The Enchantments Of Love Amorous And Exemplary Novels

María de Zayas

The Enchantments Of Love Amorous And Exemplary Novels:

Novelas Amorosas Y Ejemplares María de Zayas y Sotomayor, 1990-01-01 Five men and five women entertain their hostess with stories exploring some aspect of enchantment or love between a handsome gallant and a lovely lady The sharp contrast between the women s and men s stories transmits a subtle often ironic feminism **The Disenchantments of**

Love María de Zayas, 1997-03-06 Published in 1647 these ten tales are among the earliest narratives in Western literature to focus on women s experiences and points of view in love relationships Exemplary Tales of Love and Tales of Disillusion

María de Zayas y Sotomayor, 2010-07-15 At the height of Mar a de Zayas s popularity in the mid eighteenth century the number of editions in print of her work was exceeded only by the novels of Cervantes But by the end of the nineteenth century Zayas had been excluded from the Spanish literary canon because of her gender and the sociopolitical changes that swept Spain and Europe Exemplary Tales of Love and Tales of Disillusion gathers a representative sample of seven stories which features Zayas s signature topics gender equality and domestic violence written in an impassioned tone overlaid with conservative Counter Reformation ideology This edition updates the scholarship since the most recent English translations with a new introduction to Zayas s entire body of stories and restores Zayas s author s note and prologue omitted from previous English language editions Tracing her slow but steady progress from notions of ideal love to love s treachery Exemplary Tales of Love and Tales of Disillusion will restore Zayas to her rightful place in modern letters *The*

Disenchantments of Love María de Zayas, 1997-03-06 The Disenchantments of Love published in Spain in 1647 by Mar a de Zayas is a stunning collection of stories about women s amorous experiences in a patriarchal and imperialistic society during the turbulent seventeenth century Now available for the first time in English translation the ten exemplary novellas are set within an encompassing frame story that continues from the first collection The Enchantments of Love Amorous and Exemplary Novels published in 1637 Both collections of love stories were immediately popular because of the novelty of their plots and the gender of their author What is new in the disenchantments is the deliberately feminist purpose stated in the rules for telling stories only women are to narrate true cases intended to disenchant women about men s deceptions pointedly denying men the opportunity to dominate the storytelling In the frame however the subtly ironic commentaries on the stories highlight the differences between masculine and feminine points of view The conclusion of the frame reiterates the exemplary message that women are safe from men s physical and psychological abuse only in the sisterhood of the convent These ten sensational and bizarre tales focus on the ways lovers deceive women in order to get their way through magic cross dressing as women and rape to the torture and murder of innocent women at the hands of their protectors their fathers brothers and husbands The graphic depictions of women s mutilated bodies are unprecedented in Western literature as is the meticulous description of domestic violence that has traditionally remained private and hidden A fascinating dimension of these fast paced narratives is what they suggest through omission silence and ambiguous detail the untold story

