## **The American Staffordshire Terrier:**

The Real History of the American Staffordshire Terrier/American Pit Bull Terrier Wayne D. Brown, 2015      American Staffordshire Terrier Joseph Janish, 2012-01-24 This Comprehensive Owner's Guide to the American Staffordshire Terrier serves as a complete introduction to the AmStaff, a tireless working dog that is an unbeatable combination of strength and athleticism. Deriving from bull and terrier crosses in the British Isles, the American Staffordshire Terrier was honed and perfected in the USA and today enjoys a reputation as a wholly trustworthy family and children's companion, top flight show dog, formidable contender in the obedience ring, and a wonderful therapy dog. Author Joe Janish shares his insight into the origins of the breed and its development in America in a well-researched opening chapter on breed history. He follows with chapters on characteristics and the breed standard, encapsulating all of the virtues of this impressive working breed, offering sound advice about which owners are best suited to the breed. New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy proofing the home and yard, purchasing the right supplies for the puppy, as well as house training, feeding, and grooming, are illustrated with handsome adults and puppies bursting with energy and personality. In all, there are over 135 photographs in this compact, useful, and reliable volume. The author's advice on obedience training the super-smart AmStaff will help readers better mold and train their dogs into the most socialized, well-mannered dog in the neighborhood. The extensive chapter on healthcare, written by Dr. Lowell Ackerman, provides up-to-date, detailed information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases, and more. Further chapters discuss behavioral issues, aggression, digging, barking, etc., the special care of senior dogs, and showing and competing with the AmStaff in AKC events. Sidebars throughout the text offer helpful hints covering topics as diverse as historical kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

**American Staffordshire Terriers** Anna Katherine Nicholas, 1990      *American Staffordshire Terrier* Roland Berger, 2022-04-14 The American Staffordshire Terrier is a powerful dog that loves children more than anything and stands up for his family. American Staffordshire Terriers are dogs that have a balanced nature. The fast dog sports such as agility or flyball are made for them. The American Staffordshire Terrier really belongs only in the hands of people who already have experience in dog training and keeping. These dogs need consistent but loving training so they can develop into the perfect family dog. American Staffordshire Terriers want to be challenged mentally and physically on a daily basis, and his owners should schedule plenty of time for him. Extensive walks, hikes, and bike rides are exactly the types of activities that the American Staffordshire Terrier enjoys. In this small guidebook, you will learn everything worth knowing about the dog breed American Staffordshire Terrier and how you should deal with him. The topics covered in this guide include Character traits of the American Staffordshire Terrier, Who is suitable as a owner, What should be considered when raising a puppy, What do you have to pay attention to when raising a puppy, Basic commands, and much more. The more than 5 illustrations make the book

even more appealing Have you decided to get an American Staffordshire Terrier Then this reading is the perfect first start to deepen your existing knowledge even more or to gain some new insights The American Staffordshire Terrier belongs in the hands of dog experienced people who consistently but lovingly raise their American Staffordshire Terrier Then he can be a loving bundle of energy

**American Staffordshire Terrier** Francois Kiesgen De Richter,2016-09-16 The American Staffordshire Terrier is also known by the diminutive Staff It has physical and mental qualities uncommon We must forget everything bad is said about the dog killers they can become if they have had a bad education and certainly not because of their genetic heritage The American Staffordshire Terrier is a sociable and friendly dog It will be a good keeper but it will educate him to make the right decisions at the right time because if it considers that there is a danger it will come spontaneously into action Please note this is an essential rule do not stimulate his aggressiveness by the ruckus or fight The American Staffordshire Terrier is very intelligent and docile thereby perfectly educate This is essential Obviously its origins follow him it was a dog fight Today this dog is docile gentle kind patient It will take a sharp work of socialization if not with other dogs it will be a little wild and raw Socialized young he ll look adorable with his teachers and it will be easy to take it everywhere It will be very affectionate with his family You will have to learn very early the rest of the pen and recall otherwise it will develop a runaway side The American Staffordshire Terrier stand loneliness and stay calm when you re not there Of course it will follow the advice in this guide to prepare for absences it will always be very gradual The American Staffordshire Terrier loves kids and loves to be pampered by them But be careful as with all dog breeds the caution and supervision is required It will be essential to make him exercise and if possible the club to a non aggressive canine activity otherwise it may develop behavioral problems The American Staffordshire Terrier is independent loves the quiet and solitude You will need to learn to communicate with him because he also wants to feel important to you and you to take care of him It ll just find a balance to find harmony We will debunk the idea received the temperamental instability of an American Staffordshire Terrier is always due to a lack of education and poor socialization it is always the fault of the master Start early education go to school the puppy and work in the club except for disciplines that develop aggressive he will be educated at least up to eighteen months This is the price charged Do not try to educate one and especially do not let uneducated This is the Rolls dogs if well educated His terrier origin gives it a stubborn side so we must be patient for his learning and education Encourage her pacifism not aggression respecting two basic rules positive reinforcement and rigor It is a pigheaded strand it needs strict discipline and caresses but never brutality nor cries we must be patient First learn to say NO and arm yourself with patience Educated an American Staffordshire Terrier will be a great companion dog a super watchdog My master s advice socialization should be continuous
