

POBLACHT NA H EIREANN. **THE PROVISIONAL GOVERNMENT** **OF THE** **IRISH REPUBLIC** **TO THE PEOPLE OF IRELAND.**

IRISHMEN AND IRISHWOMEN: In the name of God and of the dead generations from which she receives her old tradition of nationhood, Ireland, through us, summons her children to her flag and strikes for her freedom.

Having organised and trained her manhood through her secret revolutionary organisation, the Irish Republican Brotherhood, and through her open military organisations, the Irish Volunteers and the Irish Citizen Army, having patiently perfected her discipline, having resolutely waited for the right moment to reveal itself, she now seizes that moment, and, supported by her exiled children in America and by gallant allies in Europe, but relying in the first on her own strength, she strikes in full confidence of victory.

We declare the right of the people of Ireland to the ownership of Ireland, and to the unfettered control of Irish destinies, to be sovereign and indefeasible. The long usurpation of that right by a foreign people and government has not extinguished the right, nor can it ever be extinguished except by the destruction of the Irish people. In every generation the Irish people have asserted their right to national freedom and sovereignty: six times during the past three hundred years they have asserted it in arms. Standing on that fundamental right and again asserting it in arms in the face of the world, we hereby proclaim the Irish Republic as a Sovereign Independent State, and we pledge our lives and the lives of our comrades-in-arms to the cause of its freedom, of its welfare, and of its exaltation among the nations.

The Irish Republic is entitled to, and hereby claims, the allegiance of every Irishman and Irishwoman. The Republic guarantees religious and civil liberty, equal rights and equal opportunities to all its citizens, and declares its resolve to pursue the happiness and prosperity of the whole nation and of all its parts, cherishing all the children of the nation equally, and oblivious of the differences carefully fostered by an alien government, which have divided a minority from the majority in the past.

Until our arms have brought the opportune moment for the establishment of a permanent National Government, representative of the whole people of Ireland and elected by the suffrages of all her men and women, the Provisional Government, hereby constituted, will administer the civil and military affairs of the Republic in trust for the people.

We place the cause of the Irish Republic under the protection of the Most High God. Whose blessing we invoke upon our arms, and we pray that no one who serves that cause will dishonour it by cowardice, inhumanity, or rapine. In this supreme hour the Irish nation must, by its valour and discipline and by the readiness of its children to sacrifice themselves for the common good, prove itself worthy of the august destiny to which it is called.

Signed on Behalf of the Provisional Government,

THOMAS J. CLARKE,	
SEAN Mac DIARMADA,	THOMAS MacDONAGH,
P. H. PEARSE,	EAMONN CEANNT,
JAMES CONNOLLY,	JOSEPH PLUNKETT.

The Easter Proclamation 1916 Liam De Paor, 2016 Originally published in 1997 as *On the Easter proclamation and other declarations the reissue includes a new introduction by W J McCormack* Page 4 of cover The Easter, 1960 **The Easter Proclamation of the Irish Republic, 1916** Ireland (Provisional Government 1916), 1960 *The Easter Proclamation of the Irish Republic, MCMXVI*. Provisional Government of the Irish Republic, 1916 (Ireland). [Miscellaneous Public Documents.], 1960 **The Easter Proclamation of the Irish Republic, MCMXVI**. IRELAND Provisional Government of the Irish Republic, 1916, 1960 **Unhappy the Land** Liam Kennedy, 2015-10-26 In *Unhappy the Land* Liam Kennedy poses fundamental questions about the social and political history of Ireland and challenges cherished notions of a uniquely painful past Images of tragedy and victimhood are deeply embedded in the national consciousness yet when the Irish experience is viewed in the larger European context a different perspective emerges The author's dissection of some pivotal episodes in Irish history serves to explode commonplace assumptions about oppression victimhood and a fate said to be comparable only to that of the Jews Was the catastrophe of the Great Famine really an Irish Holocaust Was the Ulster Covenant anything other than a battle cry for ethnic conflict Was the Proclamation of the Irish Republic a means of texting terror And who fears to speak of an Irish War of Independence shorn of its heroic pretensions Kennedy argues that the privileging of the gun the drum and the flag above social concerns and individual liberties gave rise to disastrous consequences for generations of Irish people Ireland might well be a land of heroes from C Chulainn to Michael Collins but it is also worth pondering Bertolt Brecht's warning Unhappy the land that is in need of heroes *On the Easter Proclamation and Other Declarations* Liam De Paor, 1997 Discusses the proclamation ready by Irish rebels in Dublin during the Easter Rising of 1916 Explains that P H Pearse probably wrote the main draft but that James Connolly and Thomas MacDonagh made significant contributions Compares it to the US Declaration of Independence but also points out that *The Easter Rising* Michael T. Foy, Brian Barton, 2011-10-21 On Easter Monday between 1 000 and 1 500 Irish Volunteers and members of the Irish Citizen Army seized the General Post Office and other key locations in Dublin The intention of their leaders including Patrick Pearse and James Connolly was to end British rule in Ireland and establish an independent thirty two county Irish republic For a week battle raged in the Irish capital until the Rising collapsed The rebel leaders were executed soon afterwards though in death their ideals quickly triumphed Illuminating every aspect of that fateful Easter week The Easter Rising is based on an impressive range of original sources It has been fully revised expanded and updated in the light of a wealth of new material and extensive use has been made of almost 2 000 witness statements that the Bureau of Military History in Dublin gathered from participants in the Rising The result is a vivid depiction of the personalities and actions not just of the leaders on both sides but the rank and file and civilians as well The book brings the reader closer to the events of 1916 than has previously been possible and provides an exceptional account of a city at war **The Story of the Irish**

Harp Nora Joan Clark, 2003 Since early times in Ireland and nearby Celtic lands the Irish harp and its music have captivated musicians and audiences alike Numerous historical aspects such as the function of the harper at Tara the seat of ancient Irish kings is explored in this comprehensive history of the harp of Ireland Through the ages the harp has been a symbol of the lyrical nature of Ireland and the Irish people This book explores the reawakening of this beautiful instrument in Ireland and around the world in the mid twentieth century and beyond touching on the quite recent development of the popular Folk and Celtic harps of today

Constitutions Judith Pryor, 2007-08-09 Bringing a postcolonial perspective to UK constitutional debates and including a detailed and comparative engagement with the constitutions of Britain's ex colonies this book is an original reflection upon the relationship between the written and the unwritten constitution Can a nation have an unwritten constitution While written constitutions both found and define modern nations Britain is commonly regarded as one of the very few exceptions to this rule Drawing on a range of theories concerning writing law and violence from Robert Cover to Jacques Derrida *Constitutions* makes a theoretical intervention into conventional constitutional analyses by problematizing the notion of a written constitution on which they are based Situated within the frame of the former British empire this book deconstructs the conventional opposition between the margins and the centre as well as between the written and unwritten by paying very close detailed attention to the constitutional texts under consideration Pryor argues that Britain's unwritten constitution and immemorial common law only take on meaning in a relation of difference with the written constitutions of its former colonies These texts in turn draw on this pre literate origin in order to legitimize themselves The unwritten constitution of Britain can therefore be located and dislocated in postcolonial written constitutions *Constitutions* is an excellent addition to the bookshelves of all students of the philosophy of law political theory constitutional and administrative law and jurisprudence
