

THE EMPTY CHAIR

WE GATHER HERE AS A CLASS ONCE MORE
TO REMINISCE LIKE YEARS BEFORE
UPON THE DAYS OF JOY WE KNEW
BEFORE OUR SCHOOL AGED TIME WAS THROUGH.
YET, AS WE MEET WITH MEMORIES NEAR
WE THINK OF THOSE WE ALWAYS HELD DEAR.
OUR FRIENDS AND CLASSMATES THAT PASSED AWAY
AND CANNOT BE HERE WITH US TODAY.

UNTIL THE TIME WE MEET AGAIN
AN EMPTY CHAIR WE WILL MAINTAIN
IN HONOR OF A LIFELONG BOND
WE FORGED WITH THOSE, NOW PASSED BEYOND.
THE FRIENDS WITH WHOM WE LEARNED LIFE'S TRUTH
WHOSE BONDS LASTED FAR BEYOND OUR YOUTH
AND SHALL REMAIN FOREVER NEAR
WHEN WE GATHER FROM YEAR TO YEAR.

The Empty Seat:

The Empty Seat Chinmoy Mukherjee, 2025-09-20 Inside the apartment was a sanctuary of order and profound silence The polished concrete floors were cool underfoot the walls a serene off white adorned with nothing more than the shifting patterns of light and shadow The only sounds were the soft rhythmic click of a keyboard and the distant melodic chime of a wind bell dancing on the balcony A single stick of sandalwood incense burned in a simple brass holder its fragrant woody smoke coiling slowly towards the high ceiling scenting the air with a familiar calming perfume This was the world Chunmun Singh had built for himself in the years since the fall A world of clean lines quiet discipline and meticulous control He was now a Lead Enterprise Architect for one of Australia's biggest tech firms a position of considerable respect and influence His colleagues here knew him as a quiet intensely focused genius a man whose mind could hold the continent spanning complexity of their digital infrastructure with an almost supernatural ease They respected his boundaries his preference for solitude and his polite refusal of after work drinks They saw a man of immense discipline they did not see the architecture that discipline was built upon He was successful He was by all external measures at peace His vow remained Thirteen years had stretched into fifteen then twenty The record of Lakshmana was a landmark long since passed no longer a goal but simply a feature of his past The vow was no longer a practice it was the very essence of his being the still point in his turning world And the gift it had bestowed upon him remained as well The silent chaotic symphony of other people's thoughts was a constant hum at the edge of his awareness Over the years he had learned to mute it to build psychic walls that filtered the noise allowing him to exist in the world without being consumed by it It was a tool he rarely used a sense he kept veiled Then a notification bloomed silently on his screen a simple automated reminder he had set years ago and forgotten The stark black text seemed to absorb all the light in the room Anniversary Great Ocean Road *The Empty Seat By The Window* Manuel Terense, 2025-10-01 Do not try this yourself after reading On a bus crossing the American West a young traveler meets Mr Grant a mischievous guide who shatters routines with humor paradox and ruthless clarity Small towns deserts and motels turn into a dojo attention is sharpened fear is named and a single inner command Stay away can quiet the storm before it begins But memory has its own timetable When a ghostly bus of the past arrives and an empty seat by the window seems to call his name the traveler faces a dangerous choice return to the stories that once defined him or risk stepping into a life where listening is stronger than certainty Part road novel part visionary fiction *The Empty Seat by the Window* is a wry tender and metaphysical journey about freedom mentorship and the courage to move on without losing yourself on the way

Partington, 2021-03-23 A day like any other Madison Mitchell is expecting business as usual That is until she discovers a huge amount of money is missing from the account of one of her most dangerous clients The only person she can think of who would have had access to do such a thing is her business partner Frank Jensen But when she goes to confront him at his apartment she encounters an unexpected situation To

complicate matters the great love of Madison's life Ben Shepherd is back in town It's been years since she left Ben and she's committed to not returning to him Faced with Ben's good looks and charm Madison's resolve is weakened Everything hangs in the balance for Madison her business her relationship and if she doesn't come up with that money her life *An Empty Seat in Class* Rick Ayers, 2015 The death of a student especially to gun violence is a life-changing experience that occurs with more and more frequency in America's schools For each of these tragedies there is a classroom and there is a teacher Yet student death is often a forbidden subject removed from teacher education and professional development classes where the curriculum is focused instead on learning about standards lesson plans and pedagogy What can and should teachers do when the unbearable happens *An Empty Seat in Class* illuminates the tragedy of student death and suggests ways of dealing and healing within the classroom community This book weaves the story of the author's very personal experience of a student's fatal shooting with short pieces by other educators who have worked through equally terrible events and also includes contributions from counselors therapists and school principals Through accumulated wisdom educators are given the means and the resources to find their own path to healing their students their communities and themselves A dreadful script had been written for our school and town and the world but this did not mean that a new script could not be written by us We didn't have to subscribe to the tragic script beyond our control It was time to rewrite Lee Keylock high school teacher Sandy Hook CT This book is a meditation on the unspeakable horror and ensuing anguish that follows the death of a student A heretofore taboo subject teachers have much to share about their creative improvisational praxes when shared cultural scripts in urban classrooms are unavailable This moving and poignant text illuminates as much as it inspires Angela Valenzuela Professor of Education University of Texas Director of the Texas Center for Education Policy Written by the most important kind of expert someone who has been there Dr Ayers candidly discusses his own struggles following the violent death of one of his students This book serves as an invaluable guide providing research and practical tools on how to respond to a student death and facilitate a safe space in the classroom where students can ask questions express emotions and process their grief This is a must read for every teacher administrator and counselor so that a school is well prepared in the event of a tragedy Heidi Horsley executive director Open to Hope Foundation adjunct professor Columbia University School of Social Work For those who teach this book will likely evoke painful memories of loss and unrealized potential that accompanies the tragedy of any student's death Classrooms and communities are worlds of their own where saving one life or inspiring someone in even the most minute or momentary way can mean saving a whole world Ayers's book honors the lives of both teachers and students It is a book for all of us Jack Weinstein director San Francisco Bay Area Facing History and Ourselves *The Empty Seat* Phyllis Green, 1980 Because his grandmother is keeping to herself this summer 11 year old Michael must ride alone the tandem bike they usually share *Metropolitan Tabernacle Pulpit* Charles Haddon Spurgeon, 1880 *Herald and Presbyter* ,1908 *Homiletic Review* ,1882 ***The Preacher and Homiletic Monthly***
