snobby and selfish One friend in particular has caused Alice an enormous amount of pain The ladies agree to the vacation The encounter among the friends gets off to a rocky start but as the week progresses the BFFs discover they had misjudged Alice The women find themselves enjoying their time together And on the last day of the trip for fun they visit a palm reader However this becomes the beginning of a new era of their lives an era of questioning themselves their relationships and the past That same night the palm reader s words unearth the locked away secrets of their friendship Lauren and Kathy find themselves in an unending rift which in turn harms Kathy s husband Derek Since the age of twelve Elle had been plagued by a secret from her past a secret she successfully kept hidden until now Alice will reveal a secret that will divide the friends An innocent palm reading will change the women s lives forever BFFs forever or not Philosophical Transactions of the Royal Society ,1896 **Shadows** Aren K.
