Robert Penn Warren and the American Imagination Hugh Ruppersburg, 1990

The myth of America the gap between American ideals and the actualities of American life is a central and controlling metaphor in the works of Robert Penn Warren Ranging across Warren's distinguished sixty five year career Robert Penn Warren and the American Imagination identifies the concerns that stem from Warren's vision of American history as a struggle to restore the lost ideals of the founding fathers and shows how they resonate through his writings From his 1928 biography of the abolitionist John Brown to the late poems of *Altitudes and Extensions* Warren returned again and again to themes related to democracy regionalism personal liberties individual responsibilities minority relations and above all the loss of ideals Ruppersburg initially focuses on Warren's expression of these themes in three major narrative poems *Brother to the Dragons* portrays slavery in all its horror and its consequences for Jeffersonian idealism *Audubon* A Vision extols the power of imagination in one man's quest to assert an American identity in the wilderness and *Chief Joseph of the Nez Perce* regards the victimization of Native Americans and their exclusion from traditional versions of American history as evidence of flaws in the founding vision In his nonfiction works *Segregation* and *Who Speaks for the Negro* Warren depicted the civil rights movement as a struggle for identity and individualism Ruppersburg traces the development of Warren's attitudes arguing that his support of the civil rights movement paradoxically stemmed from agrarianism which by the 1950s meant something very different to him from the agrarianism of *I'll Take My Stand* In addition Warren hoped that the civil rights movement would restore some of the nation's original revolutionary ardor and idealism The book closes with an examination of Warren's views on the future of democracy and the individual in a world dominated and threatened by science and technology Looking particularly at *The Legacy of the Civil War* *Democracy and Poetry* and the poem *New Dawn* Ruppersburg concludes that Warren was skeptical about our prospects for survival Still through his advocacy of the arts and the primacy of the individual Warren affirmed the values that he believed would help Western culture to endure Robert Penn Warren sought to explore the meaning of the American experience to validate the promise and the dangers of American ideals and to urge the nation to take stock of itself and struggle for control of its fate in history Through this obsessive search for America's identity Ruppersburg demonstrates Warren affirmed his own position as one of the most accomplished and significant of modern American writers

Selected Letters of Robert Penn Warren Robert Penn Warren, 2008

Volume four of the *Selected Letters of Robert Penn Warren* covers a crucial time of personal and professional rejuvenation in Warren's life During the fifteen year period spanned by this correspondence he completed *Brother to the Dragons* *Segregation* *The Inner Conflict in the South* and *Who Speaks for the Negro* As these titles suggest these years were marked by Warren's immersion in American history and his maturing interest in race relations

They also saw his return to lyric poetry after a ten year hiatus with the publication of the Pulitzer Prize winning collection *Promises*. Along with seeing the completion of some of his most successful work this period was a time of momentous change in Warren's life including his move to Yale University his marriage to his second wife Eleanor and the birth of his two children. As a chronicle of Warren's thoughts on his family his work his friends the state of literary studies and the culture at large these letters are invaluable. Unlike many writers Warren rarely drafted his correspondence with future readers and scholars in mind he typically saved his prepared statements about the human condition and the state of the world for his poetry fiction and social commentary. His letters offer a candid and personal glimpse of Warren's relationships as well as his personal views on literature politics and social trends. Their recipients include Ralph Ellison Allen Tate Saul Bellow Robert Lowell Eudora Welty and Louis Rubin as well as Warren's editors reviewers collaborators and other friends. Providing an unusually vivid and personal account of Warren's rich and fully realized life these missives are equally revealing of his thoughts on the state of contemporary American culture during this dynamic time in American history.

Robert Penn Warren's Modernist Spirituality Robert Steven Koppelman, 1995 Beginning with an overview of Warren's career as a Fugitive at Vanderbilt and then later as a formidable New Critic Koppelman argues that Warren's regard for the spiritual aesthetic of both literary language and form can be traced to his early study of poetic metaphor. To illustrate Warren's mature vision Koppelman centers his study on two novels and two poetry collections *All the King's Men* *A Place to Come To* *Promises* *Poems* 1954 1956 and *Now and Then* *Poems* 1976 1978. He also examines the critical studies that concentrate on Warren's vision of time history and spiritual fulfillment as well as those essays by Warren that complement his poems and novels in such a way as to elicit the reader's participation in the redemption of their narrators.

