Caryn Hannan

Strong At The Broken Places A Personal Story:

Strong at the Broken Places J. T. James, 2016-03-04 Raised under modern day Dickinsonian conditions the author takes you on a tour of life on the streets to the continued misery and pain of combat in Vietnam These experiences followed by service as a Police Officer led to multiple failed marriages A determination to succeed by any means necessary put him on a fast track to the top of the corporate world But the constant remembrance of all things that he wanted to forget led him down the Path To Self Destruction You will read within these pages how easy it was for him to make mostly bad choices in life and how important it was for him to be Strong at the Broken Places J T James Excerpt from Introduction Strong at the Broken Places Stewart Delisle Govig, 1989-01-01 When linked to biblical teachings understanding disability offers congregations and society the pathway to hope and change Stewart Govig himself disabled provides a practical resource that enables congregational communities to achieve a balance of realism and hope in responding to the needs of all of its members He examines the attitudinal barriers thrust upon persons with disabilities and investigates the biblical resources for overcoming these barriers He advocates an understanding of the Christian community that removes social stigma **Strong at the Broken Places** Max Cleland, 1980-01-01 Quest for Silence Harry A. Wilmer, 2000 What ever happened to silence Actually nothing and Harry Wilmer takes great pains to show how we have submerged it under a toxic barrage of noise Using both clinical examples of the power of silence from his case histories and cultural values of silence he uncovers a astonishing theme in the Japanese idea of MA as silence Wilmer points out how silence gives meaning to words dreams thought action and music From his long experience as a Jungian analyst he weaves his ideas into an eminently practical treatise on the phenomenology of silence With many references to literature as well as his personal life experiences and crises he offers a readable and important new story of the universal and spiritual significance of silence in a world of jackhammer noise

Telling the Stories of Life through Guided Autobiography Groups James E. Birren, Kathryn N. Cochran, 2003-05-22 Telling the Stories of Life through Guided Autobiography Groups based on James Birren s 25 years of conducting autobiography groups discusses all the topics an organizer faces while developing a program for adults who want to recall and write down their life histories This book is ideal for adult education programs church groups social workers psychologists gerontologists and others who work with adults who might be interested in exploring recording or sharing their personal histories It helps professionals and trained workshop leaders at community centers senior centers schools and other settings guide group participants in exploring major themes of their lives so that they can organize and write their stories and share them in a group with others on the same journey This exercise is rewarding for adults of any age in a period of transition or with interest in gaining insight from their own stories Personal development and a feeling of connection to other participants and their stories is a natural outcome of this process This book provides background material and detailed lesson plans for those who wish to develop and lead an autobiography group The authors explain the concept of guided autobiography discuss the

benefits to the group participants and provide logistical information on how to plan organize and set up a group An appendix provides exercises handouts and suggested adaptations for specific groups The book also explains a systematic method of priming memories including the history of family and of one's life work the role of money health and the body and ideas about death At a time when rapid change has created a widespread yearning to write down and exchange personal accounts sharing life stories can reveal a great deal about how we have come to be the persons we are Telling the Stories of Life through Guided Autobiography Groups shows how to organize record and share life experiences through a proven and effective technique

The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as *The Birth of a Nation* 1915 *Roots* 1977 *Apocalypse Now* 1979 and *Saving Private Ryan* 1998 how much is entertainment and how much is rooted in historical fact In *The Columbia Companion to American History on Film* more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject *The Columbia Companion to American History on Film* is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message

Masculinity in Vietnam War Narratives Brenda M. Boyle, 2014-01-10 Occurring alongside the Women's Rights Gay Rights Civil Rights and other identity movements of the 1960s the Vietnam War was part of an era that rescripted gender and other social identity roles for many if not most Americans This book examines the ways in which the war and its accompanying movements greatly altered traditional American conceptions of masculinity as reflected in discourses ranging from fictional narratives to memoirs films and military recruiting advertisements Analysis of two canonical fiction texts John Del Vecchio's *The 13th Valley* and Bobbie Ann Mason's *In Country* illustrates the interrelatedness of race sexuality disability and masculinity an approach appearing in no other book length study The text illustrates how decades later the masculine anxieties of the Vietnam era persist **Dying**

to Teach Jeffrey Berman, 2012-02-01 In *Dying to Teach* Jeffrey Berman confronts the most wrenching loss imaginable the death of his beloved wife Barbara Through four interrelated narratives how Barbara wrote about her illness in a cancer diary how he cared for her throughout her illness how his students reacted to his disclosure that she was dying and how he responded to her death Berman explores his efforts to hold on to Barbara precisely as she was letting go of life Intensely personal *Dying to Teach* affirms the power of writing to memorialize loss and work through grief and demonstrates the importance of death education teachers and students writing and talking about a subject that until now has often been deemed too personal for the classroom

Grunts Kyle Longley, Jacqueline Whitt, 2020-05-17 Now in its second edition *Grunts The American Combat Soldier in Vietnam* provides a fresh approach to understanding the American combat soldier's experience in Vietnam by focusing on the day to day experiences of front line troops The book delves into the Vietnam combat soldier's experience from the decision to join the army life in training and combat and readjusting to civilian life with memories of war By utilizing letters oral histories and memoirs of actual veterans Kyle Longley and Jacqueline Whitt offer a powerful insight into the minds and lives of the 870 000 grunts who endured the controversial war Important topics such as class race and gender are examined enabling students to better analyze the social dynamics during this divisive period of American history In addition to an updated introduction and epilogue the new edition includes expanded sections on military chaplains medics and the moral injury of war A new timeline provides details of major events leading up to during and after the war A truly comprehensive picture of the Vietnam experience for soldiers this volume is a valuable and unique addition to military history courses and classes on the Vietnam War and 1960s America

