The Art Of Gillian Jagger:

The Art of Gillian Jagger Gillian Jagger, Michael Brenson, Elvehjem Museum of Art, 2003 Gillian Jagger's complex and moving sculptures are documented in the Elvehjem's now Chazen's catalogue of the first museum organized exhibition of her work. Installation pieces and works on paper are featured including Jagger's *Matrice* a deer carcass found on the road near her studio stabilized by resin and suspended with dairy cow stanchions and metal rigging all hanging above broken stones from a New York quarry. In *Rift* suspended fragments of weathered board coiling barbed wire rusted cutting tools bones of a deer a horse skull and a mummified cat represented the artist's protest against animal abuse. Jagger incorporated sections of a large tree trunk cast rocks a grid chains hooks and pulleys in her major recent work *Spiral*. Distributed for the Chazen Museum of Art University of Wisconsin Madison **Gillian Jagger**, *Sculpture and Archaeology* Andrew Jones, 2017-07-05 In recent years the intersections between art history and archaeology have become the focus of critical analysis by both disciplines. Contemporary sculpture has played a key role in this dialogue. The essays in this volume by art historians archaeologists and artists take the intersection between sculpture and archaeology as the prelude for analysis examining the metaphorical and conceptual role of archaeology as subject matter for sculptors and the significance of sculpture as a three dimensional medium for exploring historical attitudes to archaeology. *Art on Sight: The Best Art Walks In and Near New York City* Lucy D. In particular the two world wars have had a profound influence on the development of world history especially in western Europe. The aim of *Memory and Memorials* however is not to seek the effects war has had on the twentieth century but rather to explore how societies chose to remember wars and manipulate this memory for political and cultural purposes. Tackling issues of actual

memory distorted memory and reconstructions of the past the use and nature of the war memorial and the reflection of all these points in selected art literature and film the main theme of Memory and Memorials is to stress both continuity and change in memory and memorial Reading and the First World War Shafquat Towheed, Edmund King, 2015-08-17 Ranging from soldiers reading newspapers at the front to authors responses to the war this book sheds new light on the reading habits and preferences of men and women combatants and civilians during the First World War This is the first study of the conflict from the perspective of readers *The British National Bibliography* Arthur James Wells, 2006 New York Magazine , 1997-02-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Artbibliographies Modern* , 2005 *Arts Magazine* , 1981 Art in America Frank Jewett Mather, Frederic Fairchild Sherman, 2004 **Sculpture** Daniel Kunitz, 2003-07 **Art Index Retrospective** , 1996 Relocating Britishness Stephen Caunce, 2004-11-27 Offering a range of original perspectives on how Britishness might be constructed at the turn of the millennium and where it might be going this volume pulls together various disciplines and a variety of geographical perspectives to offer a distinctive set of views for the understanding of Britishness and how it is expressed Andy Warhol's Mother Elaine Rusinko, 2024-11-19 While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art Julia Warhola s story has not yet been told As an American immigrant who was born in a small Carpatho Rusyn village in Austria Hungary in 1891 Julia never had the opportunity to develop her own considerable artistic talents Instead she worked and sacrificed so her son could follow his dreams helping to shape Andy s art and persona Julia famously followed him to New York City and lived with him there for almost twenty years where she remained engaged in his personal and artistic life She was well known as Andy Warhol s mother even developing a distinctive signature with the title that she used on her own drawings Exploring previously unpublished material including Rusyn language correspondence and videos Andy Warhol s Mother provides the first in depth look at Julia s hardscrabble life her creative imagination and her spirited personality Elaine Rusinko follows Julia s life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant garde New York Rusinko explores the impact of Julia s Carpatho Rusyn culture Byzantine Catholic faith and traditional worldview on her ultra modern son the quintessential American artist This close examination of the Warhola family s lifeworld allows a more acute perception of both Andy and Julia while also illuminating the broader social and cultural issues that confronted and conditioned them *New York Magazine* , 1986-02-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and
