**A Concise Companion to Contemporary British and Irish Drama** Nadine Holdsworth,Mary Luckhurst,2013-05-28 Focusing on major and emerging playwrights institutions and various theatre practices this Concise Companion examines the key issues in British and Irish theatre since 1979 Written by leading

international scholars in the field this collection offers new ways of thinking about the social political and cultural contexts within which specific aspects of British and Irish theatre have emerged and explores the relationship between these contexts and the works produced It investigates why particular issues and practices have emerged as significant in the theatre of this period

Choreography and Verbatim Theatre Jess McCormack, 2018-05-31 How might spoken words be translated into choreography This book addresses the field of verbatim dance theatre around which there is currently limited existing scholarly writing Grounded in extensive research the project combines dance studies and performance studies theory detailed analysis of professional choreographic work and examples of experimental practice to then employ the framework of translation studies in order to consider what a focus on movement and an attempt to dance move other people's words can offer to the field of verbatim theatre It investigates ways to understand articulate and engage in the process of choreographing movement as a response to verbatim spoken language It is directed at an international audience of dance studies scholars theatre and performance studies scholars and dance theatre practitioners and it would be appropriate reading material for undergraduate students seeking to develop their understanding of choreographic processes that use written spoken text as a starting point and graduate students working in the area of adaptation verbatim theatre physical theatre or devised theatre

From Ancient Myth to Modern Healing Pamela Donleavy, Ann Shearer, 2008-06-30 This book is about the energy personified by the classical Greek goddess Themis who brought her divine and natural right order to gods and humans and who still presides over law courts as the figure of Justice In many Western countries today the growing disease in minds and bodies of individuals is often echoed in whole communities Rather than coming together they seem to split apart in anger and distress But themis energy is equally powerful and can work to bring together and to heal From the battle of the Titans and Olympians to the oracle at Delphi and the banquet of the gods the stories of the goddess weave through these chapters to illuminate how themis energy is at work today The authors explore psychological healing in individuals and relate this to new research in neurocardiology on the subtle interactions of body and mind They show how the international movement for restorative justice is drawing on the same healing tools to benefit victims and offenders alike And they evoke the extraordinary story of the South African Truth and Reconciliation Commission which shows the world how themis energy can help transform a ravaged society This book deepens understanding of the psychological urge towards healing and wholeness which is as much a part of human beings as the urge to destroy It offers exciting new insights into Jung's unique approach to the relationship between individual and collective psychology It will appeal to psychologists who work with individuals and groups to lawyers and others concerned with the failure of current criminal justice systems and to people involved in religious political and other groups that seek to build communities which can encompass and even celebrate diversity rather than rejecting it in fear

*Staging Change* Victoria L. Scrimmer, 2024-12-12 Exploring a wide variety of examples of activist performances such as David Buckel's self immolation and the January 6th capitol insurrection this book

analyses activist performance through the lens of postdramatic theatre theory Staging Change poses the provocative question are activists addicted to drama Scrimmer examines the ways in which the performance and reception of protest is informed by the logic of dramatic theatre and argues that such performative arrangements are so naturalized that they can limit the ability of activists and their audiences to imagine different ways of precipitating change By combining performance analysis interviews with artists and activists and autoethnographic accounts of the author's own experiences as an environmental activist the book illustrates the limitations and alternatives to dramatic representation in activist performance The last decade has seen an increase in political demonstrations worldwide particularly following the excitement and disappointments of the Arab Spring uprisings We have seen several notable movements such as the Occupy movement the mobilization of Black Lives Matter and the MeToo movement In response scholars artists and activists from diverse disciplines have produced an exciting array of practical and theoretical approaches for talking about and thinking through activism Utilizing these interdisciplinary approaches Scrimmer offers us a theoretical inquiry into the possible applications of Hans Thies Lehmann's postdramatic theatre theory in the context of political activism and subsequently extends an alternative conceptual model for activist performance beyond the dramatic paradigm **Verbatim, Verbatim** Will Hammond, Dan Steward, 2012-09-24 Five specially commissioned discussions of verbatim theatre in the words of the people who make it What a verbatim play does is flash your research nakedly It's like cooking a meal but the meat is left raw Max Stafford Clark Plays which use people's actual words as the basis for their drama are not a new phenomenon But from the stages of national theatres to fringe venues and universities everywhere verbatim theatre as it has come to be known is currently enjoying unprecedented attention and success It has also attracted high profile criticism and impassioned debate In these wide ranging essays and interviews six leading dramatists describe their varying approaches to verbatim examine the strengths and weaknesses of its techniques and explore the reasons for its current popularity They discuss frankly the unique opportunities and ethical dilemmas that arise when portraying real people on stage and consider some of the criticisms levelled at this controversial documentary form The intention is always to arrive at the truth Nicolas Kent Food and Theatre on the World Stage Dorothy Chansky, Ann Folino White, 2015-06-12 Putting food and theatre into direct conversation this volume focuses on how food and theatre have operated for centuries as partners in the performative symbolic and literary making of meaning Through case studies literary analyses and performance critiques contributors examine theatrical work from China Japan India Greece Italy France Germany England the United States Chile Argentina and Zimbabwe addressing work from classical popular and contemporary theatre practices The investigation of uses of food across media and artistic genres is a burgeoning area of scholarly investigation yet regarding representation and symbolism literature and film have received more attention than theatre while performance studies scholars have taken the lead in examining the performative aspects of food events This collection looks across dramatic genres historical periods and cultural contexts and

