America and the Americans from a French Point of View Price Collier,1897 **Orders from France** Roger G. Kennedy,1990-09-01 **America and the Americans from a French Point of View** United States,1897 *The Indochinese Experience of the French and the Americans* Arthur J. Dommen,2002-02-20 Dommen s book promises to be the definitive political history of Indochina during the Franco American era William M Leary E Merton Coulter Professor of History University of Georgia This magisterial study by Arthur J Dommen sets the Indochina wars French and American in perspective as no book that has come before He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930 39 through the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia When the French returned the struggle became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face whether as friends or as enemies with the Americans In spite of an armistice in 1954 the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives Meticulous and detailed Dommen s telling of this complicated story is always judicious Nevertheless many people will find his analysis of the Diem coup a disturbing account of American plotting and murder This is an essential book for anyone who wants to understand Vietnam and the people who fought against the United States and won America and the Americans Price Collier,2018-05-09

The American Revolution & The French Revolution John Fiske,Charles Downer Hazen,2023-12-16 In The American Revolution The French Revolution this anthology offers a compelling exploration of two pivotal moments in world history through a rich tapestry of essays and narratives The collection transcends mere historical documentation weaving together an array of literary styles that encompass both analytical essays and evocative prose It captures the spirit of revolution and the quest for liberty equality and fraternity themes that resonate as powerfully today as they did centuries ago Amidst these pages readers will find insightful commentary on the societal shifts and ideological awakenings that characterized these revolutions with standout pieces that dissect the causes and consequences without the confines of single authorship The anthology s contributors John Fiske and Charles Downer Hazen bring a profound understanding of history and literature with
