The Angels Cup:

The Angel's Cup Patricia Little, 2000-05-12 During her tour of Hearst Castle the last thing Maggy Lane expects to see is an angel Practical and level headed Maggy is dumbfounded when the luminous creature speaks to her and even more shocked when her companion charming and enigmatic Harry Logan sees nothing Then Maggy learns that her grandmother's diary is somehow connected to the angel's appearance and to strange events that occurred at the castle sixty years ago A mysterious death A stolen art treasure Events that reverberate in the present and lead to more unanswered questions What is the Angel's Cup Does it really exist As the former curator of the castle museum Harry's interest is natural Or is it What does he really know Soon they are working together to solve the mystery and Maggy's growing attraction toward him is undeniable Will it lead her to a love that might conquer time itself or cost Maggy her life Set amidst the luxury of Hearst Castle past and present this is a story of love brought to life in the pages of an old diary a great talent who died too soon and a little glimpse of Heaven where an angel is nobody in particular

The Angel's Key Patricia Little, 2005 It should have been a fatal accident Amanda Poole believes her life is almost perfect She loves her job as curator of Pittock Mansion and Leland Worth has just asked her to marry him Then she inexplicably vanishes out of her car an instant before it crashes She is shaken but untouched except for certain strange and unwanted abilities that she now possesses And the fear that someone or something wants her dead He should have died in 1934 Michael Northwood plunges into the Willamette River his last memories of horrifying screams aboard the luxury liner Morro Castle as it floundered ablaze in a raging sea off the New York coastline over seventy years ago His one thought is to find his wife who sailed with him on the doomed ship An ancient stone may hold the key The threads that bind these two impossible events will stretch back to Amanda's troubled childhood to Michael's idyllic marriage and to lost legends of angels and demons As their nightmares become real as every belief is tested they find that all paths lead to the Angel's Key Will they learn its secret in time [A Message for Humanity](#) K.
