# The American Short Story

**R Barnett**

## **The American Short Story:**

*Great American Short Stories* Wallace Stegner, Mary Stegner, 1985-10-01 An outstanding collection chronicling the growth of the American short story from humorous legend to powerful contemporary fiction Contributors include Washington Irving Herman Melville Mark Twain William Faulkner John Steinbeck Eudora Welty AND MORE **The Culture and Commerce of the American Short Story** Andrew Levy, 1993-09-24 The Culture and Commerce of the Short Story is a cultural and historical account of the birth and development of the American short story from the time of Poe It describes how America through political movements changes in education magazine editorial policy and the work of certain individuals built the short story as an image of itself and continues to use the genre as a locale within the realm of art where American political ideals can be rehearsed debated and turned into literary forms While the focus of this book is cultural individual authors such as Edgar Allan Poe and Edith Wharton are examined as representative of the phenomenon As part of its project this book also contains a history of creative writing and the workshop dating back a century Andrew Levy makes a strong case for the centrality of the short story as a form of art in American life and provides an explanation for the genre's resurgence and ongoing success **The Best American Short Stories of the Century** John Updike, 2000 Including one new story and an Index by author of every story that has ever appeared in the series this new volume offers a spectacular tapestry of fictional achievement Entertainment Weekly [The American Short Story and Its Writer](#) Ann Charters, 1999-08-13 This groundbreaking anthology is the first to offer a truly inclusive survey of the American short story along with a unique array of major critical statements and commentaries by the writers themselves **The American Short Story** Danforth Ross, 1961 The American Short Story American Writers 14 was first published in 1961 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions [The American Short Story](#) Calvin Skaggs, 1977 Collections of the short stories selected for the PBS television series on the short story Included are the stories a critical essay for each story excerpts from the screenplays interviews with the filmmakers film stills and suggestions for further reading **The Best Short Stories of ... and the Yearbook of the American Short Story**, 1922 [The American Short Story Handbook](#) James Nagel, 2015-03-02 This is a concise yet comprehensive treatment of the American short story that includes an historical overview of the topic as well as discussion of notable American authors and individual stories from Benjamin Franklin's The Speech of Miss Polly Baker in 1747 to The Joy Luck Club Includes a selection of writers chosen not only for their contributions of individual stories but for bodies of work that advanced the boundaries of short fiction including Washington Irving Sarah Orne Jewett Stephen Crane Jamaica Kincaid and Tim O'Brien Addresses the ways in which American oral storytelling and other narrative traditions were integral to the formation and flourishing of the short story genre Written in accessible and engaging prose for students at all levels by a renowned literary scholar to illuminate an important genre that

has received short shrift in scholarly literature of the last century Includes a glossary defining the most common terms used in literary history and in critical discussions of fiction and a bibliography of works for further study     **Handbook of the American Short Story** Erik Redling, Oliver Scheiding, 2022-01-19 The American short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture     *Anthology of the American Short Story* James Nagel, 2008 The stories collected in this book range from 1747 to 2005 They are listed chronologically to present the development of the art of the genre and the flow of ideas and themes that emerged over two centuries and they are organized into five historical sections reflecting major cultural transitions that changed literary interests Pref     The Cambridge Companion to the American Short Story Michael J. Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day Rather than define what the short story is as a genre or defend its importance in comparison with the novel this Companion seeks to understand what the short story does how it moves through national space how it is always related to other genres and media and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies The chapters offer authoritative introductions and reinterpretations of a literary form that has re emerged as a major force in the twenty first century public sphere dominated by the Internet     **Encyclopedia of the American Short Story** Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present     *A Companion to the American Short Story* Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of

cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature

**The Development of the American Short Story** Fred Lewis Pattee, 1923

**The Bible in the American Short Story**

Lesleigh Cushing Stahlberg, Peter S. Hawkins, 2017-11-02 The Bible in the American Short Story examines Biblical influences in the post World War II American short story In a series of accessible chapters Lesleigh Cushing Stahlberg and Peter S. Hawkins offer close readings of short stories by leading contemporary writers such as Flannery O'Connor, Allegra Goodman, Tobias Wolff and Kirstin Valdez Quade that highlight the biblical passages that they reference Exploring episodes from the Hebrew Bible and the New Testament and both Jewish and Christian heritages this book is an important contribution to understanding the influence of the Bible in contemporary literature

