Stubborn Heart:

The Stubborn Heart Frank G. Slaughter, 1940 **The Teachable Heart** David E. Vitt, 2017-04-04 The book you are holding is the culmination of twenty years of personal Bible study and hundreds of lesson plans prepared with you the teachable believer in mind Over the years his students consistently encouraged Dave to make highlights of his lessons available to a wider audience The outcome is The Teachable Heart Devotional Series Like life itself the devotions come in a random unexpected order helping you grow in thoughtful practical and Christ honoring ways You will be amazed at what one page and five minutes a day can do You will be encouraged in your faith challenged in your walk lifted when you're down and comforted in your sorrow You will be spurred on toward good works yet encouraged to rest in the loving arms of Christ One page five minutes you can do this Try it and be amazed at what God can do with The Teachable Heart **Object Talks for Any Day** Verna Kokmeyer, 2001-04 These 43 talks cover a variety of everyday topics talking with God and praising him considering God's wonders and appreciating his character being an authentic Christian guarding your speech helping others and sharing the good news **My Stubborn Heart** Becky Wade, 2012-05 Kate Donovan meets the handsome Matt Jarreau when she accompanies her grandmother to Redbud Pennsylvania to help her restore the family home and Kate sets her heart on the young man and his wounded heart , **Daily Wisdom for Men** Dan Britton, Jimmy Page, 2024-11-05 Walk in wisdom Be strong Live like men In a world of increasing noise and confusion our need for authentic faith truth and the wisdom to apply them to life has never been greater Drawing on stories from the Bible sports life and leadership Dan Britton and Jimmy Page share in the trenches principles and bold challenges to empower you to live at your best and make an eternal difference in the lives of others Daily Wisdom for Men is designed to help men know the heart of God and draw on His strength apply unchanging principles to a changing world build a life of resilience and grit live in freedom and power overcome challenges and obstacles and stand strong against the schemes of the Enemy Charge into each day as a warrior for God armed with wisdom to overcome whatever life brings *The Union Collection of Hymns and Sacred Odes* John Curtis, 1827 *Through the Year With John Stott* John Stott, 2020-03-20 Using the church as a framework Through the Year with John Stott explores in 365 days the whole biblical story from creation to the end times One of the most highly respected Bible teachers of our times John Stott gets to the heart of each of the 365 carefully selected passages covering every essential Christian teaching in a single volume The readings are broken up into weekly themes Each devotion is based on a key passage of Scripture and includes biblical references for further exploration This new edition of this much loved classic devotional includes a new foreword from Old Testament Scholar Chris Wright [A New Believer's Bible Commentary: The Prophets](#) Dr. Judy Barrett, 2012-11-15 A New Believer's Bible Commentary The Prophets brings the writings of the prophets to life showing you where they went wrong what this behavior would look like today and how to repent of it By exploring the steps that led to Israel and then Judah going into captivity we see where we err in our own lives and the attitudes that lead us

away from God Stubborn and unrepentant hearts are thoroughly discussed as are the hearts of the few faithful that God uses to bring His message to the people so that they might return to Him The books of the prophets are also filled with Messianic prophecy as well as promises for the future some positive and some not to be looked forward to Since most people pick up their Bibles and start at the beginning the prophets especially the minor ones are often not as well known Since their messages are as true today as they ever were this may be the book you wish to start with if you want to expand your Bible knowledge Jesus First for Men BroadStreet Publishing Group LLC,2023-05-02 When do you find time to connect with God Even if we try to be intentional about it everyday activities and responsibilities often find a way to take priority over our time with Jesus Prayer can happen at any time and of course it does but there is value in setting aside a specific time to communicate with the Lord The notion of getting alone with God to start the day was an example set by Jesus himself He got up before daylight to pray in a solitary place We don t know what about or who for we just know it was his way of connecting with the Father before doing anything else As you quiet yourself before him and meditate on these Scriptures devotions and prayers experience the goodness of his presence and be refreshed with his perfect peace When you prioritize Jesus above everything other concerns fade Hope dawns with the new day Tender mercies fall fresh Boundless joy springs up from a well within And you find the strength to walk through each day with grace for others and for yourself *the samurai* Linda M. Crate,2020-10-13 They say to let go of your past but I think that this is a mistake Sometimes the past tethers you on the right path for your future This collection of poems by Linda M Crate speaks of rebirth reincarnation and lessons from the past as a means to a better future For the author this is through a past life discovered in a very vivid dream that had both awed and confused her Within this dream the author was visited by a strong courageous woman a samurai who showed her how to listen to her past learn from her mistakes and inherit the future she deserves The Onna bugeisha female martial artist were female samurai They were a type of female warrior who mostly belonged to the Japanese nobility This collection was titled the samurai because this is what the woman in the dream wished to be known as She was a fighter and a survivor as is the author **Predestined for Hell?** John R. Rice,2000-08 **Quest for Holiness** Jonah Awodeyi,2010-07 This book the quest for holiness is the rumination on personal pursuit and desire to live a holy life It reveals the anguish of my heart to please a loving Father Who gave up all so that I might be His It is the awareness of His holiness and His holy demand for all who aspires to walk with Him The awesome belief that God is all knowing everywhere and sees all that man does under the heavens generated in me an overwhelming and frightening thought of helplessness to attain His holy demand
