Struggling With Scripture

**Walter Brueggemann, William Carl
Placher, Brian K. Blount**

Struggling With Scripture:

Struggling with Scripture Walter Brueggemann, William Carl Placher, Brian K. Blount, 2002-01-01 In these reflections the authors write that the Bible as the live word of the living God will not submit to the accounts we prefer to give of it They note that taking the Bible most seriously means struggling to understand its meaning as well as affirming its truth Faith Seeking Understanding Daniel L. Migliore, 2004-06-14 Daniel Migliore's *Faith Seeking Understanding* has been a standard introduction to Christian theology for more than a decade The book's presentation of traditional doctrine in freshly contemporary ways its concern to hear and critically engage new voices in theology and its creative and accessible style have kept it one of the most stimulating balanced and readable guides to theology available This second edition of *Faith Seeking Understanding* features improvements from cover to cover Besides updating and expanding the entire text of the book Migliore has added two completely new chapters The first *Confessing Jesus Christ in Context* explores the unique contributions to Christian theology made by recent theologians working in the African American Asian American Latin American Hispanic feminist womanist and mujerista traditions The second new chapter *The Finality of Jesus Christ and Religious Pluralism* addresses the growing interest in the relationship of Christianity to other religions and their adherents Migliore's three delightful theological dialogues are followed by a new appendix an extensive glossary of theological terms making the book even more useful to students seeking to understand the history themes and challenges of Christian belief

SCM Studyguide: Biblical Hermeneutics David Holgate, Rachel Starr, 2019-09-30 The *SCM Studyguide Biblical Hermeneutics* offers entry level undergraduates a framework for interpreting the Bible The book goes beyond offering guidance on how to do exegesis and is intended as a practical tool to help readers develop good interpretative strategies for themselves As such it features pedagogical tools such as Try it Out boxes to assist students to develop a tested and thought through overall interpretative strategy of their own This fully updated 2nd edition takes into account the changing church and world context and the new challenges this context brings as students seek to read the Bible with attentiveness integrity and faithfulness Table of contents Acknowledgements Introduction 1 Where Do We Want to Go 2 Past Experience and Present Expectations 3 Tools for Exegesis 4 Our Reality 5 Committed Readings 6 Enabling Dialogue with the Text 7 Our Goal Life Affirming Interpretations Summary of the Interpretative Process References and Further Reading Index of Biblical References Index of Names Index of Subjects *Disturbing Divine Behavior* Eric A. Seibert, How should we understand biblical texts where God is depicted as acting irrationally violently or destructively If we distance ourselves from disturbing portrayals of God how should we understand the authority of Scripture How does the often wrathful God portrayed in the Old Testament relate to the God of love proclaimed in the New Testament Is that contrast even accurate *Disturbing Divine Behavior* addresses these perennially vexing questions for the student of the Bible Eric A Seibert calls for an engaged and discerning reading of the Old Testament that distinguishes the particular literary and theological goals achieved through

narrative characterizations of God from the rich understanding of the divine to which the Old Testament as a whole points Providing illuminating reflections on theological reading as well this book will be a welcome resource for any readers who puzzle over disturbing representations of God in the Bible International Review of Biblical Studies, Volume 49 (2002-2003) Bernhard Lang, 2004-02-01 Formerly known by its subtitle Internationale Zeitschriftenschau für Bibelwissenschaft und Grenzgebiete the International Review of Biblical Studies has served the scholarly community ever since its inception in the early 1950 s Each annual volume includes approximately 2 000 abstracts and summaries of articles and books that deal with the Bible and related literature including the Dead Sea Scrolls Pseudepigrapha Non canonical gospels and ancient Near Eastern writings The abstracts which may be in English German or French are arranged thematically under headings such as e g Genesis Matthew Greek language text and textual criticism exegetical methods and approaches biblical theology social and religious institutions biblical personalities history of Israel and early Judaism and so on The articles and books that are abstracted and reviewed are collected annually by an international team of collaborators from over 300 of the most important periodicals and book series in the fields covered **Ancient Laws and Contemporary Controversies** Cheryl Anderson, 2009-11-16 The Ten Commandments condone slavery and Deuteronomy 22 deems the rape of an unmarried woman to injure her father rather than the woman herself While many Christians ignore most Old Testament laws as obsolete or irrelevant with others picking and choosing among them in support of specific political and social agendas it remains a basic tenet of Christian doctrine that the faith is contained in both the Old and the New Testament If the law is ignored an important aspect of the faith tradition is denied In Ancient Laws and Contemporary Controversies Cheryl B Anderson tackles this problem head on attempting to answer the question whether the laws of the Old Testament are authoritative for Christians today The issue is crucial some Christians actually believe that the New Testament abolishes the law or that the Protestant reformers Luther Calvin and Wesley rejected the law Acknowledging the deeply problematic nature of some Old Testament law especially as it applies to women the poor and homosexuals Anderson finds that contemporary controversies are the result of such groups now expressing their own realities and faith perspectives Anderson suggests that we approach biblical law in much the same way that we approach the U S Constitution While the nation s founding fathers all privileged white men did not have the poor women or people of color in mind when they referred in its preamble to We the people Subsequently the Constitution has evolved through amendment and interpretation to include those who were initially excluded Although it is impossible to amend the biblical texts themselves the way in which they are interpreted can and should change With previous scholarship grounded in the Old Testament as well as critical legal and feminist theory Anderson is uniquely qualified to apply insights from contemporary law to the interpretive history of biblical law and to draw out their implications for issues of gender class and race ethnicity In so doing she lays the groundwork for an inclusive mode of biblical interpretation We Are All Witnesses Mitzi J. Smith, Michael Willett Newheart, 2023-02-10 We

