## **The Arrow Next Time Israel's Missile Defense Program For The 1990s Policy Papers No 28:**

*The Arrow Next Time?* Marvin C. Feuerwerker, 1991      **The Gulf War of 1991 Reconsidered** Andrew J. Bacevich, Efraim Inbar, 2013-10-31 The Gulf War of 1991 Reconsidered subjects one of the formative events of the post Cold War era and a watershed in Middle Eastern international politics to a comprehensive reassessment. Considering events from Arab, Israeli and American viewpoints, the book examines the Gulf War's historical origins, conduct and legacy.      United States-Israeli Relations Adam Powers, 2002 United States-Israeli Relations      **A Military Assessment of the Middle East, 1991-96** Edward B. Atkeson, 1992      Israel Edgar S. Marshall, 2002 There has probably never been a country in the history of the world like Israel, the homeland for Jews from all around the world, a visceral enemy of Arab countries, called a client state of the United States, a developed country in its own right by its own hands. Israel has seen many events since its founding in 1948, but peace it has not found. The book examines current issues swirling about Israel as well as presents the historical background necessary for grasping its place in the world today.      **U.S. Foreign Relations with the Middle East and North Africa** Sanford R. Silverburg, Bernard Reich, 1994-05 An extensive collection of published material in different print formats: microform, essays, monographs and articles, as well as graduate school efforts in western languages up through the end of 1992 and into 1993. Extensive coverage is provided for the Persian Gulf War. Citations are organized by selected index terms with an accompanying author index. Will no doubt earn its keep in research libraries dealing with World and Middle Eastern affairs. REFERENCE REVIEWS      **Critical Mass** William E. Burrows, Robert Windrem, 1994 Third World superweapon proliferation is more frightening than the cold war arms race. This new arms race is a genocidal contest fueled by hatred and meant to settle old racial, ethnic and religious scores.      *THE ISRAEL LOBBY AND U. S. FOREIGN POLICY* N. Nourizadeh, 2014-02-13 This book is about politics and the close relation between Israel and US foreign policy.      *The Israel Lobby and U.S. Foreign Policy* John J. Mearsheimer, Stephen M. Walt, 2007-09-04 Originally published in 2007, *The Israel Lobby and U.S. Foreign Policy* by John Mearsheimer of the University of Chicago and Stephen M. Walt of Harvard's John F. Kennedy School of Government provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America: the impact of the Israel lobby on U.S. foreign policy. A work of major importance, it remains as relevant today as it was in the immediate aftermath of the Israel-Lebanon war of 2006. Mearsheimer and Walt describe in clear and bold terms the remarkable level of material and diplomatic support that the United States provides to Israel and argue that this support cannot be fully explained on either strategic or moral grounds. This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U.S. foreign policy in a pro-Israel direction. They provocatively contend that the lobby has a far-reaching impact on America's posture throughout the Middle East, in Iraq, Iran, Lebanon, and toward the Israeli-Palestinian conflict, and the policies it has encouraged are in neither America's national interest nor Israel's long-term interest. The lobby's influence also affects America's relationship with

important allies and increases dangers that all states face from global jihadist terror The publication of *The Israel Lobby and U S Foreign Policy* led to a sea change in how the U S Israel relationship was discussed and continues to be one of the most talked about books in foreign policy *Middle East Report* ,1992 **Suche nach Sicherheit** Pedi D. Lehmann,2013-07-29 Das Buch behandelt den Positionswandel in der israelischen Außen- und Sicherheitspolitik im Rahmen des Friedensprozesses im Nahen Osten Es untersucht die Faktoren die zum Wandel in der israelischen Position bis zu den entscheidenden israelisch palästinensischen Geheimverhandlungen von Oslo im Jahr 1993 geführt haben und jene die Fortschritten in den Verhandlungen mit den arabischen Konfliktbeteiligten im Wege standen U.S. Defense Policy toward Israel Daniel J. Samet,2025-04-16 This book examines U S defense policy toward Israel during the Cold War emphasizing arms sales intelligence sharing and other security cooperation It argues that strategic interests drove American policy with other considerations such as domestic politics and shared liberal values mattering far less It begins with the presidency of John F Kennedy and ends with the presidency of George H W Bush with a particular focus on government officials presidents secretaries of state secretaries of defense national security advisors other administration officials and senators and Congressmen The book explores the primacy of security as American officials feared nuclear proliferation regional war and a cut off of oil supplies All the while tensions and often bitter disagreements in the U S Israel relationship abounded over what to do about threats in the Middle East This volume will be of interest to those studying American relations with the rest of the Middle East and U S security partnerships around the world *International Journal of Middle East Studies* ,1992 **Chitty's Law Journal and Family Law Review** ,1988 1992, *Journal of International Law* **Brandherd Irak** Bernd W. Kubbig,2003 **India's Policy Problems: Defence, security, and social development** V. A. Pai Panandiker,1996 **The New York Times Index** ,2009 *The Middle East, Abstracts and Index* ,1997 *Congressional Record* United States. Congress,1989