Robert Penn Warren's All the King's Men Robert Penn Warren, 2000 Robert Penn Warren's 1946 Pulitzer Prize winning novel *All the King's Men* is one of the undisputed classics of American literature. Fifty years after the novel's publication Warren's characters still stand as powerful representations of the moral dilemmas faced by individuals in positions of power. *All the King's Men* had its genesis in Warren's stage play *Proud Flesh* unpublished in his lifetime. He also wrote a subsequent unpublished play titled *Willie Stark: His Rise and Fall* and a later dramatic version of the novel that shared the title *All the King's Men*. This volume is the first to collect all three dramatic texts and to publish *Proud Flesh* and *Willie Stark*. *Proud Flesh* is particularly fascinating for what it reveals about the development of *All the King's Men* and Warren's changing perceptions of its characters and themes. The other plays as post novel writings provide a forum for Warren to clarify his intentions in the novel. The editors' introduction to this collection reviews the composition history of the works and their relationship to the novel and to each other. The new perspectives on Warren's writing presented in *Robert Penn Warren's All the King's Men: Three Stage Versions* provide a glimpse into a creative mind struggling with a compelling story and offer readers another way of looking at this American classic. This book is an essential reference in Warren studies that will give students of *All the King's Men* another context.

from which to consider Warren's novel Selected Letters of Robert Penn Warren Robert Penn Warren, 2013-12-16 In the last decade of his life Robert Penn Warren remained a vibrant force in American literature producing new works of poetry and nonfiction while also dealing courageously with the gradual decline of his health and the diminishment of his poetic powers *Toward Sunset at a Great Height* 1980 1989 the sixth and final volume of the author's selected letters provides crucial documentation of this period containing Warren's correspondence with friends family fellow writers editors critics and the scholars studying his works Warren published several volumes of poetry including *Being Here* 1980 *Rumor Verified* 1981 and *Chief Joseph of the Nez Perce* 1983 and returned to nonfiction prose with *Jefferson Davis Gets His Citizenship Back* 1980 and the memoir *Portrait of a Father* 1988 His letters reveal that he tried to begin writing a novel but was unable to make substantial progress on it and that from 1985 on he became increasingly dissatisfied with his new poems Until his death at age eighty four however Warren maintained an active correspondence filled with news about his writings and travels accounts of the lives of his wife and children and a stoic attitude about his own physical decline as well as a solicitousness regarding the health of others such as his brother Thomas and sister Mary He communicated with rising young scholars and encouraged younger poets he admired *Toward Sunset at a Great Height* offers rich insights into the closing chapter of Robert Penn Warren's professional and personal life making it an essential resource for understanding the full scope of the author's contribution to American letters

Grimshaw, 2001 Grimshaw examines the writer's views about the primacy of self knowledge and explores the painful and arduous path his protagonists must follow to gain such knowledge and the interrelationship of his artistic endeavors which were woven together by common thematic concerns history time truth responsibility love hope and endurance

Selected Letters of Robert Penn Warren Robert Penn Warren, 2000-03-01 In America's twentieth century there is no man of letters more versatile distinguished and influential than the poet novelist editor critic social commentator and teacher Robert Penn Warren 1905 1989 The most intimate of Warren's letters his personal correspondence now join his published canon under William Bedford Clark's expert supervision Volume One *The Apprentice Years* forms a kind of epistolary coming of age novel taking Warren from the awkwardness of emerging genius during his fugitive student years at Vanderbilt to the brink of producing great work in a newly appointed post at Louisiana State University Warren's earliest correspondence limns a friendship in earnest with Allen Tate a crushing heartbreak and an attempted suicide Eventually the author regroups graduates with honors and entertains a bad boy phase at Berkeley and Yale As he studies at Oxford writes his first book and decides not to complete his doctorate Warren exhibits a deepening maturity and devotion to his literary craft expressing ever more complex ideas about poetry and fiction His nagging financial difficulties growing commitment to the Agrarian movement controversial essay for *I'll Take My Stand* marriage to Cinina Brescia and professional uncertainty as one of the first to combine writing with college teaching lead him into the 1930s when the bright prospect of tenure and an opportunity

to remake the Southwest Review arises Warren's letters all but one previously unpublished fascinate in their revelations such as the author's surprisingly tangled relationship with his parents his delicate health and the gossip about major literary figures including Tate John Crowe Ransom Donald Davidson and Laura Riding But beyond rich biographical detail they offer a veritable self portrait of the fledgling artist When a person writes a letter it is nearly as much one to himself as to the person who takes it from the postbox The self conscious precocious yet sensitive young Warren modulates to the sardonic irreverent aesthete wit Red and finally acquires a voice distinctively Warrenesque confident and sophisticated Thus the imaginative as well as literal aspects of these years in Warren's life are conveyed his writing persona and historical person always an intriguing comparison Highly accessible unfailingly interesting and scrupulously annotated *The Apprentice Years* will satisfy scholar and lay reader alike providing a unique window on what it means to profess the writer's calling in an era of rapid change When complete the selected letters of Robert Penn Warren will prove an indispensable addition to the author's literary oeuvre

