

It means employing teaching methods which help teachers direct student conduct while establishing orderly learning areas.

What is Classroom Discipline?

Student Discipline Strategies

Mark Boynton, Christine Boynton

Student Discipline Strategies:

Student Discipline Strategies Oliver Clinton Moles, 1990-01-01 Almost a third of public school teachers have considered leaving teaching because of student misbehavior When asked what were the greatest problems facing their local schools respondents to Gallup polls have cited discipline first almost every year back to the early 1970s Discipline problems may range from crimes in schools such as robbery and drug dealing committed by students or intruders to lack of respectful behavior toward teachers and classmates and the spectrum from crimes to disrespect is discussed in the chapters of this ground breaking volume This collection by leading scholars should be useful to social scientists educational researchers educators and school administrators all those who need to understand how specific and manipulable features of schools classrooms and their surrounding environments affect the course of student behavior and prospects for sustained improvement in the discipline climate in schools The information in these chapters provides many practical ideas as well as some cautions for trying new approaches to make schools more orderly learning environments for all students *Working with Students* Ruby K. Payne, 2006 **Strategies to Reduce Student Misbehavior** Oliver Clinton Moles, 1989

Discipline Strategies for Teachers Eleanor B. Baron, 1992 Classroom management and effective discipline are skills that all beginning teachers must learn Classroom management refers to those procedures or routines a teacher uses to maintain a smoothly running classroom discipline refers to those techniques or strategies a teacher uses to respond to specific acts of student misbehavior This booklet intended primarily for student teachers and beginning teachers provides practical strategies for both classroom management and discipline that are solidly based in theory The publication is divided into three parts Prevention Strategies A Discipline Plan discusses classroom routines and behavior rules and the arrangement of both seating and instructional materials Four Discipline Models describes and analyzes the assertive discipline model a traditional model the effective momentum management model and the reality therapy model Discipline Scenarios presents and analyzes both effective and ineffective approaches to developing behavior rules and routines focusing on preventive strategies and the discipline models The document concludes with a synthesis of discipline strategies that teachers can use to help maintain an orderly classroom environment Contains seven references LL **Rethinking Student Discipline** Paula Myrick Short, Rick Jay Short, Charlie Blanton, 1994 A joint publication of The National Association of Secondary School Principals and Corwin Press Inc Provides a practical framework for you to set goals and design and implement an effective student discipline program in your school Teaches you how to incorporate a balance between punishment and positive reinforcement that will encourage your students to develop self discipline **Strategies for Classroom Discipline** Meryl E. Englander, 1986-07-16 This basic text provides teachers with useful strategies for achieving control in the classroom through intervention rather than punishment Author Meryl Englander examines why punishment is an ineffective tool and details step by step strategies and techniques for intervention including building self esteem among students resolution of students personal problems and

emotional outbursts promoting student responsibility facilitating moral development reinforcing desired student behavior and establishing antecedent controls on behavior Also considered is teacher assertiveness and desired organizational conditions for an orderly classroom

Discipline With Dignity for Challenging Youth Richard Curwin, Allen Mendler, 2004-01-01 Create positive change in your most challenging students with the help of practical strategies found in this resource Learn the five fundamental principles and seven goals that are the foundation of all effective discipline strategies The authors share proven practices for classroom discipline reveal reasons why students misbehave and offer 21 effective drug free ways to help students with ADHD

STUDENT DISCIPLINE AND CLASSROOM MANAGEMENT Jack Campbell, 1999-01-01 This book presents strategies for successfully controlling disrupting behavior in the classroom and explains the techniques used for decreasing inappropriate behavior by using positive and negative reinforcement The author begins with an examination of children's self esteem and ways for teachers to motivate students to achieve their best The book then goes on to examine the connection between motivation and misbehavior and offers insight into approaches to general and specific motivation and how to assess a particular student's motivation to learn The chapter on planning for problems offers some guidelines and tips for preventing discipline problems and dealing with existing problems before they escalate out of control The author also devotes an entire chapter to example vignettes of problems encountered by teachers with accompanying comments and critique of handling methods Student Discipline and Classroom Management will be useful for teachers student teachers and school administrators to be able to manage the classroom in order to provide the best possible atmosphere to promote student learning

Working with Students Ruby Payne, 2006-01-01 *Solving Discipline Problems* Charles H. Wolfgang, Carl D. Glickman, 1980

