The Elements Of Gnosticism

Bernard Simon

The Elements Of Gnosticism:

The Elements of Gnosticism Stuart Holroyd, 1997 Learn about this religion that rivaled Christianity during the first three centuries of the Christian era Is there relevance in Gnosticism for today

The Elements of Gnosticism Stuart Holroyd, 1994 Gnosticism the secret mystical tradition of the Western world thought by many to be the foundation of all Western mystery traditions is here explained and explored An excellent introduction and survey of the subject the book includes an extensive bibliography with suggestions for further reading

First Century Gnosticism Gerard van Groningen, 1967

[The Gnostic Bible](#) Willis Barnstone, Marvin W. Meyer, 2006 The most comprehensive collection of gnostic literature ever published this volume is the result of a unique collaboration between a renowned poet translator and a leading scholar of early Christian texts

The Essence of the Gnostics Bernard Simon, 2005-03-01 For what is it that the All lacked if not the knowledge of the Father Gnostic text from the Gospel of Truth Long before there was a system of belief called Gnosticism there were those who reached for a special intimate knowledge of God and His mysterious ways The possession of such knowledge they believed would bring salvation from suffering All religious traditions acknowledged that the world is imperfect Where they differ is in the explanations they offer for this imperfection and in what they suggest might be done about it While many religionists hold that humans are to be blamed for these imperfections the Gnostics believed that the world is flawed because it was created in a flawed manner thereby implicating the creator Such a perspective was regarded as blasphemous by fellow Christians at the dawn of the new religion and led to the sect's persecution Equally concerning were the Gnostics liberal views regarding sex the role of women and toleration of other faiths In *The Essence of the Gnostics* Bernard Simon offers a fascinating insight into this ancient and yet in many ways surprisingly contemporary faith and explores the reasons for its current renaissance

Gnosticism Stephan A Hoeller, 2012-12-13 Gnosticism developed alongside Judeo Christianity over two thousand years ago but with an important difference It emphasizes not faith but direct perception of God Gnosticism being derived from the Greek word gnosis meaning knowledge Given the controversial premise that one can know God directly the history of Gnosticism is an unfolding drama of passion political intrigue martyrdom and mystery Dr Hoeller traces this fascinating story throughout time and shows how Gnosticism has inspired such great thinkers as Voltaire Blake Yeats Hesse Melville and Jung

The Gnostics Andrew Phillip Smith, 2012-01-01 According to the ancient Gnostics the early Christians who wrote such controversial texts as the recently discovered Gospel of Judas we are all capable of gnosis or direct knowledge of the true reality that lies behind the material world Andrew Phillip Smith author of respected works on the lost sayings of Jesus the Gospel of Philip and other Gnostic subjects now offers a highly accessible layman's introduction to this long suppressed philosophy that offers an intriguing alternative to accepted Christian beliefs With references to *The Da Vinci Code* *The Matrix* and other fictions inspired by the Gnostic worldview this is an eye opening and possibly life changing book meant to revive forgotten traditions and perhaps

even allow readers to experience gnosis themselves

The Origins of Gnosticism / Le origini dello gnosticismo

Bianchi,1970-06-01

The Cambridge History of Judaism

William Horbury,1984 This third volume of The Cambridge

History of Judaism focuses on the early Roman period

What is Gnosticism? Karen L. King,2003 A study of gnosticism

examines the various ways early Christians strove to define themselves in a pluralistic Roman society while questioning the traditional ideas of heresy and orthodoxy that have previously influenced historians
