Best Ever Writing Models Nancy Polette,2009 **Three Friends** R L Hume,2021-08-16 This is a novel about three close high school friends bright year11 girls Carlie Barb and Alice who live in a small Queensland beach town in 1969 The story is told by Carlie to her friend Jan fifteen years after the main 1969 events take place and include more elements from a few other crucial periods It s a friendship story as the three swim gossip and joke together every morning It s a coming of age story as the girls evolve their relationships with boys deal with families take school seriously make bikinis and find an unexpected adventure It s a discovering thinking about approaching and even trying out sex story A serious love story sits among a few others involving lust All the above is mixed with some unique crime low end crooks less than brilliant cops and a good sense of humour Just ease yourself into the story and then enjoy every moment **The Early Reader in Children's**

Literature and Culture Jennifer Miskec,Annette Wannamaker,2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe STUART LITTLE NARAYAN CHANGDER,2023-11-24 If you need a free PDF practice set of this
