

The Appian Way

David Hewson

The Appian Way:

The Appian Way Robert A. Kaster, 2012-04-23 Describes travel down the Appian Way while analyzing the meaning of the road in modern and ancient context **On the Appian Way** Alistair Elliot, 1984 **The Appian Way** Giuseppina Pisani Sartorio, Francesca Ventre, 2004 The Appian Way was the first great artery from Rome to southern Italy and the model for all roads originating in the ancient capital Conceived by Appius Claudius in 312 B C the thoroughfare provided easy access to Capua the most important junction in southern Italy and facilitated Roman expansion into the southern peninsula Paved in black basalt the road was flanked by level pedestrian footpaths and bordered by tombs villas and pleasant rest and refreshment areas along its 365 miles which could be walked in thirteen to fourteen days The Ancient Appian Way provides an engaging account of the Appian Way s origins and historical context The structure of this lavishly illustrated book mirrors the traveler s route south from Rome making it an ideal guide to the legendary road for all those with an interest in exploring ancient Rome *The Appian Way* Ivana Della Portella, Giuseppina Pisani Sartorio, Francesca Ventre, 2004 **In This Way We Came to Rome** Glen L. Thompson, Mark Wilson, 2024-01-10 Reconstructing Paul s journey to Rome day by day In This Way We Came to Rome With Paul on the Appian Way guides readers along Paul s 150 mile journey to face trial before the Roman emperor Acts 28 Authors Glen L Thompson and Mark Wilson draw from both ancient records and modern research to offer the most complete account available of Paul s journey along the ancient world s most famous road the Appian Way In addition to geographical and historical insights the authors provide numerous images maps and GPS coordinates allowing the reader to experience Paul s journey and better understand the ancient world in which he spread the gospel **The Appian Way, a Journey** Dora Jane Hamblin, Mary Jane Loeb Grunsfeld, 1974 *All Roads Lead to Rome* Charles River Editors, 2014-03-25 Includes pictures Includes ancient accounts of the Appian Way s history and construction Explains the Appian Way s role during the Second Punic War and Spartacus rebellion Includes a bibliography for further reading Appia teritur regina longarum viarum The Appian Way is the queen of the long roads Statius The modern world has the ancient Romans to thank for the origins of many modern technologies conveniences and ideas such as running water baths and republican style government but roads are another influence the Romans have had on the modern world that are often taken for granted Although Roman roads may not have attained the glamorous status of other inventions their influence is just as profound roads provide essential communication and transport lines for any country they are the veins and arteries that move the life blood of trade and peoples that make a country thrive Indeed throughout the hundreds of years when Rome was ascendant in the ancient world the roads they built held together first their republic and then their empire into a cohesive unit Many of these roads were important but one road stands above all others the Appian Way or Via Appia as it was called in the Latin spoken by the Romans Since the Appian Way was first built in 312 BC it has inspired poets slaves and conquerors and Mark Antony Spartacus Hannibal and Horace are just a few of the notable historical personalities who traveled on the

Appian Way For some marching along the Appian Way became an integral part of their lives while others lost their lives along the road Hamblin and Grunsfeld 1974 4 5 Fittingly the road s construction was part of a long process in road building that was also indicative of Roman expansion across the Mediterranean and at the peak of Roman power the Appian Way extended over 300 miles Due to its importance in world history and its primacy among other ancient Roman roads a Roman named Publius Painius Statius assigned the moniker *linguarum regina viarum* Queen of long distance roads to the Appian Way in the 1st century AD over 300 years after it was first built Hamblin and Grunsfeld 1974 3 The moniker stuck and it has been called the Queen of Roads ever since But while the Appian Way will always be associated with Ancient Rome it was not only important to the ancient Romans but also in later periods of world history It was deemed crucial enough that the Vatican ordered a parallel road network constructed alongside it during the Middle Ages and it played an important role as recently as World War II At the same time the Appian Way has been so well preserved that people can still walk along it today even as they see Roman ruins on the sides of the road that remind tourists and viewers of both Rome s proud history and its eventual collapse All Roads Lead to Rome The History of the Appian Way chronicles the construction and history of Rome s most important road Along with pictures of important people places and events you will learn about the Appian Way like never before in no time at all **On the Appian Way** Umberto Leoni,Giovanni Staderini,1907 Along the Via Appia Laine Cunningham,2019-09-10 Starting in Rome the Appian Way takes travelers back to 312 BC The Via Appia wends pasts the churches tombs catacombs and other monuments that dot the landscape The view changes with the seasons exploding in spring with purple wisteria and verdant year round with tall cypress trees Pass through the ancient wall of Rome and explore this ancient road with the full color photos in Along the Via Appia Rome s Ancient Appian Way a Travel Photo Art book On the Appian Way Umberto Leoni,Giovanni Staderini,2014-01-08 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification On The Appian Way A Walk From Rome To Albano Umberto Leoni Giovanni Staderini R Bemporad 1907 Appian Way Italy **The Appian Way**,2010 The American Highway William Kaszynski,2000-01-01 Minnesota based writer and photographer Kazynski traces the transformation of the US from a network of places connected by rutted wagon trails to a maze of highways connected to other highways He describes and illustrates road and bridge construction and the new roadside culture that threw up motels restaurants gas stations and scenic perspectives Places To Visit And Fun Things To Do In Rome With Kids Pasquale De

The Appian Way: The People, the Places and the History of the Road that Led to Europe David Hewson,2020-08-04 They say all roads lead to Rome but some are more important than others Along 350 miles from Rome to Brindisi the Appian Way rose from its humble beginnings as a military track to become the engine that transformed Ancient Rome into the greatest empire Europe had ever seen Two thousand years later with the continent in the process of another seismic shift bestselling author David Hewson travels its route in the footsteps of the ordinary and extraordinary people who trod its path From the gladiator rebel Spartacus to the marauding general Hannibal via emperors martyrs and politicians he uncovers the stories of war intrigue and ambition buried beneath its cobblestones Whether you love history travel Italy or all three The Appian Way is a vivid personal and fascinating exploration of an ancient journey that has never been more relevant Complete with an exclusive online photo album of the main locations and an interactive Google Earth map A seamless mix of present and past The Appian Way brings Roman history vividly alive Dakota L Hamilton Humboldt Kent University

A Murder on the Appian Way Steven Saylor,2007-04-01 Torchlight flickers on the elegant marble walls The sound of a mob echoes in the street The year is 52 B C and the naked body of Publius Clodius is about to be carried through the teaming streets of Rome Clodius a rich man turned rabble rouser was slain on the most splendid road in the world the Appian Way Now Clodius s rival Milo is being targeted for revenge and the city teeters on the verge of chaos An explosive trial will feature the best oration of Cicero and Marc Antony while Gordianus the Finder has been charged by Pompey the Great himself to look further into the murder With the Senate House already in ashes and his own life very much in danger Gordianus must return to a deserted stretch of the Appian Way to find the truth that can save a city drunk on power rent by fear and filled with the madness and glory of Rome

A Walk Through History: An Exploration of Rome's Cultural Legacy Pasquale De Marco,2025-05-15
