Struggle For The Shenandoah Essays On The 1864 Valley Campaign

David J. Eicher

Struggle For The Shenandoah Essays On The 1864 Valley Campaign:

Struggle for the Shenandoah Gary W. Gallagher, 1991 The product of a symposium held in 1989 this book of essays provides an introduction to the cardinal aspects of an important American Civil War campaign The authors disagree on the relative importance of certain operations or leaders in the valley *Struggle for the Shenandoah* Gary W. Gallagher, 1991 Few geographical regions played a more critical role in the American Civil War than the Shenandoah Valley of Virginia At no time did the Valley loom larger on the military landscape than in the late summer and fall of 1864 when the armies of Jubal A Early and Philip H Sheridan waged their bitter struggle The military and political stakes were immense War on civilians first became policy on a theater wide scale and tactical operations ranged from guerrilla activity to the grand encounter at Cedar Creek Without an appreciation of why the Shenandoah Valley became first a battleground and then a wasteland it is impossible to understand fully the last year of the war These essays seek to illuminate various facets of the 1864 Valley campaign The authors question the relative importance of operations in the Shenandoah the respective performances of Early and Sheridan and the roles of Confederate guerrillas and cavalry Often departing from conventional views and sometimes disagreeing with one another the essays should spark further debate on one of the more important and dramatic military events of the conflict Publisher website

The Civil War in Books David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher s mammoth undertaking are indexed by author or editor and by title Gary Gallagher s foreword traces the development of Civil War bibliographies and declares that Eicher s annotation exceeds that of any previous comprehensive volume *The Civil War in Books* Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher s *The Civil War in Books* is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since *The Civil War Day by Day* will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

A Campaign of Giants--The Battle for Petersburg A. Wilson Greene, 2025-04-04 Grinding bloody and ultimately decisive the Petersburg Campaign was the Civil War s longest and among its most complex A Campaign of Giants *The Battle for Petersburg* offers a gripping comprehensive history of the decisive campaign in the eastern theater In this second of three volumes A Wilson Greene

narrates the critical months from August through October 1864 during which Ulysses S Grant's army group launched three major offensives against Robert E Lee's defenses around Petersburg and the Confederate capital in Richmond. The Confederates counterpunched after each Union advance and conducted a spectacular cavalry raid that netted almost 2,500 cattle from Federal grazing grounds. But as winter approached, Grant had captured one of Lee's primary supply routes and extended the lines around Petersburg and Richmond to some thirty-five miles. Supported by thirty-four detailed maps, Greene's narrative chronicles these bloody engagements using many previously unpublished primary accounts from common soldiers and ranking officers alike. The struggle for Petersburg is often characterized as a siege, but Greene's narrative demonstrates that it was dynamic, involving maneuver and combat equal in intensity to that of any major Civil War operation.

The Battle of Piedmont and Hunter's Raid on Staunton Scott C. Patchan, 2011 In 1864, General Grant tasked General David Hunter with raiding the breadbasket of the Shenandoah Valley and destroying the Confederate factories and supply lines. General Lee dispatched General William E. Grumble Jones, and the forces collided up the fertile fields of eastern Augusta County. It was a bloody day; the Battle of Piedmont saw more men killed and wounded than in any of Stonewall Jackson's 1862 Valley encounters. Sweeping on to victory, Federal forces then occupied Staunton and laid waste to the railroad and Confederate workshops. Join Civil War historian Scott C. Patchan as he chronicles the campaign and sheds light on its place in the war.

A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U.S. Civil War presents a comprehensive historiographical collection of essays covering all major military, political, social, and economic aspects of the American Civil War, 1861-1865. Represents the most comprehensive coverage available relating to all aspects of the U.S. Civil War. Features contributions from dozens of experts in Civil War scholarship. Covers major campaigns and battles and military and political figures as well as non-military aspects of the conflict such as gender emancipation, literature, ethnicity, slavery, and memory.

