The Annexation Of Assam 1824-1854:

The Annexation of Assam, (1824-1854) Rebati Mohan Lahiri, 1954 *Documents on North-East India: Assam (1664-1935)* Suresh K. Sharma, 2021 **Aspects of Revenue Administration in Assam, 1826-1874** Shrutidev Goswami, 1987 **Nationalist Upsurge in Assam**, 2000 Contributed articles focussing on the role of Assam in the Indian freedom movement from 1857-1947 **A History of Intoxication** Kawal Deep Kour, 2019-08-28 This volume unearths the emerging pattern of consumption of opium in colonial Assam and the creation of drug dependency in a social context. It analyses the competing forces of the empire which played a key role in the production and distribution of opium, national politics alongside international drug diplomacy and how these together shaped the discourse of opium in Assam, the wider implications of opium production and consumption in the agrarian economy and the narrative of the nationalist critique of intoxication. Please note: Taylor Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka. **The Troubled Border** Bhubaneswar Bhattacharyya, 1995 Assam boundary disputes with other Northeastern states of India *Britain and Tibet 1765-1947* Julie Marshall, 2004-11-23 This bibliography is a record of British relations with Tibet in the period from 1765 to 1947. It also provides background information to Tibet's claims to independence, an issue of current importance. The work is divided into a number of sections and subsections based on chronology, geography and events. The introductions to each of the sections provide a condensed and informative history of the period and place the books and articles in their historical context. This work is both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history. **India's Indigenous Immigrants** Subir, We have grown up in a country where we were taught a distorted history and some essential segments of our yesteryear have been obscured. Consequently, we were wronged and we wronged others unwittingly. Knowing our factual past is therefore vital to understanding the aberrations that make our present problematic. This book attempts to sensitise people on some crucial chapters of India which have either been misrepresented or blurred. The Indian state of Assam has been distressed by several historical deceptions for over a century now which have remained unaddressed. Thus, despite being one of the most fascinating territories inhabited by incredibly charming people, Assam is often in the national and international news mostly for the wrong reasons. A case in point is a 1983 American magazine editorial in *The New Republic* that reportedly wrote inter alia: 'There are places the Indian state of Assam is one where the slaughter of children is a form of political expression. The caustic comment was made in an apparent reference to the 1983 broad daylight Nellie massacre, killing countless newborns, toddlers, babies, infirm females, aged people and others indiscriminately in six hours of mayhem in the village on 18th February 1983. Dissemination of factual awareness about the disinformation spread earlier by British colonial rulers concerning the history of eastern India is therefore essential to end the present conflicts between the various communities and tribes of the region. With meticulous research backed by

years of personal experience septuagenarian author Subir wrote this book aiming to permeate ordinary peoples much needed understanding of past realities and the prevalent circumstances that should help usher in peace and prosperity promptly in Assam Tribes and Castes of Manipur Sipra Sen,1992-01-01 A Thirst for Empire Erika Rappaport,2019-03-05 Tea has been one of the most popular commodities in the world Over centuries profits from its growth and sales funded wars and fueled colonization and its cultivation brought about massive changes in land use labor systems market practices and social hierarchies the effects of which are with us even today A Thirst for Empire takes a vast and in depth historical look at how men and women through the tea industry in Europe Asia North America and Africa transformed global tastes and habits and in the process created our modern consumer society As Erika Rappaport shows between the seventeenth and twentieth centuries the boundaries of the tea industry and the British Empire overlapped but were never identical and she highlights the economic political and cultural forces that enabled the British Empire to dominate but never entirely control the worldwide production trade and consumption of tea Rappaport delves into how Europeans adopted appropriated and altered Chinese tea culture to build a widespread demand for tea in Britain and other global markets and a plantation based economy in South Asia and Africa Tea was among the earliest colonial industries in which merchants planters promoters and retailers used imperial resources to pay for global advertising and political lobbying The commercial model that tea inspired still exists and is vital for understanding how politics and publicity influence the international economy Jacket **Industrial Landscape of North-East India** Basanta Kumar Sarma,1993 Study with reference to Assam *Political Life in Assam During the Nineteenth Century* Bijay Bhushan Hazarika,1987 The work gives a must penetrating analysis of Assam in 19th Century or the frontier states of North East India scientifically and systematically with considerably updated historical interpretations A good storehouse of historical sources to future researchers Contents Foreword Preface Acknowledgements Abbreviations Geopolitical Conditions and Historical Antecedents Politics of the Ahom Raj The Treaty of Yandaboo and Coming of the English Company Raj and its Annexation Popular Uprisings Till 1857 Eighteen Fifty Seven and Assam Popular Movements in the Plains and in the Hills Growth of Nationalism Conclusion Glossary Bibliography Index The Title Political Life In Assam During the Nineteenth Century written authored edited by B B Hazarika published in the year 2006 The ISBN 9788121200691 is assigned to the Hardcover version of this title This book has total of pp 565 Pages The publisher of this title is Gyan Publishing House This Book is in English The subject of this book is History Archaeology North East Indian Studies Political Scienc *Great Game East* Bertil Lintner,2015-01-01 Since the 1950s China and India have been locked in a monumental battle for geopolitical supremacy Chinese interest in the ethnic insurgencies in northeastern India the still unresolved issue of the McMahon Line the border established by the British imperial government and competition for strategic access to the Indian Ocean have given rise to tense gamesmanship political intrigue and rivalry between the two Asian giants FormerFar Eastern Economic Review correspondent Bertil Lintner has drawn from his extensive personal