**The Drama of the American Short Story,**

**1800-1865** Michael J. Collins, 2016-10-20 The Drama of the American Short Story 1800-1865 argues that to truly understand the short story form one must look at how it was shaped by the lively chaotic and deeply politicized world of 19th century transatlantic theater and performance culture By resurrecting long neglected theatrical influences on representative works of short fiction Michael J. Collins demonstrates that it was the unruly culture of the stage that first energized this most significant of American art forms Whether it was Washington Irving's first job as theater critic Melville's politically controversial love of British drama Alcott's thwarted dreams of stage stardom Poe and Lippard's dramatizations of peculiarly bloodthirsty fraternity hazings or Hawthorne's fascination with automata theater was a key imaginative site for the major pioneers of the American short story The book shows how perspectives from theater studies anthropology and performance studies can enrich readings of the short story form Moving beyond arbitrary distinctions between performance and text it suggests that this literature had a social life and was engaged with questions of circumatlantic and transnational culture It suggests that the short story itself was never conceived as a nationalist literary form but worked by mobilizing cosmopolitan connections and meanings In so doing the book resurrects a neglected history of American Federalism and its connections to British literary forms

**Maupassant and the American Short Story** Richard Fusco, 2010-11-01 Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant's work on the writing of Ambrose Bierce O. Henry Kate Chopin and Henry James It introduces a new perspective to assess their canons reviving the importance of many often ignored stories and in the cases of Maupassant and O. Henry reasserting the necessity of studying such writers to understand the history of the genre An important moment in the history of the short story occurred with the American misreading of Maupassant's use of story structure At the turn of the century writers such as

Bierce and O Henry seized upon the surprise inversion form because Maupassant's translators promoted him as championing it. Only a few writers such as James and Chopin, both of whom read Maupassant in French, appreciated his deft handling of form more fully. Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story. This book details the origins and consequences of this misperception. The book further contributes to the study of the short story genre. Through an adaptation of Aristotelian concepts, Richard Fusco proposes an original approach to short story structure, defining and developing seven categories of textual formulas: linear, ironic, coda, surprise, inversion, loop, descending, helical, contrast, and sinusoidal. As a practitioner of all these forms, Maupassant established his mastery of the genre. By studying his use of form, the book asserts a major reason for his pivotal importance in the historical development of the short story.

Setting in the American Short Story of Local Color, 1865-1900 Robert D. Rhode, 2019-06-01 To celebrate the 270th anniversary of the De Gruyter publishing house, the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive. Titles will be made available to anyone anywhere at any time that might be interested. The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future generations have digital access to the high quality primary sources that De Gruyter has published over the centuries.

*The Cambridge Introduction to the American Short Story* Martin Scofield, 2006-09-14 This wide-ranging introduction to the short story tradition in the United States of America traces the genre from its beginnings in the early nineteenth century with Irving Hawthorne and Poe via Fitzgerald, Hemingway, and Faulkner to O'Connor and Carver. The major writers in the genre are covered in depth with a general view of their work and detailed discussion of a number of examples of individual stories. *The Cambridge Introduction to the American Short Story* offers a comprehensive and accessible guide to this rich literary tradition. It will be invaluable to students and readers looking for critical approaches to the short story and wishing to deepen their understanding of how authors have approached and developed this fascinating and challenging genre. Further reading suggestions are included to explore the subject in more depth. This is an invaluable overview for all students and readers of American fiction.

*The Advance of the American Short Story* Edward Joseph O'Brien, 1923
