Ancient History of Universalism Hosea Ballou, 2015-06-26 Excerpt from Ancient History of Universalism From the Time of the Apostles to the Fifth General Council With an Appendix Tracing the Doctrine to the Reformation The reader will perceive in the commencement of the following work that I have not introduced a statement of the Scripture doctrine upon the subject of my History For the omission which some may consider a defect I submit these reasons it seemed to me that a brief statement would prove useless since every one would form his own opinion from other authority and it was thought that a satisfactory discussion of the important question belonged rather to the Polemic than to the Historian Accordingly for the commencement of my undertaking I fixed on a date posterior to the publication of most of the New Testament and yet as it was desirable to take into view every other Christian production extant of the first ages it was necessary to begin as early as a d 90 before some of St John s writings were composed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Ancient History of Universalism* Hosea Ballou, 1829 [Ancient History of Universalism 1885](#) Hosea Ballou, 2006-01-01 The reader will perceive in the commencement of the following work that I have not introduced a statement of the Scripture doctrine upon the subject of my History For the omission which some may consider a defect I submit these reasons it seemed to me that a brief statement would prove useless since every one would form his own opinion from other authority and it was thought that a satisfactory discussion of the important question belonged rather to the Polemic than to the Historian Accordingly for the commencement of my undertaking I fixed on a date posterior to the publication of most of the New Testament and yet as it was desirable to take into view every other Christian production extant of the first ages it was necessary to begin as early as a d 90 before some of St John s writings were composed [The Ancient History of Universalism](#) Hosea Ballou, 2014-02-09 Hardcover reprint of the original 1829 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Ballou Hosea The Ancient History of Universalism From The Time of The Apostles To Its Condemnation In The Fifth General Council A D 553 With An Appendix Tracing The Doctrine Down To The Era of The Reformation Indiana Repressed Publishing LLC 2012
