C. Hurewitz, 1950

Struggle for Palestine J. C. Hurewitz, 2018 Studies Arab and Jewish politics in Palestine since 1936 as they converged with world power struggles [Documents on Israeli-Soviet Relations 1941-1953](#) Russia Russian Academy of Sciences, The Cummings Center for Russian Studies, The Foreign Ministry of the Russian Federation, The Israel Foreign Ministry, The Oriental Institute, The Russian Federal Archives, Israel University of Tel Aviv, 2020-12-17 These annotated documents give an insight into the relationship between the Soviet Union and Palestine Israel from 1941 to 1953 Most of the documents appear here for the first time declassified and published in accordance with a bilateral agreement between Israel and Russia

[1948](#) Benny Morris, 2008-10-01 This history of the foundational war in the Arab Israeli conflict is groundbreaking objective and deeply revisionist Besides the military account it also focuses on the war's political dimensions Historian Morris probes the motives and aims of the protagonists on the basis of newly opened Israeli and Western documentation The Arab side where the archives are still closed is illuminated with the help of intelligence and diplomatic materials Morris stresses the jihadi character of the two stage Arab assault on the Jewish community in Palestine He examines the dialectic between the war's military and political developments and highlights the military impetus in the creation of the Palestinian refugee problem He looks both at high politics and general staff decision making and at the nitty gritty of combat in the battles that resulted in the emergence of the State of Israel and the humiliation of the Arab world a humiliation that underlies the continued Arab antagonism toward Israel R sum de l diteur **Never-Ending Conflict** Mordechai Bar-On, 2006 Objective accounts of Israel's military conflicts including the 1948 War the Six Day War and the Yom Kippur War Includes a chapter by Michael Oren author of the bestseller Six Days of War This is the story of the tragic confrontation between two national movements contesting the same small piece of land a clash that has become one of the most intractable issues in modern times From the 1936 Palestinian Revolt to the Intifada that started in 2000 the Arabs and Israelis have clashed in twelve major incidents often embroiling much of the Middle East Here historians deftly examine each conflict offering a readable and informative look at seventy years of Israeli military history *Report of the Executive of the Zionist Organisation Submitted to the ... Zionist Congress* World Zionist Organization, 1921 *The Struggle for Palestine* Lance Selfa, 2002

Leading international solidarity activists offer insight into the ongoing struggle for Palestinian freedom and justice Includes Anthony Arnove Naseer Aruri David Barsamian Paul D Amato Phil Gasper Toufic Haddad Tikva Honig Parnass Rania Masri Tanya Reinhart Edward Said and Ahmed Shawki Report of the Twelfth Zionist Congress Zionist Organization.

Congress,1922 **Hamas vs. Fatah** Jonathan Schanzer,2024-09-04 In June 2007 civil war broke out in the Gaza Strip between two rival Palestinian factions Hamas and Fatah Western peace efforts in the region always focused on reconciling two opposing fronts Israel and Palestine Now this careful exploration of Middle East history over the last two decades reveals that the Palestinians have long been a house divided What began as a political rivalry between Fatah s Yasir Arafat and Hamas leader Sheikh Ahmed Yassin during the first intifada of 1987 evolved into a full blown battle on the streets of Gaza between the forces of Arafat s successor Mahmoud Abbas and Ismael Haniyeh one of Yassin s early prot g s Today the battle continues between these two diametrically opposing forces over the role of Palestinian nationalism and Islamism in the West Bank and Gaza In this thought provoking book Jonathan Schanzer questions the notion of Palestinian political unity explaining how internal rivalries and violence have ultimately stymied American efforts to promote Middle East peace and even the Palestinian quest for a homeland The PLO Alain Gresh,1988 *Eqbal Ahmad, Confronting Empire* Eqbal Ahmad,David Barsamian,2000 An unprecedented collection from a giant in international politics

