The Ancient Self Healing Art Of Chi Gong:

The Healing Art of Qi Gong Master Hong Liu, Paul Perry, 2008-12-21 Dr Liu describes how he risked his life under the Communist regime in China to study Qi Gong and meet secretly with a master who lived in a mountain cave above Shanghai. If there is one concept that comes up in all forms of Chinese medicine it is that of Qi or vital energy. Qi is the very backbone of the Chinese healing arts. It refers to the energy of the universe that is channeled from nature and runs through all of us. To have Qi is to be alive while to have none is to be dead. Qi Gong relies on the manipulation of this vital energy and Qi Gong masters can see this energy. This book explores the basics of Qi Gong to create a guide for greater health the Chinese way.

The Healing Promise of Qi: Creating Extraordinary Wellness Through Qigong and Tai Chi Roger Jahnke, 2002-03-22 An internationally respected doctor of Chinese medicine and author of the bestselling *The Healer Within* clearly and simply explains the concepts of qigong. 125 illustrations. *Qi Gong for Total Wellness* Baolin Wu, Jessica Eckstein, 2013-10-29 Qi Gong for Total Wellness is a clear illustrated guide to Qi Gong the ancient self healing art that combines movement meditation and visualization to boost energy and improve health. Author Baolin Wu specializes in Nine Palaces Solar Qi Gong which works with the energy of the sun and trains practitioners to expel toxins and intake healthy qi through the nine openings palaces of the body. This introduction to the concepts of Qi Gong and contains exercises and methods pertaining to each part of the body with clear instructions how to accurately apply the methods of Solar Qi Gong to increase physical and mental health using this ancient art. *The Way of Qigong* Kenneth S. Cohen, 2018-12-04 Qigong is an integrated mind body healing method that has been practiced with remarkable results in China for thousands of years. The Chinese have long treasured qigong for its effectiveness both in healing and in preventing disease and more recently they have used it in conjunction with modern medicine to cure cancer immune system disorders and other life threatening conditions. Now in this fascinating comprehensive volume renowned qigong master and China scholar Kenneth S Cohen explains how you too can integrate qigong into your life and harness the healing power that will help your mind and body achieve the harmony of true health. **Secrets of Self-Healing** Maoshing Ni, 2008 East meets West in this extraordinary guide to natural healing by a prominent doctor of Chinese medicine and the author of *Secrets of Longevity*. Dr Mao's philosophy is simple. We all have a built in healing ability so why not try to activate it with natural means before we resort to drugs and invasive procedures. For the common cold why not exploit the power of garlic ginger and the herb astragalus instead of taking cold medicine that simply replaces symptoms with side effects. For insomnia why not try to find a long term solution through acupuncture or feng shui instead of popping sleeping pills which don't treat the source of the problem. Chinese medicine sees well being as a result of a balanced life not just a healthy body. In Part One of *Secrets of Self Healing* Dr Mao explains that healing food and herbs exercise a positive emotional life a suitable living environment and spiritual growth are all essential to vitality and lasting health. Using examples of his own patients experiences he demonstrates How

negative emotions can make us ill How clutter in our homes can create imbalances in our bodies How Eastern and Western medicine can work together to fight cancer Then in Part Two he reveals detailed home remedies for seventy common ailments such as sore throat allergies high blood pressure sunburn insomnia memory loss and jet lag Inspirational yet practical *Secrets of Self Healing* will put readers on the path to a balanced and healthy life
