Angels on Command Larry Keefauver, 2004 The battle rages all around you with attacks from without and within The angelic armies of the Lord stand ready to march What must you do next Do you know the standing orders Behold, the Angels Came and Served Him' Kristian A. Bendoraitis, 2015-11-19 Angels have been analyzed in Christological research due to their primary function as messengers and mediators between heaven and earth Their role in the Gospel narratives however has been largely unexplored Utilizing the Old Testament and sources from the Second Temple period to illustrate the variety of angel traditions Bendoraitis identifies how these traditions are reflected in Matthew's Gospel and interprets the passages in which angels appear or are represented resulting in a detailed exegesis of those passages which specifically mention angels Each reference is critically analyzed in view of its role in the Gospel's narrative and in light of Matthew's redactional hand In addition each chapter is accompanied by a discussion of relevant traditions of angels in order to illustrate how Matthew's use of angels has facilitated his Gospel's message The examination concludes by postulating three factors in the inclusion of angel traditions in Matthew's narrative pertaining both to Matthew's Christology and worldview *The Angel Came* Ophelia Griggs, 2019-12-17 The revealing events in the book are compelling and intriguing They are powerful intense and realistically experienced The author shares her personal experiences about two beloved family members who cannot tell their story about surrendering to dying It is no secret that losing loved ones to death can be agonizing and challenging but the death described in the book made an entrance in a beautiful manner Death revealed moments of no defeat yet demanded attention from the author to grasp different perspectives about each beloved one The captivating occurrences of how each beloved one expired are unique revelations that will ignite discussions The author shares how she came to forgive the young man who murdered her brother and how the spiritual insight from God opened that door to forgiveness The shared supernatural encounters that started during the author's childhood are regarded as hidden treasures beyond human knowledge Some of those encounters were not of the Great Divine but because of curiosity the author got on a path leading to demonic practices unaware The dreams in the book are phenomenal and another discussion piece for those

who desires the interpretation of dreams The hereafter is described dramatically and in the book points evidently to there being a life afar from the earthly realm The childhood memories are remarkably described with love and no regrets Those memories echo experiences and an environment that shaped the author s world The strong belief system and faith in God is the pillar that gets the author through those life challenges and devastating situations pertaining to her beloved ones and the medical issues leaving her non childbearing The experiences with fibroids and how they formed in the uterus from a natural and spiritual side leave pondering thoughts The fact of never having children is accepted by the author *Angelic! - The Angels of God* Catherine Brown,2025-01-24 Everyone is talking about angels But what are they saying This book is packed with Scripture based teaching drawn from almost 30 years in ministry personal testimony and wisdom concerning the angels of God we read about in the Bible the cherubim the seraphim archangels the four living creatures the twenty four elders and the fallen angels Brown takes the reader in an easy to understand whistle stop tour through the Scriptures from Genesis to Revelation showing what angels do and also what they do not do Within the context of angels Brown teaches about Theophany Christophany and the identity of the Angel of the Lord Important questions are also addressed such as What is an angel Who created angels What do angels do And how do they interact with human beings Don t miss your opportunity to glean from this little gem of a book **Lost Angel** Kyle West,2020-01-20 When Makara Angel winds up in post apocalyptic L A she was looking for a home not trouble Now Makara finds herself in the middle of a gang war fighting for survival in L A s decaying streets Even after she falls in with the Lost Angels and their charismatic leader safety is no guarantee The Black Reapers are ramping up their aggression against the Angels and Makara finds herself in the crossfire It s a battle to the death and whatever gang survives will rule the ruins of the City of Angels Can Makara carve out a new life here or will the Reapers snuff out her second chance for good **DISCOVERING GENESIS ANSWERS** Edward D. personal Noah's Ark for the individual and the family at such a time as this. This secret place of the Most High and Noah's Ark is never a place or a structure. It is Jesus Christ who has established us inside a kingdom that cannot be shaken and who has all things under His perfect control working all things after the counsel of His own will. How can every appointment with death including COVID 19 and other future pandemics be annulled? Tayo Emmanuel offers us answers from the revelation of God's Word that all enemies have been placed under Jesus's feet including death, the last enemy. And the last days church of Jesus Christ, the many membered body of Christ, are the feet of Jesus Christ that will take Jesus, the head of the body of Christ, to every nation of the world to usher in the end of the old and the beginning of the new. But now we see yet not all things put under him clearly shows that the Lord Jesus Christ through the power of His Holy Spirit is at work at this moment in history.