In Pursuit of a Phantom Arnold M. Pavlovsky, 2008-06

War Upon the Land Lisa M. Brady, 2012 War upon the land is not merely an environmental history of the war. Instead, Brady's is a book about how the Civil War engaged with and forever altered a suite of nineteenth-century American ideas about nature. Thus, it examines the place of wilderness in the history of the Civil War and, as importantly, the place of the Civil War in the history of wilderness.

A Companion to the U.S. Civil War Aaron Sheehan-Dean, 2014-02-05 A Companion to the U.S. Civil War presents a comprehensive historiographical collection of essays covering all major military, political, social, and economic aspects of the American Civil War, 1861-1865. Represents the most comprehensive coverage available relating to all aspects of the U.S. Civil War. Features contributions from dozens of experts in Civil War scholarship. Covers major campaigns and battles and military and political figures as well as non-military aspects of the conflict such as gender emancipation, literature, ethnicity, slavery, and memory.

[The American Civil War](#) Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult. From the foreword by James M. McPherson: The

first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience

The Shenandoah Valley Campaign of 1864 Mark A Snell, Theodore P. Savas, 2000-04-01 Five essays on the crucial battle for the Shenandoah Valley including insightful new scholarship on opposing generals Philip Sheridan and Jubal Early Includes book reviews and an interview with a leading historian

Major McKinley William Howard Armstrong, 2000 This is an account of the Civil War service of President William McKinley the last of the Civil War veterans to reach the White House and the only one who served in the ranks It draws on a range of material to present a picture of McKinley as a soldier and his later life as a veteran in politics

Agriculture and the Confederacy R. Douglas Hurt, 2015-03-02 In this comprehensive history R Douglas Hurt traces the decline and fall of agriculture in the Confederate States of America The backbone of the southern economy agriculture was a source of power that southerners believed would ensure their independence But season by season and year by year Hurt convincingly shows how the disintegration of southern agriculture led to the decline of the Confederacy s military economic and political power He examines regional variations in the Eastern and Western Confederacy linking the fates of individual crops and different modes of farming and planting to the wider story After a dismal harvest in late 1864 southerners faced with hunger and privation throughout the region ransacked farms in the Shenandoah Valley and pillaged plantations in the Carolinas and the Mississippi Delta they finally realized that their agricultural power and their government itself had failed Hurt shows how this ultimate lost harvest had repercussions that lasted well beyond the end of the Civil War Assessing agriculture in its economic political social and environmental contexts Hurt sheds new light on the fate of the Confederacy from the optimism of secession to the reality of collapse

A Great Civil War Russell Frank Weigley, 2000 Major new interpretation of the events which continue to dominate the American imagination and identity

Little Phil Eric J. Wittenberg, 2002-12-31 Provides insight into the real personality of the famous warrior

Environmental History and the American South Paul Sutter, Christopher J. Manganiello, 2009 This

reader gathers fifteen of the most important essays written in the field of southern environmental history over the past decade. Ideal for course use, the volume provides a convenient entrance into the recent literature on the region as it indicates the variety of directions in which the field is growing. As coeditor Paul S. Sutter writes in his introduction, recent trends in environmental historiography—a renewed emphasis on agricultural landscapes and their hybridity, attention to the social and racial histories of environmental thought and practice, and connections between health and the environment among them—have made the South newly attractive terrain. This volume suggests then that southern environmental history has not only arrived but also that it may prove an important space for the growth of the larger environmental history enterprise. The writings, which range in setting from the Texas plains to the Carolina Lowcountry, address a multiplicity of topics such as husbandry practices in the Chesapeake colonies and the aftermath of Hurricane Andrew. The contributors' varied disciplinary perspectives, including agricultural history, geography, the history of science, the history of technology, military history, colonial American history, urban and regional planning history, and ethnohistory, also point to the field's vitality. Conveying the breadth, diversity, and liveliness of this maturing area of study, *Environmental History and the American South* affirms the critical importance of human environmental interactions to the history and culture of the region. Contributors: Virginia DeJohn Anderson, William Boyd, Lisa Brady, Joshua Blu Buhs, Judith Carney, James Taylor Carson, Craig E. Colten, S. Max Edelson, Jack Temple Kirby, Ralph H. Lutts, Eileen Maura McGurty, Ted Steinberg, Mart Stewart, Claire Strom, Paul Sutter, Harry Watson, Albert G. Way.