Are All Witnesses is a remarkable sassy creative disruptive and deeply personal textbook It is like no other text on biblical interpretation Smith and Newheart have produced a groundbreaking milestone book about how to do biblical interpretation that prioritizes justice and the reader s context It is both memoir and metatestimony The layperson college students and seminary students will find this book accessible It is indeed creative witty and wayward Faith Seeking Understanding, Fourth ed. Daniel L. Migliore, 2023-05-31 An authoritative and beloved textbook updated for the current generation of theology students Daniel L Migliore s classic theology textbook returns in a new edition revised and supplemented with fresh material Faith Seeking Understanding covers fundamental topics for budding theologians from biblical hermeneutics to the incarnation to the life of faith As in previous editions the material culminates in four imaginative dialogues between prominent thinkers to illustrate major theological debates In addition to updates throughout the text the fourth edition also includes a new introduction and an additional chapter on Christology Students will appreciate the textbook s accessible style comprehensive reading recommendations and glossary of theological terms *English Bibles on Trial* Avner Shamir, 2016-11-03 The aim of this book is to explore antagonism towards and acts of violence against English Bibles in England and Scotland and to a lesser degree Ireland from the English Civil War to the end of the eighteenth century In this period English Bibles were burnt torn apart thrown away and desecrated in theatrical and highly offensive ways Soldiers and rebels clergymen and laymen believers and doubters expressed their views and emotions regarding the English Bible or a particular English Bible through violent gestures Often Bibles of other people and other denominations were burnt and desecrated sometimes people burnt and destroyed their own Bibles By focusing on violent gestures which expressed resentment rejection and hatred this book furthers our understanding of what the Bible meant for early modern Christians More specifically it suggests that religious identities in this period were not formed simply by the pious reading study and contemplation of Scripture but also through antagonistic encounters with both Scripture itself and the Bible as a material object Helping Your Struggling Teenager Les Parrott, 2000 This clear and practical resource details 36 common teenage problems that are arranged alphabetically from abuse to suicide to help parents tackle each problem by encouraging them to answer key questions given to them **Christianity in Blue** David A. Kaden, 2021-07-13 Today s social and political climate often pits conservative or traditional Christianity against progressive Christianity But what is progressive Christianity What is a progressive Christian What is a progressive church Christianity in Blue answers these questions by drawing from biblical scholarship Christian history theology popular culture philosophy and cultural anthropology Kaden shows how socially liberal values and progressive attitudes can be the fruits of taking seriously both the Bible and Christian tradition But rather than treating these sources as static authorities and the final word on every subject Kaden argues that they are places to start one s exploration of how to be a Christian in the world Being a progressive Christian is an ethical exhortation to uplift human personality as Martin Luther King Jr once said This exhortation structures how progressive Christians receive interpret and

apply the Bible and Christian tradition to daily life A robust tradition provides an anchor to avoid the illiberal trends in contemporary society and a commitment to uplifting human personality provides a check against dehumanizing uses of Scripture and tradition Christianity in Blue will help both progressive and conservative Christians better understand the importance of the Bible theology history and philosophy for building a loving church for everyone *How Can I Get More Out of My Bible Reading?* Jeremy Kimble,2021-05-19 Practical Suggestions for Spending Quality Time in God s Word Church Questions is a series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions about church life Each volume offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment Reading the Bible is essential to the Christian faith but many believers struggle to study it faithfully In this short booklet Jeremy Kimble explains how the church acts as God s school helping us read and follow Scripture through teaching fellowship and discipleship He also gives advice to improve your own Scripture reading so you can understand the big picture ask good questions and apply what you learn *Scripture and Counseling* Bob Kelleman,2014-10-07 What role does Scripture play in counseling Today we face a weakening of confidence in the Bible This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend We need to regain our confidence in God s living Word as sufficient to address the real life issues we face today Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life Divided into two sections Part One develops a robust biblical view of Scripture s sufficiency for life and godliness leading to increased confidence in God s Word Part Two teaches how to use Scripture in the counseling process This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God s Word to others Part of the Biblical Counseling Coalition series Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God s Word is sufficient necessary and relevant to equip God s people to address the complex issues of life in a broken world It blends theological wisdom with practical expertise and is accessible to pastors church leaders counseling practitioners and students equipping them to minister the truth and power of God s word in the context of biblical counseling soul care spiritual direction pastoral care and small group facilitation *The Bible and Mental Health* Christopher C.H. Cook,Isabelle Hamley ,2020-08-30 Is it possible to develop such a thing as a biblical theology of mental health How might we develop a helpful and pastoral use of scripture to explore questions of mental health within a Christian framework This timely and important book integrates the highest levels of biblical scholarship with theological and pastoral concerns to consider how we use scripture when dealing with mental health issues Chapters include Paula Gooder on Healing and wholeness Joanna Collicutt on Jesus and mental health Isabelle Hamley on Job David Firth on Anxiety in Scripture John Swinton on The Bible in Pastoral Care Walter Brueggemann on Psalms and lament With a foreword from Archbishop Justin Welby *The Workbook of Living Prayer* Maxie

Dunnam,2016-12-01 One of the best selling group resources ever published by The Upper Room this dynamic and thought provoking workbook will enrich your prayer life My prayer is that all who use this revised edition will not only learn something new about prayer but more than anything else will be inspired to pray writes Dunnam Prayer is one of the ways we link ourselves with God we put ourselves in the channel of God s moving power and we participate with God in ministry to all persons I am convinced that this is one of the most glorious privileges given to Christians The Workbook of Living Prayer can be used by individuals or groups to help the experience of prayer come alive This 6 week prayer adventure features for each day comments on a particular facet of prayer scripture readings Reflecting and Recording exercises During the Day instructions instructions for group meetings Take up this personal journey to grow closer to God through the mystery and power of prayer
