long running science fiction series Sholan Alliance a saga of alien contact and interspecies conflict The battle for an empire has now reached a critical turning point With the seat of power of the Valtegan Empire stolen by an usurper and Prince Zsurtul's entire family executed the only hope to avoid a galaxy wide war of conquest is to retake the Palace and the City of Light and place Prince Zsurtul on the throne But whether Kusac his fellow Sholans and their allies can accomplish this seemingly impossible task remains to be seen And with the other two members of his Triad Carrie and Kaid on their way to a rendezvous point Kusac will not be able to avoid a long overdue confrontation with those he cares about most To make the

situation even worse both the gods and the agents of the Camarilla the elder races secret ruling organization have targeted Kusac as a pawn in their plans to control the destinies of the Sholans Humans and Valtegans Hailed by all as the long awaited Avatar can Kusac break free of manipulation and chart a new future for all three races Turning Point Lisanne Norman,1993-12-01 The first book in Lisanne Norman s Sholan Alliance long running science fiction series of alien contact and interspecies conflict Cut off from Earth by alien conquerors the human colony on Keiss was slowly building an underground resistance movement to stand against the Valtegan invaders But for many of the colonists it was already too late Her twin sister Elise captured by Valtegan soldiers Carrie telepathically and empathically linked with Elise experiencing all the pain and terror that her sister was suffering Only Elise s death freed Carrie from torment though it also left her completely alone in her own mind for the first time in her life But this mental void was unexpectedly filled when Kusac a felinoid crewman of a crashed starship touched her thoughts Drawn to him by their shared Talent Carrie hid the injured Kusac from the Valtegans and in so doing found a friend and an invaluable ally Yet though trust and understanding between Carrie and Kusac was soon unshakable it would prove far more difficult to convince each of their races that their only hope of overthrowing the Valtegans was to band together against the common foe And even such an alliance offered no guarantee of success for no one on any of the settled worlds had yet found a way to defeat this warrior race ready to lay waste to any civilization they could not conquer **The Publishers Weekly** ,2000 *Fortune's Wheel* Lisanne Norman,1995-08-01 The second book in Lisanne Norman s Sholan Alliance long running science fiction series of alien contact and interspecies conflict They had been brought together by mutual need when both their peoples were faced with the threat of the warlike Valtegans an enemy bent on conquering any other race it encountered She was Carrie the daughter of the human governor of the Terran colony planet Keiss He was Kusac the son and heir of the Sholan Clan Lord Both were telepaths of the highest order and the bond they formed was compounded equally of love and mind power But even as they sought to refine their suddenly enhanced and intermingled powers and to define their relationship the two were thrust into the heart of an interstellar conflict For while Terran and Sholan representatives worked together in good faith to negotiate a mutual defense treaty opposing factions on both their worlds sought to use Carrie and Kusac for their own ends or failing that to destroy them and all hope for a Terran Sholan alliance **Razor's Edge** Lisanne Norman,1997-12-01 The fourth book in Lisanne Norman s Sholan Alliance long running science fiction series of alien contact and interspecies conflict Carrie and Kusac she a human telepath he a Sholan one have together formed a bond stronger than all the differences between their two races They have survived the political manipulations of both their peoples as well as successfully walking the Fire Margins journeying into the past with Kaid the third member of their Triad and returning with shocking revelations about the Valtegan enemy and the ancient Cataclysm that transformed Sholan society But the price of breaking with tradition comes high as does the ongoing protection offered by the military And now Carrie Kusac Kaid and T Chebbi must undertake a rescue mission to the distant

world of Jalna to save present day Sholans and humans who have been trapped there as well as a Sholan pair from the age of the Cataclysm What they can't foresee is that the Valtegens planted the seeds of destruction on Jalna long ago transforming the locals into a dangerously unstable race and threatening the telepathic powers of Sholans and humans alike *Dark Nadir* Lisanne Norman,1999-03-01 The fifth book in Lisanne Norman's Sholan Alliance long running science fiction series of alien contact and interspecies conflict The world of Jalna had revealed many secrets to the Sholan Human teams sent there on a rescue mission They had discovered one of the methods Valtegens used to control other races had learned how deceitful one of their own allies had been and were about to begin negotiations for an alliance with several newly met races Yet the planetary conflicts had led to the injured Carrie and Kusac being placed in cryo on a non Sholan vessel with Kaid desperately trying to rush them back to Sholan medical facilities But before they could reach their rendezvous point the ship they were on was caught in a Valtegan trap leaving Kaid barely enough time to send Carrie's and Kusac's life pods into space in the hope that they'd be found by friendly forces Kaid was certain he and his people were doomed until a massive vessel suddenly materialized scooping up both Kaid's ship and the Valtegan foe Now all of them were prisoners of a completely unknown people And only time would tell whether they'd fallen into the clutches of an even more deadly enemy than the Valtegens