General Philip H. Sheridan Jonathan A. Noyalas, 2025-09-30 This biography explores General Philip H. Sheridan's impact on the United States during and after the tumultuous Civil War era, offering a new insight into Sheridan's changing perspectives on leadership and war and how various individuals, including family, authors, artists, and entrepreneurs, shaped Sheridan's legacy after his death in the summer of 1888. The son of Irish immigrants, Sheridan played a critical role in crushing the Confederacy during the Civil War, fighting to ensure the protection of Black people during Reconstruction and safeguard their political rights after the Civil War. He also exerted enormous influence as part of the federal government's campaigns to corral Indigenous peoples onto reservations in the 1850s and the decades after the Civil War, earning Sheridan the ire of Indigenous peoples and their allies. With an array of primary sources, maps, and illustrations, this volume enriches understanding of one of the most significant military figures in the second half of the nineteenth century. General Philip H. Sheridan is an ideal resource for students and scholars interested in the Civil War, Reconstruction, Indigenous peoples, and historical memory.

American Civil War James R. Arnold, Roberta Wiener, 2011-07-19 This essential reference work helps promote a thorough understanding of the conflict that divided the nation and proved more costly in terms of human suffering than any in American history. Coinciding with the 150th anniversary of the start of the Civil War, *American Civil War: The Essential Reference Guide* offers an accessible, single-volume source on the conflict that helped define the American nation. Enhanced by historical illustrations and documents, this guide promotes a nuanced understanding of the events, personalities,

and issues related to the war and its aftermath In addition to an A Z encyclopedia of major leaders events and issues this work includes a comprehensive overview essay on the war plus separate essays by a prominent Civil War historian on its causes and consequences Perspective essays tackle such widely debated issues as the primary cause of the Confederate defeat and will inspire readers to exercise critical thinking skills Biographies of military and political leaders provide insights about those individuals who played major roles in the conflict while entries on key battles showcase the strategies of both sides as they struggled to emerge victorious

For Duty and Destiny Lloyd A. Hunter, 2013-10-15 William Taylor Stott was a native Hoosier and an 1861 graduate of Franklin College who later became the president who took the college from virtual bankruptcy in 1872 to its place as a leading liberal arts institution in Indiana The story of Franklin College is the story of W T Stott yet his influence was not confined to the school's parameters Stott was an inspirational and intellectual force in the Indiana Baptist community and a foremost champion of small denominational colleges and of higher education in general He also fought in the Eighteenth Indiana Volunteer Infantry during the Civil War rising from private to captain by 1863 Stott's diary reveals a soldier who was also a scholar

Lee's Miserables J. Tracy Power, 2015-01-01 Never did so large a proportion of the American population leave home for an extended period and produce such a detailed record of its experiences in the form of correspondence diaries and other papers as during the Civil War Based on research in more than 1 200 wartime letters and diaries by more than 400 Confederate officers and enlisted men this book offers a compelling social history of Robert E Lee's Army of Northern Virginia during its final year from May 1864 to April 1865 Organized in a chronological framework the book uses the words of the soldiers themselves to provide a view of the army's experiences in camp on the march in combat and under siege from the battles in the Wilderness to the final retreat to Appomattox It sheds new light on such questions as the state of morale in the army the causes of desertion ties between the army and the home front the debate over arming black men in the Confederacy and the causes of Confederate defeat Remarkably rich and detailed Lee's Miserables offers a fresh look at one of the most studied Civil War armies