The Educator's Guide to Preventing and Solving Discipline Problems Mark Boynton, Christine Boynton, 2005-11-15 What can you do to keep students from fighting in the hallways and acting out in class When they break the rules what disciplinary actions can you take to help students behave themselves in the future You'll find the answers to these questions and many more in this comprehensive research based guide to developing a schoolwide discipline system Preventing discipline problems usually requires less energy than coping with problems after they occur and a day without discipline problems is certainly more enjoyable for teachers and students alike With this in mind Mark and Christine Boynton present a wide variety of prevention strategies that any teacher can use including advice about their relative appropriateness in different settings and circumstances Of course even the most successful preventive measures sometimes can't stop a student from disrupting a lesson or picking on classmates In those situations it is crucial to know which interventions are effective and which are counterproductive This book will help you learn the most appropriate reactions to and consequences for student misbehavior as well as specific strategies for handling oppositional defiant disorder attention deficit hyperactivity disorder and anger management issues in students You'll also find ideas for exploring your school's philosophical beliefs concerning discipline promoting positive teacher student relations

and establishing clearly defined parameters of acceptable classroom behavior Whether you re a K 12 teacher or a school principal The Educator s Guide to Preventing and Solving Discipline Problems will change the way you approach discipline in your school for the better **Managing Classroom Behavior and Discipline** Jim Walters,Shelly Frei,2007 An ideal guide for new teachers this resource provides up to date research based theory and practical applications to help teachers effectively establish and maintain classroom discipline Learn to create and manage an enriching classroom environment with models that are simple and easy to apply to any classroom situation Topics include classroom rules standards of conduct lesson planning unruly students students with special needs communicating with parents and more Packed with background information underlying principles and ideas this book is perfect for staff development sessions 20 Disciplinary Strategies for Working With Challenging Students William N. Bender,2015-07-29 This book describes easy to implement solutions to improve disciplinary practice The author offers practical tips and describes the research foundation for each tactic exploring differentiated disciplinary strategies solutions for specific challenges and examples of real world classroom application With proven discipline strategies in place educators are free to focus on the ultimate goal increasing student learning

Discipline Win Andy Jacks,2021-08-25 Your school is defined by how you support your most struggling students Why did we become school leaders and teachers To educate uplift and inspire all students So when things go wrong why do schools seem to use exclusion as a first reaction especially for kids that need to be in class the most What can schools do instead to improve student behavior and help everyone involved feel supported along the way As a principal Dr Andy Jacks was driven to find the answers to these questions He d learned firsthand how quick fixes shame and blame end up being very harmful to students and ruining relationships within the school team and with parents He also discovered that teachers need more than just platitudes and positive attitudes when difficult situations arise Teachers want to help their students and they deserve solutions This led him on a journey of discovery doing a doctoral dissertation on discipline forming committees and focus groups and reading every piece of research he could get his hands on The result is Discipline Win an insightful and timely book based firmly in twenty first century educational realities It focuses on moving away from a failing zero tolerance stance to one based on compassion for students and insight into their emotions and experiences Dr Jacks sheds light on effective discipline strategies that proactively teach students how to work with others regulate their internal struggles and align their actions with their goals in life Winning in discipline is more than just dealing with misconduct It s about creating a school culture of inclusion knowing your students celebrating what makes each one special and designing supports based on the needs they have in and out of school Discipline Win is full of ideas and practical suggestions that will actually make a difference Educators deserve to feel empowered and know that they can and will make a positive impact in even the most challenging situations *Student Discipline Strategies* Joseph A. Mancini,2017 **Relational Discipline** William N. Bender,2008-01-01 This exciting work offers an entirely new way to address the discipline problems that have become so

common in our public schools Dr Bender's emphasis on relationships as the basis of all effective discipline has now been widely recognized as cutting edge within the field and this book presents many practical strategies that teachers can use to manage even the most disruptive students in the class the kids that always seem to be in your face Strategies include many tried and true ideas that are now reinterpreted based on their impact on the relationship between the student and the teacher Further many new strategies such as Responsibility strategies Strength based assessment and Let's Make a Deal are presented with the overriding emphasis on building positive relationships with even the most challenging and demanding students This paradigm shift toward the emphasis on positive relationships represents the first truly new look at discipline and classroom management in over thirty years since the growth of behavioral management plans As teachers prepare for the classrooms of today they will need these practical workable and research proven strategies embedded within a new theory of discipline in the classroom

Preventing Classroom Discipline Problems Howard Seeman, 2003-12-18 This book based on the author's extensive work with New York City school teachers helps teachers to design instructional strategies to prevent not just handle disruptive classroom behavior Seeman discusses more than 100 of these problems from respon

School Discipline and Self-discipline George G. Bear, 2010-06-03 All school psychologists and educators who work with children in primary and secondary settings should read this book It provides a comprehensive guide to the theory and benefits of addressing challenging behaviors while actively promoting self discipline and prosocial behavior Bear presents up to date evidence based techniques in this user friendly guide Amber L Evenson MS EdS school psychologist Proviso Area for Exceptional Children Special Education Cooperative Maywood Illinois

A Study of the Practice of Discipline Strategies in the Middle School Setting Thomas S. McClellan, 1992

Closing the School Discipline Gap Daniel J. Losen, 2014-12-01 Educators remove over 3.45 million students from school annually for disciplinary reasons despite strong evidence that school suspension policies are harmful to students The research presented in this volume demonstrates that disciplinary policies and practices that schools control directly exacerbate today's profound inequities in educational opportunity and outcomes Part I explores how suspensions flow along the lines of race gender and disability status Part II examines potential remedies that show great promise including a district wide approach in Cleveland Ohio aimed at social and emotional learning strategies Closing the School Discipline Gap is a call for action that focuses on an area in which public schools can and should make powerful improvements in a relatively short period of time
