The Analyzed Bible, Volume 1 G. Campbell Morgan, 2018-05-23 In every direction people are turning anew to the study of the Bible There are many ways of prosecuting that study I am not proposing to enter into any discussion concerning the relative values of these different methods In these volumes I am adopting one which is most consistently expressed as being the first and consists in an endeavor to discover the content and message of the Divine Library From the Introduction The Analyzed Bible George Campbell Morgan, 1911 The Analyzed Bible G. Campbell Morgan, 2016-05-31 IN every direction people are turning anew to the study of the Bible There are many ways of prosecuting that study I am not proposing to enter into any discussion concerning the relative values of these different methods In these volumes I am adopting one which is most consistently expressed as being the first and consists in an endeavour to discover the content and message of the Divine Library This whole method has different processes from the telescopic to the microscopic The telescopic is that of taking in large areas at one view in order to see the relation of part to part and system to system The microscopic is that of the minute and careful examination of the smallest parts the study of words and all that goes to make for detailed accuracy Between the two extremes there are many grades All are in turn valuable and all may be pursued by the Bible student concurrently The first and fundamental is the telescopic It is of the utmost importance in the study of any book in the Divine Library to gain primarily a broad and general idea of the scope and main structure thereof Until this is done the other methods are not safe and very much false exposition of individual texts and of separate sections is due to the fact that their setting in the whole scheme is not understood In other words texts should never be studied save in relation to their context In the first three volumes of the Analyzed Bible the Old and the New Testament are to be passed in general review The method is to be followed in its simplest process The subsequent volumes will deal with the books of the Bible more fully but always in broad outline The microscopic method is never reached For that there are almost innumerable volumes by expert expositors The present series is not intended to take the place of such but to serve as an introduction to their use As the method can hardly be revealed in the volumes themselves a brief word as to how these results have been reached may be in place It has been first that of repeated reading of the books sometimes as many as fifty times sometimes of course less until the general sweep is felt This has been followed by tabulation and correction by more careful reading The issue is an Analysis or Table of Contents I do not claim finality for any of these analyses I simply give the results of my first line of Bible study during the past twenty years In the microscopic method some of these analyses have been altered and more exhaustive study might necessitate still further alterations No student of the Bible can deal with all its books satisfactorily to himself in a lifetime The treasures are unsearchable and those who have spent most time and toil in the fascinating work are most conscious of the vast reaches that stretch away beyond them luring them on to closer examination and profounder investigation So much concerning the writer and his methods Now a word with my readers as to purpose and method *The Analyzed Bible*

George Campbell Morgan,1907 **The Analyzed Bible ...** George Campbell Morgan,1907 *The Analyzed Bible. the Book of Genesis* G. Campbell Morgan,2017-07-28 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *The Analyzed Bible, Vol. 1* George Campbell Morgan,2016-08-31 Excerpt from The Analyzed Bible Vol 1 Genesis to Esther So much concerning the writer and his methods Now a word with my readers as to purpose and method AS to the first I am profoundly convinced that one of the gravest perils of this hour of increased interest is that of a merely carnal desire for the technical knowledge of the con tent of Scripture Unless those who devote themselves to the study of the Word zealously and ceaselessly watch and pray the very deo light of discovering the system will become a paramount motive and wherever this is so it results in disastrous failure and an actual peril to Spiritual life In these volumes I need hardly say the Bible is to be treated as Divine It is a volume of the Oracles of God About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Analyzed Bible, Vol. 9** George Campbell Morgan,2017-05-19 Excerpt from The Analyzed Bible Vol 9 The Book of GenesisHE Preface to this Volume is found in the Chapter on Genesis in Volume I Of The Analyzed Bible Herein we proceed at once to the more detailed analysis of what is set forth in bare outline therein 5 About the PublisherForgotten Books publishes hundreds of thousands of rare and classic

Adopting the Tune of Phrase: An Psychological Symphony within **The Analyzed Bible Genesis**

In a world eaten by monitors and the ceaseless chatter of quick transmission, the melodic beauty and mental symphony produced by the written word frequently disappear into the backdrop, eclipsed by the relentless noise and interruptions that permeate our lives. However, located within the pages of **The Analyzed Bible Genesis** a marvelous fictional treasure filled with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that interesting masterpiece conducts visitors on a mental journey, skillfully unraveling the hidden melodies and profound impact resonating within each cautiously constructed phrase. Within the depths of this touching evaluation, we shall explore the book is key harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