Heritage and the Cultural Struggle for Palestine Chiara De Cesari,2019-08-06 In recent decades Palestinian heritage organizations have launched numerous urban regeneration and museum projects across the West Bank in response to the enduring Israeli occupation These efforts to reclaim and assert Palestinian heritage differ significantly from the typical global cultural project here it is people s cultural memory and living environment rather than ancient history and archaeology that take center stage It is local civil society and NGOs not state actors who are doing heritage In this context Palestinian heritage has become not just a practice of resistance but a resourceful mode of governing the Palestinian landscape With this book Chiara De Cesari examines these Palestinian heritage projects notably the Hebron Rehabilitation Committee Riwaq and the Palestinian Museum and the transnational actors practices and material sites they mobilize to create new institutions in the absence of a sovereign state Through their rehabilitation of Palestinian heritage these organizations have halted the expansion of Israeli settlements They have also given Palestinians opportunities to rethink and transform state functions **Heritage and the Cultural Struggle for Palestine** reveals how the West Bank is home to creative experimentation insurgent agencies and resourceful attempts to reverse colonial violence and a model of how things could be *Confronting Empire* Eqbal Ahmad,2017-02-20 The Pakistani political thinker and activist shares his insight into global emancipatory politics in this interview collection foreword by Edward W Said Edward W Said once urged the legendary Eqbal Ahmad not to leave your words scattered to the winds or even recorded on tape but collected and published in several volumes for everyone to read Then those who don t have the privilege of knowing you will know what a truly remarkable gifted man you are Unfortunately

Ahmad died suddenly before Said's wish came to fruition. But in *Confronting Empire* Ahmad's most provocative ideas are available to future generations of activists. In these intimate and wide-ranging conversations Ahmad discusses nationalism, ethnic conflict, the politics of memory, and liberation struggles around the world. *Current Background*, 1975-04-15 **The Kenya Socialist Volume 7** Shiraz Durrani, 2021-01-12 The year 2023 saw one of the latest genocides in modern times that of the people of Palestine by Israel. People born in the last or this century find it difficult to understand how such genocides in the past were allowed to take place at all so barbarous an action this is. Yet the current genocide continues unabated despite the millions of people around the world demanding an end to it. This exposes the real nature of capitalism and imperialism. It is in this situation that issue no 7 of *The Kenya Socialist* focuses on the Palestine Question. Articles include *The Palestine Question*, *Claim to be Pan Africanist*, *Until Everyone is Free*, *Zionism and the Myth of Democracy*. The title of the Editorial is *We are all Palestinians*. Another article examines why the struggle for Palestine is the struggle of working people worldwide, showing the class and imperialist background to the genocide. The issue ends with solidarity statements from Kenyan organisations and a book review. It carries a number of illustrations on the struggle. **The Struggle for the Hebrew Language in Palestine** Zionist Organisation. Actions Committee, 1914 *The Politics of Palestinian Nationalism* William Baver Quandt, William B. Quandt, Fuad Jabber, Paul Jabber, Ann Mosely Lesch, 1973-01-01 Photographs of objects one sees everyday that contain the shapes of letters of the alphabet **Palestinian Political Discourse** Emile Badarin, 2016-04-28 A great deal of political and academic responses to the Israel-Palestine conflict have construed the Palestinians as an object of Western and Israeli discourses rather than their own Palestinian discourse. This has hindered understanding of the internal mechanisms involved in the production of the Palestinian conditions. *Palestinian Political Discourse* presents an in-depth examination of Palestinian political discourse since the Nakba in 1948 and stitches together the underlying mechanisms and rules that have shaped Palestinian politics in turn synthesizing, interpreting, and scrutinizing these rules. Studying the question of Palestine discursively offers new ways to rethink political agency, structures, identity, institutions, and power relations while interpreting Palestinian actions. This book adds new understanding to Palestinian political agency by explaining how political actions were constructed. Discourse analysis methodology underlies the critical examination of the genealogy of concepts and frames that have oriented Palestinian political thought. Contrary to established views that ascribe shifts in Palestinian politics primarily to external factors and international changes, this book demonstrates how transformation has been a continuing inbuilt feature within the discursive regime and that dramatic shifts were only effects of much deeper, slowly evolving changes. Examining discourse and thus language offers an exceptional possibility to see from the Palestinian perspective. As such, this book provides material vital to the deeper interpretation of the Palestinian question. It will be a valuable resource for students and scholars of Israel-Palestine studies, Middle East studies, and discourse analysis.