Robert Penn Warren after Audubon Joseph R. Millichap, 2012-05-01 Despite nearly universal critical acclaim for Robert Penn Warren's later poetry much about this large body of work remains unexplored especially the psychological sources of these poems remarkable energy In this groundbreaking work Warren scholar Joseph R Millichap takes advantage of current research on developmental psychology gerontology and end of life studies to offer provocative new readings of Warren's later poems which he defines as those published after *Audubon A Vision* 1969 In these often intricate poems Millichap sees something like an autobiographical epic focused on the process of aging the inevitability of death and the possibility of transcendence Thus Warren's later poetry reviews an individual life seen whole contemplates mortality and dissolution and aspires to the literary sublime Millichap locates the beginning of Warren's late period in the extraordinary collection *Or Else Poems* 1968 1974 basing his contention on the book's complex indeed obsessive sequencing of new previously published and previously collected poems unified by themes of time memory age and death Millichap offers innovative readings of *Or Else* and Warren's five other late gatherings of poems *Can I See Arcturus* from *Where I Stand Poems* 1975 *Now and Then Poems* 1976 1978 winner of the Pulitzer Prize *Being Here Poetry* 1977 1980 *Rumor Verified Poems* 1979 1980 and *Altitudes and Extensions* 1980 1984 Among the autobiographical elements Millichap brings into his careful readings are Warren's loneliness in these later years especially after the deaths of family members and friends his alternating feelings of personal satisfaction and emptiness toward his literary achievements and his sense of the power and at times the impotence of memory Millichap's analysis explores how Warren often returned to images and themes of his earlier poems especially those involving youth and midlife with the new perspective given by advancing age and time's passage Millichap also relates Warren's work to that of other poets who have dealt profoundly with memory and age including Robert Frost T S Eliot Thomas Hardy and at times John Milton William Wordsworth and the whole English and American nineteenth century Romantic tradition An epilogue traces Warren's changing reputation as a poet from the

publication of his last volume in 1985 through his death in 1989 and the centennial of his birth in 2005 concluding persuasively that the finest of all of Warren's literary efforts can be found in his later poetry concerned as it is with the work of aging and the quest for transcendence *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Centuries Timo Müller,2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James s The Ambassadors to McCarthy s The Road These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification

A Disturbing and Alien Memory Douglas L. Mitchell,2008-12-01 In the late nineteenth century as the study of history shifted from the domain of letters into the social sciences novelists in the North and the West generally turned away from writing history Many southern novelists and poets however continued to undertake historical writing as an extension of their art form What made southern literary figures differ from their northern and western counterparts In A Disturbing and Alien Memory Douglas L Mitchell addresses this intriguing question by tracing a line of southern writers from the early nineteenth century to the mid twentieth finding that an obsessive need to defend the South and the oft noted rage to explain drove some creative writers to continue to make forays into history and biography in an effort to enter a more public sphere where they could more decisively influence interpretations of the past In the Romantic history of the nineteenth century Mitchell explains men of letters saw themselves as keepers of memory whose renderings of the past could help shape the future of the nation He explores the historical writing of William Gilmore Simms to trace the failure of Romantic nationalism in the growing split between North and South then turns to Thomas Nelson Page s effort to resurrect the South as a spiritual nation with a redeemed history after the Civil War Mitchell juxtaposes their work with that of William Wells Brown the pioneering African American historian and novelist who used the authority of history to write blacks into the American story Moving into the twentieth century Mitchell analyzes the historical component of the Southern Agrarian project focusing on the tension between modernist aesthetics and polemical aims in Allen Tate s Civil War biographies He then traces a path toward a viable historical vision Robert Penn Warren s recovery of a tragic understanding and the creation of a compelling historical art in the work of Shelby Foote Throughout Mitchell examines the peculiar dilemma of southern

writers the changing nature of history and its relation to the realm of letters and the question of public authority shedding light on several neglected texts in the process including Simms's *The Sack and Destruction of Columbia* S C Brown's *The Negro in the American Rebellion* Tate's *Jefferson Davis* and Warren's *John Brown* Offering a new perspective on a perennial debate in southern letters *A Disturbing and Alien Memory* provides a critical framework for a neglected genre in the southern literary canon
