The American Role in Vietnam and East Asia Henry J. Kenny, 1984 **Professional Journal of the United States Army**, 1985 Review of Current Military Literature, 1985 **The DISAM Journal of International Security Assistance Management**, 1987 *Parameters*, 1985 *Military Review*, 1985 Easing east-west tensions in the third world, **Easing East-west Tensions in the Third World** United States Air Force Academy. Library, 1986 **Voices from Captivity** Robert C. Doyle, 1994 Doyle shows that though setting and circumstances may change POW stories share a common structure and are driven by similar themes Capture incarceration isolation propaganda torture capitulation or resistance death spiritual quest escape liberation and repatriation are recurrent key motifs in these narratives *The Weekly War* James Landers, 2004 **Special Bibliography Series**, 1957 Air University Library Index to Military Periodicals, **Quarterly Review of Military Literature**, 1984 **America and the Indochina Wars, 1945-1990** Lester H. Brune, Richard Dean Burns, 1992 **China and the Global Politics of Regionalization** Emilian Kavalski, 2016-05-23 This volume examines the prominent role of China in global politics and the relevance of the new regionalism paradigm to China's international outreach It provides a comprehensive and critical assessment of China's impact on the global politics of regionalization offers a novel application of analytical models investigates the aspects of the Chinese practice of regionalization that set it apart and demonstrates China's transformative potential in international life Addressing the need to re-Orient the research and policy agenda of international relations this comprehensive study demonstrates both the lack of language to engage with existing norms and standards and the difficulty of applying them to an evaluation of the global politics of China's non-Western international agency **America and Vietnam, 1954-1963** Michael M. Walker, Col., USMC (Ret.), 2022-08-31 The conventional narrative of the Vietnam War often glosses over the decade leading up to it Covering the years 1954-1963 this book presents a thought provoking reexamination of the war's long prelude from the aftermath of French defeat at Dien Bien Phu through Hanoi's decision to begin reunification by force to the assassination of South Vietnamese President Ngo Dinh Diem Established narratives of key events are given critical reappraisal and new light is shed on neglected factors The strategic importance of Laos is revealed as central to understanding how the war in the South developed *Routledge Library Editions: Revolution in Vietnam* Various, 2022-07-30 This 7 volume set of previously out of print titles examines both the war for liberation in Vietnam and its political and economic aftermath The economic reforms that began to transform Vietnam from a planned economy to a partially market one are focused on in particular as are the early days of revolutionary conflict **Asian Survey**, 1984 **Thailand and the Southeast Asian Networks of The Vietnamese Revolution, 1885-1954** Christopher E. Goscha, 2013-09-05 Christopher Goscha resituates the Vietnamese revolution and war against the French into its Asian context Breaking with nationalist and colonial historiographies which have largely locked Vietnam into Indochinese or Nation

state straightjackets Goscha takes Thailand as his point of departure for exploring how the Vietnamese revolution was intimately linked to Asia between the birth of the Save the King Movement in 1885 and the Battle of Dien Bien Phu in 1954 But his study is more than just a political history Goscha brings geography to bear on his subject with a passion While he considers the little known political movements of such well known faces as Phan Boi Chau and Ho Chi Minh across Southeast Asia the author takes us into the complex Asian networks stretching from northeastern Thailand and the port of Bangkok to southern China and Hong Kong and beyond There we see how Ho and Chau drew upon an invisible army of Vietnamese and Chinese traders criminals prostitutes sailors and above all the thousands of emigres living in Vietnamese communities in Thailand
