Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website      Through Their Eyes Stephen Hess,2006-01-17 Americans often forget that just as they watch the world through U S media they are also being watched Foreign correspondents based in the United States report news and provide context to events that are often unfamiliar or confusing to their readers back home Unfortunately there has been too little thoughtful examination of the foreign press in America and its role in the world media Through Their Eyes fills this void in the unmistakable voice of Stephen Hess who has been reporting on reporting for over a quarter century Globalization is shrinking the planet making it more important than ever to know what is going on in the world and how those events are being interpreted elsewhere September 11 was a chilling reminder that how others perceive us does matter like it or not Hess seeks to answer three basic yet essential journalistic questions Who are these U S based foreign correspondents How do they operate And perhaps most important what do they report and how Informed by scores of interviews and armed with original survey research Hess reveals the mindset of foreign correspondents from a broad sample of countries He examines how reporting from abroad has changed over the past twenty years and addresses the daunting challenges facing these journalists ranging from home office politics to national stereotypes Unique among works on the subject this book provides an engaging and humanizing Day in the Life section illustrating how foreign correspondents conduct their daily activities This book continues the author s comprehensive Newswork series on the nexus of media government and politics These five books starting with The Washington Reporters Brookings 1981 have become valuable reference materials for all who seek to understand this intersection of journalism and government Through Their Eyes furthers that rich tradition making it essential and enjoyable reading      Ethical Issues in the Communication Process J. Vernon Jensen,2013-11-05 A rapid and widespread growth of interest in applied ethics is occurring today not only in the United States but around the world as well Academia both reflects this and is a leader in the movement The field of speech communication shares in this increased sensitivity to ethical concerns Students and the general public are looking for thoughtful analyses and guidance in all areas of communication Ethical concerns relative to mass communication have been

the subject of a number of books but only a very few cover the entire scope of communication to include interpersonal intercultural organizational small groups and public speaking This book tries to fill that need by discussing ethical concerns as they emerge in the areas of the communication process the communicator the message the media the audience and the situation The speech communication field now has a need to digest and synthesize the existing research findings and the general literature in the field and in related humanities and social science works into a coherent and nontechnical discussion This volume explores the most up to date materials to provide just such a synthesis An extensive bibliography at the end of the book gives readers the sources on which the book is based and offers ample avenues for further personal exploration The book should provide meaningful food for thought as readers grapple conscientiously with the many everyday decisions made in communication transactions and in evaluating the communication of others James Agee, Omnibus, and Mr. Lincoln William Hughes, 2004-08-02 In 1952 CBS in conjunction with the Ford Foundation launched Omnibus a remarkable experiment in television The objective was to raise the programming standards of an emerging medium that figured to profoundly influence American life The centerpiece of Omnibus during its inaugural season was Mr Lincoln a series of five films about the early life of our foremost political icon James Agee the distinguished American author was the principal creator of Mr Lincoln At the time his scripts were hailed as the most beautiful writing ever done for television and even today Agee's characterization of Lincoln remains among the finest perhaps the finest film about Abraham Lincoln ever made Regrettably this important and sensitive work a revealing expression of American culture at mid century has been consigned to the archives and has not been available to the public for many years Author William Hughes aims to keep alive Agee's neglected masterpiece placing Mr Lincoln in the context of the period's prevailing ideology Cold War liberalism and conveying the institutional framework in which the work originated In addition Hughes takes into account Agee's personal experiences his social and political views and his related writings for and about film all of which came into play when he reworked the Lincoln legend for the television age Based on extensive archive research and an interview with Norman Lloyd who directed the five films this book fully documents the cultural and historical importance of Mr Lincoln **The Americans** Alistair Cooke, 1969 **Linguistic Minorities in Democratic Context** C. Williams, 2007-11-28 This blends discussion of the role of language minorities in politics with examples of language policy in a range of national contexts It discusses minority rights and language protection the policies of the state in privileging powerful majorities the opportunities and challenges of both devolution and globalization **Talking Book Topics**, 1983 **Frommer's Comprehensive Travel Guide U.S.A. ...**, 1993 **50 Greatest Speeches of The World** Ed. *Much, Baby--But I'm All I've Got* Jess Lair, Ph.D.,1995-03-01 What are some of the discoveries I have made I found I needed people because I needed the love they could give me I found that love was something I did I found that the way I showed

people my need and love for them was to tell how it was with me in my deepest heart I came to feel that was the most loving thing I could do for anyone tell them how it was with me and share my imperfections with them When I did this most people came back at me with what was deep within them This was love coming to me And the more I had coming to me the more I had to give away I ain t much baby but I m all I ve got From his experience comes I Ain t Much Baby But I m All I ve Got Lair originally wrote this book for his students but when it gained widespread popularity he rewrote it for publication It is a book meant to help people share in the success of finding themselves      *One American Woman Fifty Italian Men* Lynne

Ashdown,2023-03-03 When Lynne Ashdown her new lover and more than fifty Italian male cyclists departed Italy in June of 1990 no one had yet ventured into the long closed reaches of Eastern Europe since the falling of the Iron Curtain more than forty years before They would be cycling almost a thousand miles from Verona across Northern Italy Austria Czechoslovakia and Poland to Warsaw in just ten days *One American Woman Fifty Italian Men* tells not only of a sweeping journey of adventure romantic disaster and cultural collision but also of a revelation of Ashdown s identity forged by her will in the constant pain of trying to keep up with the men who were stronger This trip back in time shows the stark contrasts between the world she knew as an American and the world she saw in impoverished Eastern Europe This true story rich with images of the countries they cycled through describes the warmth and the cycling lives of the Italians as well as the lives of people who lived under communism for so long and the values that survive all governments In *One American Woman Fifty Italian Men* Ashdown conveys the aloneness of cycling over vast distances even in a spread out pack the growing pain and fatigue of each pedal stroke and the caring of the men for her and for each other This journey draws us into a universal drama not just of cyclists but also of hearts and possibilities      *The Complete Idiot's Guide to Personal Finance in Your 40's & 50's* Sarah
