The Annals Vol 418 March 1975 Planning For Full Employment

Michael Brown

The Annals Vol 418 March 1975 Planning For Full Employment:

The Full Employment Horizon in 20th-Century America Michael Dennis, 2021-02-11 Through moments of social protest policy debate and popular mobilization this book follows the campaign for economic democracy and the fight for full employment in the United States Starting in the 1930s Dennis explores its intellectual and philosophical underpinnings the class struggle that determined the fate of legislation and the role of left wing civil rights activists in its revival Demonstrating how the campaign for full employment intersected with movements for women s liberation and civil rights it explores how social groups and oppressed minorities interpreted and appropriated the promise of full employment For many full employment provided an indispensable path to racial and gender emancipation In this book Dennis uncovers the class dimensions and the resistance to full employment in the US He demonstrates how the recurring debates over full employment consistently exposed the contradictions inherent in a capitalist society and challenged the assertion that an allegedly free enterprise system automatically generated employment for all *United States Political Science Documents* ,1976 Direct Job Creation in the United States Felix Chin,1978 **Public Administration Series--Bibliography** ,1978

Working, Changes and Choices James O'Toole, Jane L. Scheiber, Linda C. Wood, 1981 **Ending Unemployment** Melvin R. Levin, 1982 **Ethnic Studies Bibliography** ,1977 The Annals of the American Academy of Political and Social Science ,1975-03 **Societal Directions and Alternatives** Michael Marien, 1976 **ABC Pol Sci** ,1975

Planning in Government Melvin R. Levin, 1987 **The Disposable American** Louis Uchitelle, 2007-04-10 A timely eye opening account from an award winning reporter that reveals how layoffs in America are counterproductive and what companies can do to avoid them and help create jobs benefiting workers corporations and the nation as a whole Effectively wrecks the claim that all this downsizing makes the country more productive more competitive more flexible A strong case that the whole middle class is at risk The New York Times Layoffs have become a fact of life in today s economy initiated in the mid 1970s they are now widely expected and even accepted It doesn t have to be that way In *The Disposable American* Louis Uchitelle offers an eye opening account of layoffs in America how they started their questionable necessity and their devastating psychological impact on individuals at all income levels Through portraits of both executives and workers at companies such as Stanley Works United Airlines and Citigroup Uchitelle shows how layoffs are in fact counterproductive rarely promoting efficiency or profitability in the long term Recognizing that a global competitive economy makes tightening necessary Uchitelle offers specific recommendations for government policies that would encourage companies to avoid layoffs and help create jobs *Separate Societies* William Goldsmith, Edward Blakely, 2010-06-18 An examination of the presence and persistence of urban poverty and the dilemmas of local reform Foreign and Commonwealth Office, Accessions to the Library, May 1971-June 1977: Classified catalogue Great Britain. Foreign and Commonwealth Office. Library, 1979 The Policy Analysis Source Book for Social Programs Arnold Kotz, Julia Graham Lear, National Planning
