Armstrong,2017-07-09 THE REAL AMITYVILLE HORROR The True Story Behind The Brutal DeFeo Murders Settled in an affluent neighborhood in Long Island New York is the one of the most infamous houses in all of America or perhaps the world The house with the iconic double windows white siding and chimney at 112 Ocean Avenue is the home to the one of the most horrific family massacres in history as well as an infamous haunting hoax The haunting of the Amityville house is much more prominently known than the murders that took place in the same house The Amityville or DeFeo family murders committed by Ronald Butch DeFeo Jr have gone down in both true crime and pop culture history The book and the subsequent horror film series about the case continue to fascinate and fear audiences years later Both cases are clouded in unreliable testimony profiteering admitted fabrication and greed This is the real story of what happened at Amityville and the events leading up to this horrific crime The Real Amityville Horror Jacquetta Mullis,2021-06-22 We ve all heard of the Amityville house mostly because Ryan Reynolds starred in the 2005 remake of The Amityville Horror Just the mention of the phrase Amityville Horror is sure to send chills down any horror fan s back the house inspiration for a book about its demonic haunting and a variety of slasher films has become famous in its own right But did you know the series of horror films are based on alleged real life events that happened in an actual house that still exists in 2018 And the IRL details are just as freaky as the Hollywood versions which like never happens Everything on the Amityville case is right here for you Now it is up to you to decide what you believe There is an evil an evil so real that it seeps into the very core of one s being somewhere between this world and the next Sometimes what lays between the realms of reality and fantasy lies darkness waiting to seep into our world grabbing hold and plunging us into the bitter brink of hell itself the darkness of which there is no escape Could one household such an evil presence that it could cause a man to murder his whole family in their beds as they sleep An unseen force that speaks out within the darkness of the early morning hours We have all seen the movies or read the many books on the house that once held the address of 112 Ocean Avenue a house that has been nicknamed the horror house but until now the truth has never been told and the true crime photos and court documents have never been released to the public Was it real or a hoax *Mentally Ill in Amityville* Will Savive,2012-07-02 On November 13 1974 the quiet village of Amityville was rocked by the murders of six members of the DeFeo family at 112 Ocean Ave The only surviving member of this tragic ordeal was Ronald DeFeo Jr who was later charged and convicted to six life sentences Thirteen months later the Lutz family moved into the lavish Dutch Colonial home but moved out mysteriously

after just 28 days claiming that the house was haunted Then came a media frenzy and with the release of Jay Anson s runaway best selling book The Amityville Horror which was later transformed into a blockbuster movie the story became an international phenomenon Mentally Ill in Amityville MIA is the true story of the events as they occurred with exclusive interviews and official documents of these dramatic events MIA is a must read for anyone who wants to know the complete story behind the most famous haunted house in the world MIA the 2nd Edition includes new insight new details and new interviews This book is the most in depth factual account of the story that has remained an international phenomenon
