**When Cats Got Stuck Up Trees & Pigeons Fell Down Chimneys.** John Brookland, 2013-02-20 1972 Late Night London A cat is stuck in a drainpipe in Soho a dog is impaled on railings in St James s Park a pigeon is causing mayhem in a Leicester Square restaurant who are you going to call Well back then all Londoners called upon the services of the true fourth emergency service at the time the RSPCA Night Emergency Service This small specialist unit originally based in Piccadilly was set up to come to the aid of animals in distress throughout Greater London Accompany the author as he speeds across London attending exciting bizarre and sometimes tragic incidents and meet the quirky and helpful characters who gave him a hand Experience the rescues and be amazed at the fortitude of the animals Pay a nostalgic visit to 1970 s London and the places which are now long gone or changed beyond recognition This book will enthrall you amaze and make you laugh and give you an idea of what it is like to work at the sharp end of animal welfare *Stuck in Reverse* Irene Bradford, 2011-12-01 This book is a very true story and Irene talks candidly about her early years She talks freely of the many hard knock backs she endured so it makes immensely fascinating reading Despite going into Oldham on occasions for a sack of coke at 12 she never ever considered herself a deprived child She writes about all the hardships and struggles her mother had bringing up a family of 10 children And describes vividly how she had to jump naked out of a 25 foot high bedroom window when she was confronted with three masked men in her bedroom losing her business due to this fall Then years later tells how having once more built up a very profitable business it closed down Explaining the risks she took getting to that stage and why when at its peak and in paid for and fully tenanted premises she lost everything again Then she tells the whole truth about the arson attack on the one million pound canal side business premises the suspect and the missing keys and why it has been left in a ruinous condition since 2005 The sly devious scheming tricks that have been played on her by the council while trying very hard but without success to grab her precious site And the latter end of the book is a series of correspondence from the council There is no doubt at all this book will certainly shock and stir up a real hornets nest but it just had to be written Stuck!
