Wertkin, 2004-08-02 For a full list of entries contributors and more visit the Encyclopedia of American Folk Art web site This is the first comprehensive scholarly study of a most fascinating aspect of American history and culture Generously illustrated with both black and white and full color photos this A Z encyclopedia covers every aspect of American folk art encompassing not only painting but also sculpture basketry ceramics quilts furniture toys beadwork and more including both famous and lesser known genres Containing more than 600 articles this unique reference considers individual artists schools artistic ethnic and religious traditions and heroes who have inspired folk art An incomparable resource for general readers students and specialists it will become essential for anyone researching American art culture and social history **Medieval Art, Modern Politics** Brigitte Buettner, William J Diebold, 2024-12-02 *Medieval Art Modern Politics* is an innovative volume of twelve essays by international scholars prefaced by a comprehensive introduction It examines the political uses and misuses of medieval images objects and the built environment from the 16th to the 20th century In case studies ranging from Russia to the US and from catacombs mosques cathedrals and feudal castles to museums and textbooks it demonstrates how the artistic and built legacy has been appropriated in post medieval times to legitimize varied political agendas whether royalist

imperial fascist or colonial Entities as diverse as the Roman papacy the Catholic Church local arts organizations private owners of medieval fortresses or organizers of exhibitions and publishers are examined for the multiple ways they co opt medieval works of art Medieval Art Modern Politics enlarges the history of revivalism and of medievalism by giving it a uniquely political twist demonstrating the unavoidable but often ignored intersection of art history knowledge and power

Sacred Art Henry Glassie, Pravina Shukla, 2017-11-20 Sacred art flourishes today in northeastern Brazil where European and African religious traditions have intersected for centuries Professional artists create images of both the Catholic saints and the African gods of Candomblé to meet the needs of a vast market of believers and art collectors Over the past decade Henry Glassie and Pravina Shukla conducted intense research in the states of Bahia and Pernambuco interviewing the artists at length photographing their processes and products attending Catholic and Candomblé services and finally creating a comprehensive book governed by a deep understanding of the artists themselves Beginning with Edival Rosas who carves monumental baroque statues for churches and ending with Francisco Santos who paints images of the gods for Candomblé terreiros the book displays the diversity of Brazilian artistic techniques and religious interpretations Glassie and Shukla enhance their findings with comparisons from art and religion in the United States Nigeria Portugal Turkey India Bangladesh and Japan and gesture toward an encompassing theology of power and beauty that brings unity into the spiritual art of the world

The Annotated Mona Lisa Carol Strickland, John Boswell, 2007-10 Like music art is a universal language Although looking at works of art is a pleasurable enough experience to appreciate them fully requires certain skills and knowledge Carol Strickland from the introduction to *The Annotated Mona Lisa A Crash Course in Art History from Prehistoric to Post Modern* This heavily illustrated crash course in art history is revised and updated This second edition of Carol Strickland's *The Annotated Mona Lisa A Crash Course in Art History from Prehistoric to Post Modern* offers an illustrated tutorial of prehistoric to post modern art from cave paintings to video art installations to digital and Internet media Featuring succinct page length essays instructive sidebars and more than 300 photographs *The Annotated Mona Lisa A Crash Course in Art History from Prehistoric to Post Modern* takes art history out of the realm of dreary textbooks demystifies jargon and theory and makes art accessible even at a cursory reading From Stonehenge to the Guggenheim and from Holbein to Warhol more than 25 000 years of art is distilled into five sections covering a little more than 200 pages

The Spectator, 1897 **New York**, 2009-10 **American Workman** Maxwell King, Louise Lippincott, 2022-04-12 *American Workman* presents a comprehensive novel reassessment of the life and work of one of America's most influential self taught artists John Kane With a full account of Kane's life as a working man including his time as a steelworker coal miner street paver and commercial painter in and around Pittsburgh in the early twentieth century the authors explore how these occupations shaped his development as an artist and his breakthrough success in the modern art world A rough and tumble blue collar man prone to brawling and drinking Kane also sought out beauty in the industrial world he inhabited This

Kane paradox brawny and tough sensitive and creative was at the heart of much of the public's interest in Kane as a person. The allure of the Kane saga was heightened all the more by the fact that he did not achieve renown until he was at the age at which most people are retiring from their professions. Kane's dedication to painting resulted in a fascinating body of work that has ended up in some of America's most important museums and private collections. His dramatic life story demonstrates the courage, strength, and creativity of his generation of workmen. They may be long gone, but thanks to Kane, they cannot be forgotten.

The Last Witches of England John Callow,2021-10-07 Fascinating and vivid New Statesman Thoroughly researched The Spectator Intriguing BBC History Magazine Vividly told BBC History Revealed A timely warning against persecution Morning Star Astute and thoughtful History Today An important work All About History Well researched The Tablet On the morning of Thursday 29 June 1682 a magpie came rasping rapping and tapping at the window of a prosperous Devon merchant Frightened by its appearance his servants and members of his family had within a matter of hours convinced themselves that the bird was an emissary of the devil sent by witches to destroy the fabric of their lives As the result of these allegations three women of Bideford came to be forever defined as witches A Secretary of State brushed aside their case and condemned them to the gallows to hang as the last group of women to be executed in England for the crime Yet the hatred of their neighbours endured For Bideford it was said was a place of witches Though pretty much worn away the belief in witchcraft still lingered on for more than a century after their deaths In turn ignored reviled and extinguished but never more than half forgotten it seems that the memory of these three women and of their deeds and sufferings both real and imagined was transformed from canker to regret and from regret into celebration in our own age Indeed their example was cited during the final Parliamentary debates in 1951 that saw the last of the witchcraft acts repealed and their names were chanted as both inspiration and incantation by the women beyond the wire at Greenham Common In this book John Callow explores this remarkable reversal of fate and the remarkable tale of the Bideford Witches
