

# The Anatomy of a Poem

## INVICTUS

← Title of poem

Out of the night that covers me,  
Black as the Pit from pole to pole,  
I thank whatever gods may be  
For my unconquerable soul.

← Verse (a single line of poetry)

In the fell clutch of circumstance  
I have not winced nor cried aloud  
Under the bludgeonings of chance  
My head is bloody, but unbowed.

← Stanza (a "paragraph" of poetry)

Beyond this place of wrath and tears  
Looms but the Horror of the shade,  
And yet the menace of the years  
Finds and shall find me unafraid.

It matters not how strait the gate,  
How charged with punishments the scroll,  
I am the master of my fate:  
I am the captain of my soul.

—William Ernest Henley