at food in all of its socio political material complexity to examine the particular problems and potentials of invoking and using food in live theatre The volume considers food as a transhistorical global phenomenon across theatre genres addressing the explosion of food studies at the end of the twentieth century that has shown how food is a crucial aspect of cultural identity

theatre makers Rob Drummond pushes the boundaries of popular culture in these two unique pieces of theatre *Mixed Up North* Robin Soans, 2009-09-01 Based on real events *Mixed Up North* is a fiercely funny and moving new play about the difficulties of uniting divided racial communities in the Lancashire mill town of Burnley Trish leads a youth theatre group for Asian and White teenagers As she struggles to share her artistic vision with a cast who think acting is gay the compelling stories of the young stars unfold along with a moving history of their town Take your seat at their final dress rehearsal with tensions rising and mobiles ringing will Trish bring her utopian dream to a triumphant conclusion **Modern British Playwriting: 2000-2009** Dan Rebellato, 2013-12-16 Essential for students of theatre studies Methuen Drama's Decades of Modern British Playwriting series provides a comprehensive survey and study of the theatre produced in each decade from the 1950s to 2009 in six volumes Each volume features a critical analysis and reevaluation of the work of four five key playwrights from that decade authored by a team of experts together with an extensive commentary on the period Edited by Dan Rebellato Modern British Playwriting 2000 2009 provides an authoritative and stimulating reassessment of the theatre of the decade together with a detailed study of the work of David Greig Nadine Holdsworth Simon Stephens Jacqueline Bolton Tim Crouch Dan Rebellato Roy Williams Michael Pearce and Debbie Tucker Green Lynette Goddard The volume sets the context by providing a chronological survey of the decade one marked by the War on Terror the excesses of economic globalization and the digital revolution In surveying the theatrical activity and climate Andrew Haydon explores the response to the political events the rise of verbatim theatre the increasing experimentation and the effect of both the Boyden Report and changes in the Arts Council's priorities Five scholars provide detailed examinations of the playwrights work during the decade combining an analysis of their plays with a study of other material such as early play drafts and the critical receptions of the time Interviews with each playwright further illuminate this stimulating final volume in the Decades of Modern British Playwriting series Performance in the Twenty-First Century Andy Lavender, 2016-05-26 Performance in the Twenty First Century Theatres of Engagement addresses the reshaping of theatre and performance after postmodernism Andy Lavender argues provocatively that after the classic postmodern tropes of detachment irony and contingency performance in the twenty first century engages more overtly with meaning politics and society It involves a newly pronounced form of personal experience often implicating the body and one's sense of self This volume examines a range of performance events including work by both emergent and internationally significant companies and artists such as Rimini Protokoll Blast Theory dreamthinkspeak Zecora Ura Punchdrunk Ontroerend Goed Kris Verdonck Dries Verhoeven Rabih Mroue Derren Brown and David Blaine It also considers a wider range of cultural phenomena such as online social networking sports events installations games based work and theme parks where principles of performance are in play Performance in the Twenty First Century is a compelling and provocative resource for anybody interested in discovering how performance theory can be applied to cutting edge culture and indeed the world around them **Life After Scandal** Robin Soans, 2016-08-01 you'll see

them stuck like insects in amber Like an Ibsen play haunted for the rest of their lives Life After Scandal takes you behind the closed curtains and beyond the reach of the telephoto lenses to explore our paparazzi infested world from the other side as those implicated in some of the most notorious scandals of recent years talk frankly about the events which transformed their lives This verbatim play from the writer of Talking To Terrorists and The Arab Israeli Cookbook uses the subjects own words to take an entertaining compassionate and deeply moving look at the different people from scorned politicians to powerful PRs expensive prostitutes to disgraced aristocrats who find themselves caught up in the modern machinery of scandal Life After Scandal opened at the Hampstead Theatre in September 2007

The Arabisraeli Cookbook: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Arabisraeli Cookbook : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
