**The Routledge Companion to Management Buyouts** Mike Wright, Kevin Amess, Nick Bacon, Donald Siegel, 2018-09-03

Management Buyouts (MBOs) first came to prominence in the US during the early 1980s and have subsequently become a global phenomenon and a highly significant transaction within the corporate restructuring landscape. Although much recent attention has focused on private equity (PE)-backed buyouts, these are only a subset of the total MBO market. The Routledge Companion to Management Buyouts takes a much broader definition, reviewing the current state of research and theory and where further developments are likely to occur, and incorporating PE and non-PE backed buyouts, as well as variations such as management buy-ins and management employee buyouts. It goes beyond the purely financial perspective, exploring the many different aspects of management buyouts and incorporating related disciplines, including strategy, organizational change, and HRM, providing the first truly comprehensive, authoritative resource on the topic. Expertly edited and drawing on

international scholarship this unique volume will be an invaluable sourcebook on MBOs for researchers and advanced students as well as those interested in the broader areas of corporate restructuring and ownership change
