The Armour of Light ANTHONY MWANGI, In an age where darkness wages war against the children of light The Armour of Light unveils the hidden mystery of divine warfare and the eternal purpose of God's saints More than a study on protection this book is a prophetic masterpiece that reveals how the armour of God is not merely symbolic but the very clothing of Zion forged in fire sealed by blood and resting in the Sabbath Spirit Drawing from the 7 Dimensional Word of God and the eternal

courtroom of heaven this book uncovers The divine blueprint of the full armour as Christ Himself clothed in light and truth The secret connection between Sabbath rest and spiritual warfare victory How the armour positions man as witness warrior and son in the heavenly council The replacement of fallen thrones dominions and powers with the righteous remnant Prophetic revelations of the blood Spirit and Word in the last battle of Zion This is not just a teaching it is a summons to the remnant Every page calls the reader into the fire of transformation where weapons are not carnal but forged in the Spirit Here light swallows darkness judgment flows as a river and the Bride is prepared for her King The Armour of Light is a book written in fire a declaration to the nations and a prophetic manual for those rising as witnesses in the final conflict of the ages
