Meeting, 1984 A collection of papers presented at the Fifteenth Annual Meeting of the Middle East Studies Association of North America held at Seattle in November 1981 Oil and Development in the Arab Gulf States Walid I. Sharif, 2023-10-12 Oil and Development in the Arab Gulf States 1985 brings together in one volume the manifold sources of information on the Arab Gulf region especially the impact of oil revenues on its economic political and social development It provides a balanced core of primary and secondary sources on various aspects of the economics of Arab oil between 1973 and 1983 *Bands, Tribes, & First Peoples and Nations* Richard Barrington, 2014-07-15 Anthropology politics and history come together to form an insightful blend in this authoritative title covering kinship tribalism and nonurban cultures the world over Both the theory and practical examples of tribal cultures are presented with several chapters dedicated to the various schools of anthropological thought on nonurban societies accompanied by a survey of tribal and indigenous cultures both historically and in modern times American Indians the indigenous peoples of South America nomadic tribes of the Middle East and Aboriginal Australians are a few of the societies explored in this extensive text The Bin Ladens Steve Coll, 2008-04-01 From the Pulitzer Prize winning and bestselling author of *Ghost Wars* and *The Achilles Trap* Riveting The most psychologically detailed portrait of the brutal 9 11 mastermind yet Michiko Kakutani The New York Times In *The Bin Ladens* two time Pulitzer Prize winner Steve Coll continues where *Ghost Wars* left off shedding new light on one of the most elusive families of the twenty first century Rising from a famine stricken desert into luxury private compounds and even business deals with Hollywood celebrities the Bin Ladens have benefited from the tensions and contradictions in a country founded on extreme religious purity suddenly thrust into a world awash in oil money and the temptations of the West But what do these incongruities mean for globalization the War on Terror and America's place in the Middle East Meticulously researched *The Bin Ladens* is the story of a remarkably varied and often dangerous family that has used money mobility and technology to dramatically different ends Saudi Arabia, the West and the Security of the Gulf Mazher A. Hameed, 2025-04-01 Saudi Arabia the West and the Security of the Gulf 1986 considers the geopolitical environment of the Arab Gulf and the nature and threats to Western interests in the region It also examines the political economic and other Gulf resources that can be marshalled to protect those interests

The Paradoxical Kingdom Daryl Champion, 2003 A specialist in Saudi Arabian affairs shows how religion tradition society economics politics and the state interact with each other as the nation lurches into the 21st century *A Question Of Interest* Peter Wilson, 2021-11-28 In Saudi Arabia today a classic confrontation between Islamic fundamentalism and modernism has brought the Saudi banking system virtually to a state of paralysis The debate is between those upholding the traditional Islamic prohibition against charging interest on loans and those who wish to see a modern banking system capable of generating credit to support economic development Drawing on personal experience interviews and unpublished

primary sources Peter Wilson tells a dramatic story of powerful personalities clashing cultures and often mysterious institutions with a journalists eye for the telling anecdote as well as for the statistical evidence *Oman: Economic, Social and Strategic Developments* B.R. Pridham, 2023-09-08 Oman is an important country for the West both as an oil exporter and as a key ally strategically placed at the entrance to the Gulf This book first published in 1987 provides an overview of post war social political and economic developments in the country It outlines the historical and geographical background considers economic developments both in the oil and non oil sectors as well as exploring societal changes in Omani culture and education Managing Computer Based Information Systems in Developing Countries Abdullah H.

Al-Abdul-Gader, 1999-01-01 Managing Computer Based Information Systems in Developing Countries A Cultural Perspective analyzes computer based information systems in the Arab Gulf Countries starting with an analysis of culturally oriented perceptions and attitudes It treats the issue of CBIS diffusion into the AGC with consideration to its vast potential of strategic tactical and operational demands of the region *Western Strategic Interests in Saudi Arabia (RLE Saudi Arabia)* Anthony Cordesman, 2020-07-26 Saudi Arabia s strategic relations with the West involve clear and direct common strategic interests in the Gulf and in the Near East While they compete in terms of trade and oil prices they share a common commitment to private enterprise and to maintaining a stable balance of world trade Saudi Arabia often differs with given Western states in terms of specific strategic interests and tactics but these differences are rarely significant enough to prevent close cooperation Even the differences over the Arab Israeli peace issue are largely ones of timing and tactics Saudi Arabia must preserve friendly relations with Syria and is vulnerable to attacks by Arab radicals and Iran It has also differed with the US over the specific approach that should be taken to achieving an Arab Israeli peace settlement but it has consistently pushed for a peace settlement within the Arab world This book first published in 1987 analyses the interrelations between Western and Saudi strategic concerns and argues forcibly that pressure from the Israeli lobby within US domestic politics must not be allowed to interfere within the proper provisioning of the Saudi armed forces especially the air force *Military Review*, 1984 *Professional Journal of the United States Army*, 1984 Quarterly Review of Military Literature, 1984 **The**