Jesus and the Angels Peter R. Carrell, 1997-07-10. This book first published in 1997 examines the influence of angelology on the christology of the Apocalypse of John. In the Apocalypse Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE. Dr Carrell asks what significance this has for the christology of the Apocalypse. He concludes that by portraying Jesus in such a way that he has the form and function of an angel and yet is also divine, the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible glorious form to his Church. *The Christian's daily companion* Christian, 1841. **The Living Church**, 1962. **Atonement and the Logic of Resurrection in the Epistle to the Hebrews** David M. Moffitt, 2011-07-27.

Hebrews appears to have little interest in Jesus' resurrection. Drawing on contemporary studies of Jewish sacrifice, Jewish apocalyptic literature and fresh exegetical insights, this volume argues that Jesus' resurrection forms the conceptual center of Hebrews' Christological and soteriological reflection. **The topos of Divine Testimony in Luke-Acts** James R. McConnell Jr., 2014-07-21. In this study James McConnell addresses the concept of authoritative testimony in Luke Acts. Specifically, he argues that particular elements in the narrative of Luke Acts can be understood as instances of the topos of divine testimony through utterances and deeds considered in some ancient rhetorical handbooks to be the most authoritative form of testimony when seeking to persuade an audience. McConnell claims the gods' testimony was used in ancient law courts and political speeches to persuade a judge of a defendant's guilt or innocence and in attempts in public forums to convince others of a particular course of action. Similarly, the topos is used in ancient narratives and biographies to legitimate certain characters and discredit others. The instances of the topos of God's speech, both oral and through OT citations and deeds in Luke Acts, are functioning in the same way. *The Ancient Tradition of Angels* Normandi Ellis, 2023-03-07. An in-depth study into the mystery and purpose of angels. Explains that angels are beings of light consciousness here to help our individual and planetary cosmic evolution. Explores angels from Judeo-Christian and Islamic faiths, Hinduism and Buddhism, the beliefs of ancient Egypt, Yezidism and Zoroastrianism, as well as what Theosophists, Kabbalists, Sufi masters, Eastern gurus and modern mystics like Edgar Cayce have recounted about angels. Knowing the Facts about Angels John Ankerberg,John Weldon,2012-08-07 Angels make one of the most intriguing subjects one could study According to the Bible angels have helped to shape the course of human history continue to do so today Consider the fallen angel in the Garden of Eden who slyly engineered the moral fall of the entire human race Genesis 3 There have been thousands of angelic encounters throughout history good evil in the lives of ordinary and famous individuals The word angel appears some 300 times in 24 books of the Bible not including the synonyms used for angels As people are searching for answers meaning to life angels are thought to play a vital role in providing those answers This book gives important information on how to tell the difference between the good and the bad angels

The Words Bediuzzaman Said Nursi, *The Words* is the first volume of the Risale i Nur and consists of thirty three independent parts or Words which explain and prove aspects of the fundamental matters of belief These consist of such matters as God s existence and unity the manifestation of the Divine Names and attributes in creation the resurrection of the dead and the hereafter prophethood the

miraculousness of the Qur'an the angels the immortality of man's spirit Divine Determining fate or destiny together with such questions as the true nature of man and the universe and man's need to worship God Each subject is explained with comparisons and allegories and demonstrated with reasoned arguments and logical proofs The most profound aspects of the truths of belief which were formerly studied only by advanced scholars are explained in such a way that everyone even those to whom the subject is new may understand without difficulty This work answers brilliantly the attacks made on the Qur'an in the name of science and philosophy and demonstrates the rationality of belief in God and logical absurdity of denial It shows too that man's happiness and salvation both in this world and the next lie only in belief in God and knowledge of God
