Reclaiming Queer Erin J. Rand,2014-05-19 The activist reclamation of the word queer is one marker of this shift in ideology and practice and it was mirrored in academic circles by the concurrent emergence of the new field of queer theory. That is as queer activists were mobilizing in the streets queer theorists were producing a similar foment in the halls and publications of academia questioning regulatory categories of gender and sexuality and attempting to illuminate the heteronormative foundations of Western thought Notably the narrative of queer theory s development often describes it as arising from or being inspired by queer activism In Reclaiming Queer Erin J Rand examines both queer activist and academic practices during this period taking as her primary object the rhetorical linkage of queer theory in the academy with street level queer activism
