nothing and no one it was time to reconnect with little Jimmy and go all in on himself to go all in with love Within their story of reconnection lies the gateway to reclaim your inner child and live your best most authentic life

Stroke! Surrenders to Love! Rhoda G. Borcsh,Rhoda Griffin Borsch,1989 *In Stroke's Shadow* Kyle Ruffin,2021-12-07 When Kyle left her marketing position at one of Philadelphia s iconic media outlets to start her own consulting business she thought she was finally in complete control of her life She had no idea things were about to take a sudden and dramatic turn A few short months after launching her dream Paula Kyle s youthful vibrant and active mother suffered the first of three strokes Within the space of twenty four hours stroke catapulted the mother and daughter into a

whole new world and a relationship for which neither was prepared In *Stroke's Shadow* is Kyle's caregiver story Over the next three years Kyle single handedly managed her severely debilitated mother's life through waves of medical and personal crisis surprising ups sudden and calamitous downs generational clashes shifting cultural expectations and heartwarming moments of support and love from caring friends and family We can't believe how devoted you are to your mother friends and family would say But in her heart Kyle knew she was driven purely by the unshakable regrets that had haunted her since the sudden loss of her father and her sister's prolonged suffering and death from lung cancer But would that be enough to carry her through the anguish of caregiving and an ugly family controversy that sprung from secrets Paula had long kept In *Stroke's Shadow* explores a journey so many are will be or have been on This poignant memoir spurs readers to reflect on their own experience and release anxieties familiar to all who find themselves on this road It is an unapologetic look at the struggles conflicting family expectations exhausting frustrations self doubt and the internal tug of war that shapes every caregiver's reality Kyle's story offers a release valve to caregivers particularly caregivers of color It acknowledges the overwhelming hardships while encouraging often underappreciated family warriors to occasionally put themselves first so their healing can begin

Love Letter Stephen E. Price, 2014-05

Love Letter for a Japanese War Bride is Stephen E Price s memoir of his eternal love for his first wife Ryuko Set primarily in postwar Japan the story provides a window into a new world one that spawned cultural diversity but one that was largely unprepared for and unaccepting of it The tale chronicles the lover s perseverance as they struggle with both the US and Japanese governments to gain permission to marry The narrative is woven into fabrics of cultures traditions attitudes language and history some of which may be unfamiliar but all of which is captivating Above all the unending and redemptive romance in this story captures the purest essence of love with all its twists and turns joys and sorrows highs and lows and culminates in a tragic yet transcendent ending A remarkable memoir and love letter that rings true on every page An intimate and heartbreaking story beautifully told I can think of no other work about Japan and America that reveals more poignantly how love and trust can bridge race and culture even where the odds seem so formidably against this John W Dower Ford International Professor of History Massachusetts Institute of Technology and Pulitzer Prize winning author of *Embracing Defeat Japan in the Wake of World War II*