Failing Our Veterans Mark Boulton, 2014-08-01 Returning Vietnam veterans had every reason to expect that the government would take care of their readjustment needs in the same way it had done for veterans of both World War II and Korea But the Vietnam generation soon discovered that their G I Bills fell well short of what many of them believed they had earned Mark Boulton's groundbreaking study provides the first analysis of the legislative debates surrounding the education benefits offered under the Vietnam era G I Bills Specifically the book explores why legislators from both ends of the political spectrum failed to provide Vietnam veterans the same generous compensation offered to veterans of previous wars *Failing Our Veterans* should be essential reading to scholars of the Vietnam War political history or of social policy Contemporary lawmakers should heed its historical lessons on how we ought to treat our returning veterans Indeed veterans wishing to fully understand their own homecoming experience will find great interest in the book's conclusions

Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events

or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

You Can Cope with Peripheral Neuropathy Mims Cushing,2010-05-07 Peripheral neuropathy is one of the most common diseases most people never heard of and yet upwards of 20 million Americans have it It is estimated that 60 to 70 percent of people with diabetes have mild to severe neuropathy That fact alone is staggering Other causes include vitamin deficiencies autoimmune diseases kidney liver or thyroid disorders cancer and a variety of other medical conditions According to the Neuropathy Association the extent and importance of peripheral neuropathy has not yet been adequately recognized The disease is apt to be misdiagnosed or thought to be merely a side effect of another disease However people from all walks of life live with this neurological illness that has been described by those who have it as a tingling or burning sensation in their limbs pins and needles and numbness *You Can Cope with Peripheral Neuropathy 365 Tips for Living a Full Life* was written by both a patient expert and doctor and is a welcome addition to the information on this subject It covers such diverse topics as What to ask at doctor appointments Making the house easier to navigate with neuropathy Where to find a support group Using vitamins and herbs for treatment Tips for traveling And much much more *You Can Cope With Peripheral Neuropathy* is a compendium of tips techniques and life task shortcuts that will help everyone who lives with this painful condition It will also serve as a useful resource for their families caregivers and health care providers

Coping with Physical Loss and Disability Rick Ritter,2006-01-01 This workbook written by a disabled veteran and social worker provides more than 50 questions and exercises designed to empower those with physical loss and disability to better understand and accept their ongoing processes of loss and recovery

Teacher Confidential Valerie Hill-Jackson,2018-02-22 All humans encounter challenges in life teachers are no different Sometimes these trials knock the wind right out of us and cause us to fall into despair Occasionally these setbacks if educators pay attention can offer new insights into ways to rebound from stressful life events *Teacher Confidential Personal Stories of Stress Self Care and Resilience* tells the stories of seven educators who have fallen but have learned critical life lessons They share these messages in this compilation of nonfiction essays in the voices of PreK 16 educators It relates the personal experiences of teachers and their steps toward healing and self care The educators embrace vulnerability and share on topics such as the death of a spouse workplace bullying the failed induction of a first year

passionate teacher domestic abuse that ends in divorce job dissatisfaction that transforms to joy finding gratitude for teaching in the face of a cancer diagnosis the road to weight loss and healthy living and coming out as a gay educator Authentic courageous and cathartic these accounts of humanity and strength encourage other teachers to reflect more deeply on their own lives outside of the classroom Teacher Confidential Personal Stories of Stress Self Care and Resilience offers a clearer understanding of what happens to teachers after the school bell rings and it underscores teachers ability to become resilient and remain in the profession to better serve learners

Disability and U.S. Politics Dana Lee Baker,2017-01-16 More than 1 billion people worldwide have a disability and they are all affected by politics This two volume work explores key topics at the heart of disability policy such as voting race gender age health care social security transportation abuse and the environment Disability policy is no longer an area that can be adequately addressed within major areas of public policy such as welfare health labor and education Disability has become widely acknowledged in recent decades partly because of the increasing number of disabled citizens across all demographic populations Advocates argue that diversity of all kinds deserves recognition and accommodation This set examines policies targeting disability to provide a multifaceted description of the political participation of people with disabilities as well as disability policy development in the United States The first volume focuses on political participation and voting issues and the second volume covers disability public policy In these two volumes numerous scholars and experts in the social sciences and humanities explore timely topics that are key to disability policy questions including activism voting race gender age health care social security civil rights abuse the environment and even death Readers will better understand the challenges that policymakers face in grappling with controversies over issues of social engineering and public policy often attempting to reconcile majority experience with minority rights The chapters analyze the history of disability politics describe the disability policy infrastructure as it currently exists in the United States and provide insight into current disability related controversies

Strength for the Broken Places James A. Harnish,2010-10-01 James A Harnish from the Introduction I m broken So are you We re all broken people who live in a broken world The critical question is how do we find strength to put broken things back together again This book is an invitation to touch the scars that mark the broken places in our lives in the same way the risen Christ invited a doubting disciple to touch the nail scars in his hands It is a challenge to explore some of the dark places in our human experience to uncover the sinister power of sin and to experience the way the grace of God meets us in our broken places to bring new life

What You Need to Know about Healing Harold J. Sala,2013 Careful spiritual healing bring to light the wisdom in trusting God to bring hope and purpose into whatever situation a person may face