that fires the reader's imagination **Lesbians in Early Modern Spain** Sherry Velasco, 2011-05-02 A wide range of accounts of lesbian relationships unearthed from the historical record **Spiritual Sonnets** Gabrielle de Coignard, 2007-11-01 Born into a wealthy family in Toulouse Gabrielle de Coignard ca 1550-86 married a prominent statesman in 1570 Widowed three years later with two young daughters to raise Coignard turned to writing devotional verse to help her cope with her practical and spiritual struggles *Spiritual Sonnets* presents the first English translation of 129 of Coignard's highly autobiographical poems giving us a startlingly intimate view into the life and mind of this Renaissance woman The sonnets are all written in the shadow of the Cross and include elegies penitential lyrics Biblical meditations and more Rich with emotion Coignard's poems reveal anguished moments of loneliness and grief as well as ecstatic experiences of mystical union They also reveal her mastery of sixteenth century literary conventions and spiritual traditions This edition printed in bilingual format with Melanie E Gregg's translations facing the French originals will be welcomed by teachers and students of poetry French literature women's studies and religious and Renaissance studies *The Story of Sapho* Madeleine de Scudery, 2007-11-01 Ridiculed for her Saturday salon her long romance novels and her protofeminist ideas Madeleine de Scudery 1607-1701 has not been treated kindly by the literary establishment Yet her multivolume novels were popular bestsellers in her time translated almost immediately into English German Italian Spanish and even Arabic *The Story of Sapho* makes available for the first time in modern English a self-contained section from Scudery's novel *Artamène ou le Grand Cyrus* best known today as the favored reading material of the would-be salonnières that Molière satirized in *Les précieuses ridicules* *The Story* tells of Sapho a woman writer modeled on the Greek Sappho who deems marriage slavery Interspersed in the love story of Sapho and Phaon are a series of conversations like those that took place in Scudery's own salon in which Sapho and her circle discuss the nature of love the education of women writing and right conduct This edition also includes a translation of an oration or harangue of Scudery's in which Sapho extols the talents and abilities of women in order to persuade them to write **The Inquisition of Francisca** Francisca de los Apóstoles, 2007-11-01 Inspired by a series of visions Francisca de los Apóstoles 1539-1578 and her sister Isabella attempted in 1573 to organize a beaterio a lay community of pious women devoted to the religious life to offer prayers and penance for the reparation of human sin especially those of corrupt clerics But their efforts to minister to the poor of Toledo and to call for general ecclesiastical reform were met with resistance first from local religious officials and later from the Spanish Inquisition By early 1575 the Inquisitional tribunal in Toledo had received several statements denouncing Francisca from some of the very women she had tried to help as well as from some of her financial and religious sponsors Francisca was eventually arrested imprisoned by the Inquisition and investigated for religious fraud This book contains what little is known about Francisca the several letters she wrote as well as the transcript of her trial and offers modern readers a perspective on the unique role and status of religious women in sixteenth century Spain Chronicling the drama of Francisca's interrogation and her spirited but

ultimately unsuccessful defense The Inquisition of Francisca transcribed from more than three hundred folios and published for the first time in any language will be a valuable resource for both specialists and students of the history and religion of Spain in the sixteenth century

Complete Writings Isotta Nogarola, 2007-11-01 Renowned in her day for her scholarship and eloquence Isotta Nogarola 1418-66 remained one of the most famous women of the Italian Renaissance for centuries after her death And because she was one of the first women to carve out a place for herself in the male dominated republic of letters Nogarola served as a crucial role model for generations of aspiring female artists and writers This volume presents English translations of all of Nogarola's extant works and highlights just how daring and original her convictions were In her letters and orations Nogarola elegantly synthesized Greco-Roman thought with biblical teachings And striding across the stage in public she lectured the Veronese citizenry on everything from history and religion to politics and morality But the most influential of Nogarola's works was a performance piece Dialogue on Adam and Eve in which she discussed the relative sinfulness of Adam and Eve thereby opening up a centuries-long debate in Europe on gender and the nature of woman and establishing herself as an important figure in Western intellectual history This book will be a must-read for teachers and students of Women's Studies as well as of Renaissance literature and history

Selected Writings of an Eighteenth-Century Venetian Woman of Letters Elisabetta Caminer Turra, 2007-11-01 Elisabetta Caminer Turra 1751-96 was one of the most prominent women in eighteenth-century Italy and a central figure in the international Republic of Letters A journalist and publisher Caminer participated in important debates on capital punishment freedom of the press and the abuse of clerical power She also helped spread Enlightenment ideas into Italy by promoting and publishing Voltaire's latest works and translating new European plays plays she herself directed to great applause on Venetian stages Bringing together Caminer's letters poems and journalistic writings nearly all published for the first time here Selected Writings offers readers an intellectual biography of this remarkable figure as well as a glimpse into her intimate correspondence with the most prominent thinkers of her day But more important Selected Writings provides insight into the passion that animated Caminer's fervent reflections on the complex and shifting condition of women in her society the same passion that pushed her to succeed in the male dominated literary professions
