Power Joshua Olumoye,2023-10-13 It takes power strength or energy to do all things in life more so it takes spiritual power to live in this powerful world The kingdom of this world is run by Satan for now and so it will be till the second coming so to live in this world as a believer you need power from above that surpasses all the power in this world and this power is in Yeshua This book explain the need for supreme power and shows us how to get into ultimate level of power Power is a necessity for all believers this world is built in power and those who live in it must live in power Power is the only language that the enemy recognize and respect Without power we are as good as nothing it takes power to do all things including getting to the kingdom of God **The Influence of Christ in Modern Life** Newell Dwight Hillis,1900

Hearts Beat Strong B. M. Fischer,2014-11-17 We live in a world where vital truths have been forgotten It is a world unlike what we have been told It is a world with extraterrestrials secret societies and hidden agendas It is a world where deep currents struggle just below the surface Until now This is a story of one soul manifest in three people This is a story of conflicts between masculine and feminine energies the future and the past and the rulers and the ruled This is the story of all of humanity and the one thing that can save it True Love Can you learn the truth and not lose yourself along the way Can the

elites learn to embrace their working class brothers once again Can the victims of mind control persecution and genocide learn to forgive their oppressors Can we face the reality that we are not and never have been alone Will humanity be faced with a dark and disastrous New World Order timeline Or can we save ourselves and build a future in which we travel the stars as a loving and peaceful people Hearts Beat Strong is the story of us and how we can and will move into the future
